Tom McGrath, Tony Friars and Shane Macdonald

Teams who were in the top 10 of their regions qualified for the Tournament of Champions held at Yale University later this year. Tom McGrath, Tony Friars and Shane Macdonald placed seventh overall in the Australia/Americas region and have therefore scored a berth at the Tournament of Champions in November. We are very excited and proud of these boys.

Due to the large amount of teams and complex calculations, we are still waiting to hear if our second team of David Jones, Ashley Porter and Josh Green qualified for the Tournament of Champions.
