

# The Poem of Virtues

I

## JUSTICE

Under the law's hammer  
On the justifying scales  
Like a super hero  
Against equality  
But - kept fair

II

## LOVE

Showing passion  
No hatred  
Much affection  
All inclusion  
Simple but affective  
Love

III

## SELF-DISCIPLINE

Control your self  
Over come weaknesses  
Improve strengths  
To do  
But not to the extreme

IV

## HUMILITY

To be self less  
To not be vain  
To not speak of yourself  
Put others before you  
But not put your self in danger

V

## SERVICE

To give a helping hand  
Not to refuse  
To do when others don't  
Then to carry on

## VI

### GRATITUDE

To be grateful  
To say thanks  
To be happy for favours  
Then return them

## VII

### COURAGE

Be brave  
Try new things  
Face your fears  
Then celebrate when you over come them

## VIII

### HONESTY

To tell the truth  
To be yourself  
Don't cheat  
Don't do what is not right  
And you will be trusted
