

Dear Parents

I am very excited to announce applications for the Christ Church Grammar School 2017 Fishing Tour are now open. We have managed to secure a discounted fee from Reel Teaser Fishing Adventures, a highly respected live aboard charter provider. Reel Teaser is a 65ft Westcoaster fibreglass fly bridge cruiser that has been customised to suit long range fishing charters. We will depart from Broome and cruise to the north of the Lacepede Islands along the Broome Peninsula. The fishing, which coincides with the annual Broome Billfish Classic tournament, will involve switch baiting for sailfish and small black marlin, trolling for Spanish mackerel and tuna, popper casting and jigging for giant trevallies and queenfish, and of course bottom fishing for reef species. This tour provides an outstanding opportunity for your son to experience world class fishing in a pristine environment with his peers.
