### Father/Friend - Son Rugby Match

Dear Parents

In Term 3 Christ Church Grammar School will be hosting the annual Father-Friend/Son Rugby match. This has become a tradition that all boys look forward to playing with their fathers or a significant male figure in their lives. The match gives the boys the rare opportunity to play side by side with their dad or another family member.

We will be playing modified rugby rules and would like to invite all dads (or significant role models) of the boys in the Rugby program to come along and join in the action.
