

Dear CCGS Parents,

I hope you are all well.

Our school holiday programs are very popular and we are delighted to offer your child the opportunity to attend during the Summer School Holidays.

“You give the children belief in themselves and confidence in their ability in such a positive environment. We were delighted with how you engaged our son and daughter and they both can’t wait to attend the term programs”

Each day the players will experience the following and much much more!

- Learn the PFT Way from our professional coaching staff
- Technical and Tactical Training with fun and exciting small sided games
- Training sessions inspired by Professional Football Academies.
- Football Presentations on the importance of Diet and Nutrition and Sport Psychology, all aimed at relevant age groups.
- Engagement and a Guarantee that they will have a Fun and Positive Learning Experience.
- The Opportunity to be identified for our many term based development programs

The cost for each 4 day clinic is \$149.
