MEDIA STATEMENT: CCGS Surf Life Saving Cadets announced as finalist

Christ Church Grammar School's Surf Live Saving Cadets program has been selected as a finalist in this year's Surf Life Saving WA Awards of Excellence.

The SLSWA Awards of Excellence (Community Partner category) recognises and celebrates the achievements and contributions of its members across a wide range of categories.

Ms Alli Gould, Teacher in Charge of Surf Life Saving Cadets at Christ Church commented, "The footprints of all our previous and current cadets have contributed to this wonderful nomination."

"Our activities over the past two years have gained wide recognition in the community and since inception, over 800 young men at Christ Church have been exposed to the respected community organisation of Surf Life Saving and its associated skills and techniques."

"Most importantly, two lives have been saved in the community as a direct result of first responder actions from graduates of our program."

Earlier this year, the School's SLSC Leader Jes Bromley (Year 11) was awarded the RSL Cadet of the Year (Community Division) which included a trip to Canberra to march in the Dawn Service and attend the Australian Army's officer training establishment at Duntroon.

Year 11 SLSC leaders at Christ Church are currently studying for their Advanced Resuscitation Techniques Certification.

Final results of the Surf Life Saving WA Awards of Excellence will be announced in June.
