## Ski Trip 2018

Dear Parents and Guardians

Following the success of previous school ski trips it is proposed to take a party of Year 10, 11 and 12 students to Cardrona in the south island of New Zealand, 7-15 July, during the school holiday period in 2018.

The mountains of the south island provide extensive skiing and snowboarding opportunities and an excellent standard of accommodation for school groups. The boys will have five days on the slopes.

The trip will cost approximately \$4400.00 to \$4600.00 and is inclusive of:

- return airfare Perth/Queenstown
- all land transfers and travel insurance
- accommodation and cooked breakfasts
- dinners
- 5 days lift pass, ski equipment and helmet hire
- 5 days lessons
- one activity day, eg. jetboat and luge

The trip **does not** include:

- lunches
- ski clothing

Flights and accommodation must be pre-booked in 2017 for the trip to remain viable and to minimise costs. The final cost may vary slightly depending on the number of students attending.

Places on the trip are limited and at this stage we require a non-refundable deposit of \$1500.00 to secure your son's position on the tour.

Please return the attached 'Method of Transaction' to Mike Ristovsky in the Mathematics office or Brad Downing in the PE office. Any questions should be directed to Mr. Downing on 94421633 or Mr. Ristovsky on 94421615.

Yours sincerely

Mike Ristovsky
