Public Schools' Association Swimming Carnival, March 9th

Again the day was fine, but there was still that chilly breeze. More than three thousand spectators packed into the hopelessly inadequate seating and standing room provided at Crawley Baths; in fact, "swimming room only" was the order of the day. We very nearly won our first P.S.A. swimming event when Winton was beaten by a touch by the powerful Wesley swimmer, Vellnagel. In the first division of the same race, Miall was unfortunate in meeting Ryan of Wesley, who smashed the Under 15 100 metres mark with 56.4 seconds. However, Miall was not far behind filling second place. We had our first win in the first division of the Under 13 Freestyle, when P. Driscoll came in first. J. Madams won the second division of the Under 16 Breast-stroke in the fast time of 42.4 seconds. The Under 13 and Under 15 relay teams were again successful, both winning their events in fine style.

The ever popular Old Boys relay race completed the carnival. Peter Kirby pulled our team out of the dumps when he improved our position from fifth to third with a lightening fifty metres.

We congratulate Scotch on their fine win. In our P.S.A. debut we came in fifth; however, we do not feel disgraced as the opposition was of a particularly high standard.

The final results were: Scotch, 263; Hale, 198; Aquinas, 190; Wesley, 178; Christ Church, 160; Guildford, 122.
