There have been changes to the ground locations at Aquinas for 2011. Please note these changes below.

**RUGBY AND SOCCER**

McMahon Oval on the eastern side of the new Br Paull Centre is now used for rugby and soccer in winter, with 8A, 9A, 10A, 2nds and 1sts teams of both soccer and rugby scheduled to play on these fields when Aquinas is hosting. 7A rugby will also be on this field.

Lynch Oval will still be used for soccer, for grades outside the above.

**FOOTBALL**

Memorial Oval will still be used for 1st, 2nd, 10A, 9A and 8A football when Aquinas is hosting. Other grades will play on the Lower Ovals at Aquinas where Rugby used to be played. 7A and 7B football will be played at Karoonda Reserve Booragoon when Aquinas is hosting year 7 and 8 football.

**PARKING**

There will be no access to the College from Redmond St, on the eastern side of the College. Parents are encouraged to use the main College entrance and park in the car parks in and around the tennis courts and hockey pavilion, and make their way to the appropriate fields from there.

**FIRST AID**

There are 2 first aid stations for both Friday and Saturday sport.
1. The medical centre located in the main administration building near Memorial Oval.
2. On the eastern side of the Br Paull Centre.

A nurse will be on call at both of these locations.

**CHANGEROOMS**

Boys from visiting schools will have access to the changerooms and showers in the original Aquinas College gymnasium.

Good luck to all teams this winter season.

David Gault
Director of Sport
