Boys wishing to appeal their lack of nomination for these awards need to submit a written appeal (email is fine) to Mr Lynch explaining why they should be considered by 1pm on Thursday 27 August.</p>

Murdoch University Information
Ms Clarke

Murdoch University

For student interested in Engineering and IT...

If you're passionate about developing gaming, mobile and computer software, creating a sustainable future and engineering new technologies, the **Engineering and Information Technology Evening** is an ideal event to discover your options.

Join us on Wednesday 2nd September at 6:00pm to talk about your career options and the opportunity to study and work internationally in a wide range of engineering specialisations, as well as in online security, software design and production, energy and the environment, and urban and regional planning.

To register, simply visit <http://www.experience.murdoch.edu.au/event/engineeringit/>.

For students interested in Sciences...

If you're passionate about all things science – from working with animals to protecting and managing the environment, the **Science Careers and Industry Evening** is an ideal event to discover the range of courses on offer at Murdoch University including new majors in Laboratory Medicine and Crop & Pasture Science.

Join us on Wednesday 16th September at 6:00pm to explore a broad range of majors which give you the opportunity to study and work internationally in areas of Agriculture, Medical Science and Health Industry, Environmental and Conservation Sciences and Veterinary Sciences.

To register, simply visit <http://www.experience.murdoch.edu.au/event/sciencecareers/>.

Scholarships in the Sciences...

Applications are now open for a range of new scholarships in recognition of academic excellence, for students commencing undergraduate studies in 2016.

The Murdoch Academic Excellence Award will be awarded to students based on academic merit, to the value of \$3,000 each. Students with a predicted ATAR of 90+ (or 94+ for Law) are eligible to apply. Applications are due on Friday 30th September.

Also on offer are additional scholarships for students interested in Chemical & Metallurgical Engineering, Environmental Engineering, Laboratory Medicine, Crop & Pasture Science and Veterinary Science, each valued at \$3,000.

More information about eligibility, application and other scholarships on offer, students are encouraged to visit the Scholarships website at <http://our.murdoch.edu.au/Student-life/Finances/>
