Father/Friend - Son Football Match

Dear Parents

In Term 3, Christ Church Grammar School will be hosting the annual Father-Friend/Son AFL match. The inaugural match took place in 2009 and it has become a tradition that all boys look forward to playing. The match gives the boys the rare opportunity to play side by side with their dad or another family member. This year we will be playing three matches (divided into A, B and C teams).

We will be playing a modified AFL 9s format – please visit <http://afl9s.com.au/rules/>.

We would like to invite all dads (or significant role models) of the boys in the AFL program to come along and join in the action.
