The Matthew Carulli Memorial Scholarship

The Matthew Carulli Memorial Scholarship was awarded for the first time in 2015. Matthew was a student at Christ Church from Year 5 to Year 11 until his death from childhood leukaemia in January 2014.

Matthew loved being at Christ Church and produced a wonderful list of achievements of which any student would be proud:

- Citizenship Award and Class Captain, Year 5, 2007
- Academic merit prizes Year 6, 2008 and Year 7, 2009,
- Dale House Captain Year 7, 2009
- GL Matthews and LJ Matthews prize Year 7, 2009
- Digital Art prize Year 9, 2011
- Academic merit prize Year 9, 2011
- Japanese prize Year 9, 2011
- Academic merit prize Year 10, 2012
- Design and Technology in Engineering 2012
- Luke Delaney Award 2012
- Year 10, 2012 represented Christ Church at the Sir Charles Court Young Leaders Program.

These achievements represent Matthew's tenacity despite the obstacles he faced with his illness.

The scholarship, made possible by the generosity of the Stan Perron Charitable Trust, will be awarded to a boy commencing at Christ Church in Year 7 and guarantees support to the value of 100% of the tuition fees for the duration of his secondary schooling. The scholarship will be awarded to a boy of general excellence who would not otherwise be able to attend Christ Church without the assistance of this scholarship.

The recipient will demonstrate the characteristics that Matthew exemplified - high academic standing, courage, tenacity and good humour. He will demonstrate an appropriate balance of humility and confidence and be a boy whose aspiration for excellence is reflected in his approach to life both within and beyond school.
