

Criteria for Sport

Preamble

A Service, Colours and/or Honours award can be received in the following sports; Cricket, Basketball, Volleyball, Tennis, Water Polo, Football, Soccer, Rugby, Hockey, Badminton Cross Country, Swimming, Athletics, Sailing, Surfing and Rowing.

When boys receive the award of Service, Colours and/or Honours they may have the appropriate symbol embroidered onto their blazer pocket. In the case of Service, the symbol is embroidered in silver and in the case of Colours and Honours the symbol is embroidered in gold with the addition of a gold wreath for Honours. Under all embroidered symbols the year in which the award was received is embroidered in the matching colour. Multiple awards of Colours and Honours are represented by the addition of the years in which awards have been received under the original embroidered symbol and not the embroidering of multiple symbols.

The Process

One week prior to the conclusion of each season, individual sports will hold a committee meeting to discuss the Service, Colours and Honours nominees from their respective sport. The committee shall comprise the 1st Team Coach, the Teacher in Charge of the sport, an assistant coach or manager (where appropriate) as well as the boys who make up the leadership group which *may* consist of the Captain *and* Vice Captain and/or committee men at the discretion of the TIC or first team coach of that sport.

Through a process of discussion and revision and adhering to the selection criteria a list of *nominees* will be sent to the Director of Sport who will publish them on the Sport noticeboard for student and staff perusal, no later than 5 days after the last fixture of either summer or winter sport. Students who are not nominated, are given up to one week to lodge a written appeal with the Director of Sport. (This should be stated on the bottom of the published list of nominees). The Director of Sport will then discuss the appeal with the student, members of the individual sports committee, team coach/team manager/TIC, and Director of Co-Curricular and Planning.

Final lists of award winners are submitted to the Director of Planning & Co-Curricular for discussion with the Principal. Final approval of awards is given by the Principal and announcement of awards is made at the Principal's Assembly as close to practical to the final round of either summer or winter sport.

Service

The process by which Colours and Honours are awarded at CCGS has performance/ability as a core element in deciding recipients. The effect of these criteria is that some students who have given beyond the normal expectations to a sport, but are not at the top in terms of performance/ability, could not receive these awards.

The Service Award for each code therefore is based on the following criteria.

Eligibility for Service

Boys must be in Year 12 with three continuous years (or two if enrolled from Year 11) of service to that PSA recognised sport e.g. Years 10 to 12.

Selection Criteria for Service

1. Not be a recipient of Colours or Honours in that sport.
2. Have displayed a positive and exemplary attitude towards the sport, team members and coaches at all times.

Colours

Colours are awarded as recognition for boys who have displayed high levels of competence and commitment in their chosen sport. Colours are not to be regarded as being an automatic award for playing in a firsts team. Colours will only be awarded to boys who comply with all aspects of the Colours selection criteria.

Eligibility for Colours

All boys who play in first teams and who fulfil the selection criteria in the year under discussion, are to be eligible for Colours regardless of their year level.

Selection Criteria for Colours

1. Boys should have played more than half of the season's PSA fixtures. (Unless injury, illness or other notified absence has prevented this occurring).
2. A performance and skill assessment will be made by each sporting committee of the players in the first team. This assessment will be based on the skills and ability compared to others within the team and the team's performance will be compared to other PSA teams.
3. Boys must have attended all training sessions, all team meetings, social activities for the season as directed by their team coach or the Teacher in Charge of the sport.
4. Boys must have shown a strong disciplinary approach at all times. Unsportsmanlike behaviour towards an opponent, loss of temper, failure to control emotions and a less than excellent attitude to any aspect of his sport *will* disqualify a boy from being awarded Colours.
5. Boys must display an unselfish approach to their team and a total respect for their coach and other members of the team's support staff.
6. Boys who have been unable to play because of medical reasons, have been granted a school approved absence (i.e. overseas exchange) or are exempted from attending training because they have been allocated a specific task with their sport may be awarded Colours, if that sport's committee believes the boy has performed his duties in an exemplary manner.

Honours

Honours are awarded to boys who show outstanding ability in their sport. Boys must also show a high commitment to all activities associated with the team and display an exemplary disciplinary approach at all times in all aspects of the sport. Honours will only be awarded to boys who comply with all aspects of the Honours selection criteria.

Eligibility for Honours

Boys who have been awarded Colours, who are members of a first team and fulfil the selection criteria in the year under discussion are eligible for Honours

Selection Criteria for Honours

1. Boys should display an outstanding ability in their sport. This criterion is the most important difference between the awarding of Colours and Honours. This will be assessed by boys attaining at least one of the following:
 - a. playing in more than half of the season's PSA fixtures at firsts levels and being a member of PSA premiership team.
 - b. being selected in a state or national training squad of the sport they represent the school in for PSA competition, as selected by the relevant State or National Sporting Association, in either the current or previous sporting season
 - c. being selected in a state or national representative team as selected by the relevant State or National Sporting Association, in either the current or previous sporting season

2. Boys should have displayed a total commitment to the sport at school in all areas including attendance at training, a selfless approach to the team and the coaching staff and an outstanding disciplinary record.
3. Boys should at all times have displayed sportsmanship beyond reproach. At no time should the boy have brought himself or the School into disrepute by his actions regardless of the circumstances.
4. Winning PSA teams are not guaranteed Honours. Individuals in winning PSA teams must also fulfill all areas of the colours selection criteria.

NB The criteria for the awarding of Colours and Honours in Swimming, Athletics, Sailing, Surfing, Cross-country and Rowing varies slightly to the other sports because of their unique nature and placement within the sporting timetable. The Director of Sport and respective TIC's or 1st Team Coaches have additional criteria to use in determining recipients. Please see the following addenda.

Appendix

Addition criteria for Rowing, Sailing, Surfing, Cross Country, Swimming and Athletics

Rowing Colours and Honours

Colours

Year 12 Rowers

Boys who fulfil the selection criteria other than point one, and have completed all aspects of a full season in that year may be considered.

Year 11 Rowers

Boys who are members of Head of the River winning 2nd VIII

Eligibility

Honours

Boys who are members of a winning First Eight at the Head of the River, are eligible for Honours.

Boys who are members of the First Eight, who medal in the open final at the National Schoolboys Regatta, are also eligible for Honours.

Boys must also fulfill the criteria for Honours as described earlier.

NB. It is important to note that in Rowing, a winning PSA Rowing Crew is acknowledged as the State Schoolboy Champions, although in no official capacity.
