

Hygiene

- Boys will be required to sanitise hands when entering classrooms
- Staff will regularly reinforce thorough washing of hands
- Staff will regularly reinforce coughing and sneezing into an elbow or a tissue
- Boys will be encouraged to regularly wash their hands with soapy water (Preparatory School)
- Placement of signage around the campus regarding washing hands, social distancing and coughing into the elbow

Campus

- No parents on campus
- No parent parking on school campus (exception Pre-Kindergarten and Kindergarten)
- Cleaning twice daily in high contact areas with hospital grade disinfectant
- Handrails and door handles cleaned twice daily
- Toilets cleaned twice daily
- Campus signage regarding social distancing and good hygiene

Social distancing

- Designated spaces around the campus for Year groups

Classroom measures

- Teacher protection zone at the front of each classroom
- Hand sanitiser in every classroom
- Reconfiguration of desks — where possible 1.5 metres between students
- Cleaning classroom — regular cleaning of desks, light switches, surfaces
- Handrails throughout the School cleaned twice daily

Parents, please work with us to maintain a safe and healthy community

Taking your son's temperature daily

- Please take your son's temperature in the morning before school and at night
- Should your son have a high temperature, please keep him at home

Keep your son at home if:

- he is unwell, including a sore throat, cough, fever or headache
- you or a family member has been exposed to someone who has COVID-19
- you or a family member has been exposed to someone who has travelled out of WA in the last 14 days
