MEDIA STATEMENT: Christ Church boys raise over \$25,000 for Cambodian Children's Fund

Over 500 boys at Christ Church Grammar School gave their legs a good work out last week in aid of the Cambodian Children's Fund (CCF).

Throughout the Lapathon, boys from Pre-Primary to Year 6 ran laps of the School's oval in pre-scheduled 20-minute rotations.

Event Coordinator, Mrs Claire Donald said, "It's important for our boys as global citizens to understand the act of helping those in need, and this annual Christ Church event offers a great learning opportunity with obvious fitness benefits."

As part of involvement, all boys were responsible for securing sponsors, collecting funds and promoting the works of the Cambodian Children's Fund.

"Amazingly, over \$17,000 was raised before the event kicked off and our total this year now stands at over \$25,000. We are grateful to have such a supportive school community," said Mrs Donald.

"Through intensive, long-term investments in impoverished children, the Cambodian Children's Fund is helping students build the skills, confidence and integrity to become progressive spokespeople and leaders of change in their communities."

"We are pleased our boys can be involved each year and make a positive difference in our globalised community."
