

## Festival of the Boot

The annual Festival of the Boot was once again played in great spirits, with a draw called between CCGS old boys and Old Scotch Collegians to close out a top day. Rugby was ours until a heartbreaking last-minute try on the buzzer which saw us go down 38-42.

We had our revenge in hockey with the Leaversuch brothers showing great form; the team going into the last third one nil down, then taking three goals to finish 3-2.

Scotch failed to field a footy team but a scratch match of 13 a side saw the old boys get a few kicks in. Umpire for

the game Craig ('Razor Ray') Gibson reckoned 'Marshie' was best on ground, "showing tireless performance in the ruck reminiscent of Simon Madden." Leading from the front Sammy Wallace put in a great effort, while Scotch player 'Daisy' was another top player on the field, with a torpedo after the siren to score 14 points and level the game.

Our soccer team was well represented by leavers from 1986 to 2017 who all put in the hard yards. However, a young Scotch team, possibly a cup winning year group, sailed away with a comfortable win. Special thanks to the four boarding students who helped as line umpires on the day.

## Class of '93 25 year reunion

On Friday 29 July, 48 old boys from the Class of '93 gathered at the Claremont Yacht Club for their 25-year reunion. A fantastic night was had by all reminiscing about the good old days and the humorous moments that can only happen at an all boys school!

Some old boys hadn't caught up since the last day of school but the mateship and camaraderie that remains between our

year group was amazing! We are all truly mates for life!

A smaller group toured the School before the function, joined by an old boy's son and current Year 11 student Josh Coales. It is clear after listening to Josh, that the passion and esprit de corp that we all shared 25 years ago is still strong amongst current students.

## Future Focus

Over 70 Year 12 students joined the OBA's Future Focus series to learn of the opportunities and choices that present beyond Christ Church, and receive reassurance about the path ahead. Old boys returned to school and reflected on factors that have influenced their decisions including mentors, qualifications, skill development, motivation and travel. Special thanks to Mark Crawford ('11), James Culleton ('12), Ashley Lau ('02), David Payne ('78), Dave Allen ('00), Henry Roberts ('14) via Skype from Sydney, Sam Brophy-Williams ('02) and James Heaton ('11) for their positive contributions.

The Class of '76 regular gathering, planned for 14 September at noon will be moved forward by one day to Thursday 13 September in order to avoid conflict with the OBA luncheon at the Westin. Siena's Restaurant in Leederville remains the location and if attending, please send an SMS text to 0401 505 581.

## International and interstate reunions – update your contact details

Old boys living interstate and overseas are encouraged to update their contact details to receive invitations to forthcoming Christ Church reunions. Reunions have recently been held in Melbourne, Sydney and Singapore, with the momentum continuing over coming months in Jakarta and London. Invitations are sent directly to residents of the respective cities so please make sure your residential address is correct. **To update your details, please email [oldboys@ccgs.wa.edu.au](mailto:oldboys@ccgs.wa.edu.au).**

"One of the fantastic advantages that we as old boys have, is our deep network of members across the globe. I'm thrilled the School dedicates substantial resources to ensure the OBA stays connected and prospers. It's a truly unique aspect of Christ Church and one that sets it apart" old boy ('07)

"I felt very nostalgic as Principal Alan Jones updated us on activities such as Koorungal and Venture, which I believe is an integral part of Christ Church Grammar School. Above all, I am particularly excited about one day sending my son to boarding at Christ Church." Kenneth Ho ('01).

## OBA Golf Day

Golfers had the very best conditions for the OBA Golf Day with superb weather, an immaculate course and great team spirit. Cottesloe Golf Club once again hosted the event in magnificent style, with Peter Wallace ('00) at the helm to ensure players were well hydrated throughout the afternoon and aptly rewarded with generous prizes. Special thanks to our sponsors, particularly Bernard Schortinghuis ('88) of Lighthouse Capital. Our grateful thanks to Ros Mackay for representing the legacy of Roger Mackay ('73) after whom the Perpetual Trophy is named.

In other golf related news, the PSA Golf Day will be played on Monday 8 October at Cottesloe Golf Club and we hope to field a couple of teams (at least). Please refer to the calendar of events for registration details.

## School sport results looking good!

Of the 13 PSA premierships contested so far in 2018, Christ Church has finished in the top two across eight of these sports (winning six premierships): Swimming, Tennis, Water Polo, Rowing (Hamer Cup), Cross Country, Hockey and Chess

2018 is a new benchmark, being the first time that the School has won that many PSA premierships in a calendar year since joining the PSA in 1957.

Christ Church was the best performing school in relation to PSA cups won in 2017 and will have those bragging rights again in 2018. Recently, the Senior School boys won both the 2018 Moyes Cup (Cross Country) and the 2018 Ray House Cup (Hockey).

## Second oldest old boy - Viv Shearn

Michael Moore ('47) recently visited Hartley Vivian Shearn ('38) in Adelaide, coming away with 130 pages of memoirs detailing Viv's involvement in the Airforce for which he was awarded the Air Force Cross. While at Christ Church, Viv had a high regard for Headmaster B.T. Walters even though he felt the sting of his cane on several occasions.

## OBA Businessman's Lunch

The Hon Wayne Martin AC QC (LLB (Hons) UWA); LLM London) is one of Western Australia's sharpest legal minds. Following a stellar legal career in private practice, this OBA Legend ('69) became the 13th Chief Justice of the Supreme Court of Western Australia in 2006. His refreshing thinking places him uniquely to share with us his insight into the challenges of accessibility to a fair and efficient legal system, particularly in our remote and rural communities, notions of professional equality, the vagaries of Royal Commissions, the importance of journalistic objectivity, and when Western Australia might inaugurate its first robotic judge!
