Terms and Conditions

1. The parent/guardian/carer (Parents) or person(s) responsible for payment of fees shall pay Christ Church Grammar School (the School) such fees and charges for the education and maintenance of, and for the supply of goods and services to, their son (the student) as determined by the School Council from time to time.
2. Unless court orders/legal documents state otherwise, Parents are jointly and severally liable for all fees, interest and charges stated in each school account for the student to whom this offer has been issued.
3. Fees are payable prior to the first day of the term or semester to which they relate. Other charges are payable on demand and may be subject to alteration from time to time without notice. The Principal may refuse permission for the applicant to re-enter the School if any fees or charges for any preceding term remain outstanding.
4. The Principal and/or Registrar must receive one term's notice in writing prior to the withdrawal of a day student, or one term's tuition fees will be charged. Boarders, either leaving the School or moving out of boarding, require one semester's notice, or one semester's boarding fees will be charged.
5. The School reserves the right to discipline, suspend or expel the student at any time if his behaviour is considered by the Principal to be unacceptable.
6. Parents will make good any damage to school property or equipment caused by their son.
7. The School accepts no liability for personal property brought to school by their son.
8. Parents are responsible for ensuring the punctual attendance of their son at the beginning of each term and for his punctual return after any period of leave.
9. Parents must notify the School if their son is to be absent from school for any reason and indicate the period of time he will be absent.
10. The student must wear the appropriate school uniform in good and clean condition and in such a way as to show pride in being identified with the School.
11. All students are bound by rules and regulations as may from time to time be issued by the Principal for the conduct of the School. Parents agree to ensure that their son obeys these rules and regulations.
12. The student is required to participate fully in the School's sporting, physical education and outdoor education programs. This includes, but is not limited to, residential camps at the Koorinal campus, other compulsory camps and school expeditions. Exemptions are permitted only if the Principal has received relevant medical advice and/or a doctor's certificate.
13. The Parent(s) have read, and understood, the *Privacy Policy* available on the school website.
14. The *School Education Act (1999)* requires Parents to provide, "details of any condition of the enrollee that may call for special steps to be taken for the benefit or protection of the enrollee or other persons in the school" (16G). This includes specific details, reports and information on any medical issues; psychometric testing; cognitive; mobility; vision/hearing; behaviour management; speech and communication and any current court orders including restraining orders. Failure to disclose such information may jeopardise the applicant's enrolment at the School. Details of special funding or services, which the applicant may receive from an external agency, should be included.
15. It is the responsibility of the Parent(s) to read the school policies and advise and update the School of any changes in their son's health or development, as well as any changes to court or parenting orders, family circumstances and contact details.
