The Mitre Society  
Office of Philanthropy

The Mitre Society honours and recognises those who during their lifetime offer commitment and generosity to Christ Church in the form of a bequest. For more than 100 years the support of old boys, parents and friends of the School has delivered a remarkable legacy on the Christ Church community.

Members of the Mitre Society maintain a close connection with the School through special invitations and the annual members function hosted by the Principal.

Anyone who notifies the School of their intention to leave a bequest to the Christ Church Grammar School is invited to become a member of the Mitre Society.

If you would like to learn more about leaving a gift to the School in the form of a bequest please contact the Director of Philanthropy, Carolyn Turner, on 9442 1542 or [cturner@ccgs.wa.edu.au](mailto:cturner@ccgs.wa.edu.au).
