CAMPBELL HALLAM / TEAM MEMBERS

*"History will be kind to me for I intend to write it."  
Winston Churchill*

2019 was eventful for all, with many great triumphs in all of Christ Church's domains. It is our pleasure to document these varied achievements and celebrate what it means to be a part of the Christ Church community.

As the year progressed, both the School's achievements and our own personal abilities came to light. However, neither reports of various kinds nor our own editing skills would be possible without the incredible assistance of Ms Shipley. She was instrumental in all aspects of *Mitre*, as she has been every year, and we would like to sincerely thank her for her work and assorted baked goods. We also acknowledge other staff behind this publication for their continued efforts.

Additional thanks must go out to the boys themselves, for their talent, dedication and numerous wins in PSA competitions, drama performances, academic exploits and all-round achievement. It is our pleasure to be guided by Ms Shipley in reviewing and placing these in what is hopefully the finest *Mitre* yet.

MARGI SHIPLEY / EDITOR

*Mitre* would not be possible without the efforts of many members of staff. Each year, Ed Pietrucha is meticulous in ensuring that group photographs and names are accurate, Sue Jutronich casts her forensic eye over names and details in the School Records, and Mark Morrissy is unfailing in his support. Ben Lim and Ian Morin are gracious in providing me with photographs and I thank Ian for his cover design. Victoria Wisker took on the role of Preparatory School co-ordinator this year and I thank her for her efficient organisation.

On behalf of the Editorial Committee, I would like to thank all the boys and staff who submitted articles and hope that you enjoy this edition of the Christ Church journey, a rich memento of another successful year.

ALAN JONES / PRINCIPAL

## As I wrote for *Mitre* this year, I reflected on what was a phenomenally successful year for Christ Church Grammar School.

In December, we received news of the excellent academic results of our 2018 cohort. The results were due to the efforts of our hard-working students, inspirational teachers, and supportive parents and family members. The School is incredibly proud of every student's performance and as an academically inclusive school, we continue to value diversity and openly accept boys of all abilities knowing that this truly enriches the lives of all our students.

We started the new year with two new senior members of staff joining the team. Dr Steven Males joined as Head of Preparatory School and Mr Simon Angus as the Deputy Principal and Head of Senior School. Along with their families, they were warmly welcomed into the community and their wealth of experience and knowledge of educational practice has been positively reflected around the campus.

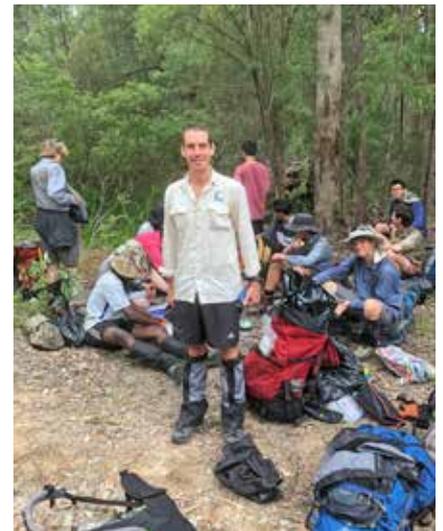

In February we held the official opening of the new Preparatory School, which included the blessing of the building by the Most Reverend Kay Goldsworthy AO, Archbishop of Perth. Then we got down to business, and throughout the year we have used the large, innovative learning spaces to do what we do best – motivate boys to achieve their very best. We also welcomed our youngest students with three and four-year-old boys entering our first ever Pre-Kindergarten and Kindergarten classes. It has been wonderful to witness the older Preparatory School students taking a keen interest in the younger boys, walking and talking with them, and creating the foundations of our inclusive and inviting culture. The opportunity to include an extra Year 3 class in 2019 has also been very positive for the cohort and the School as a whole.

During the year, our Senior School students introduced a project that truly demonstrated their concept of philanthropy. They decided to raise funds and gift a Christ Church education to a boy who would otherwise not be able to attend the School. The Students' Scholarship was a positive initiative – by the boys, for a boy – resulting in a new boy being offered a full-fee position.

The use of technology in education is constantly evolving and this year we changed devices from a single tablet to the Windows platform, delivering a two-in-one device. Windows technology provides the boys with the use of a high-end computer plus a notebook. The advantages of a notebook are significant as it has been scientifically proven that writing things down helps with retention of information. Another wonderful introduction this year was the Innovation Space in the Preparatory School, which brings boys together in teams with an inquiry-based approach to work. It has seen students connecting with local and international schools with the aim of exploring global issues within the curriculum framework.

Mid-year, the School underwent re-registration, a process all educational providers are required to go through on a regular basis. This rigorous review involved interviews with numerous members of our staff and community and a thorough review of documentation across all aspects of the School's business. Based on the current registration standards, there was a focus on governance and accountability by the School's governing body, child safety with reference to the Child Safe Framework, and our complaints and critical incident policies and procedures. We achieved an outstanding result with confirmation from the Department of Education that the School successfully achieved re-registration for the maximum term of five years.

Two years ago we introduced On Queenslea Drive (OQD), a dedicated rites of passage program for our Year 9 students. This year-long program discusses themes such as identity, relationships and purpose. Since the program's commencement, we have collected data and recent analysis confirms the experience has been extremely rewarding for all parties involved. It has been incredibly well received with comments from participants suggesting that it has been 'life-changing' and one of the unique reasons they believe people will select Christ Church as a school for their son.

# PRINCIPAL

Some time ago we started conversations with Methodist Ladies' College regarding a joint aquatic precinct that would span both campuses. At the beginning of 2019 work on this project began and the precinct is now nearing completion. The result of this remarkable shared vision is a world-class facility, featuring a 50-metre pool and a new 40 x 25-metre pool. Health and wellbeing are such a significant part of our educational programs and both schools will be able to use the facilities for their respective Physical Education lessons and Sports programs. We look forward to seeing our students use this facility as they learn new skills, hone their abilities and enjoy a range of community events and competitions.

Compulsory sport is a highly valued component of our program here at Christ Church. I would like to thank everyone within the community, be they parents who support, staff who coach and manage, or the boys themselves who participate with such enthusiasm, for their engagement and passion for the blue and gold. In 2019 the School performed incredibly well in sport and was awarded six championship cups for rowing, swimming, tennis, water polo, rugby and hockey, as well as PSA Chess, which

we have won for the past 10 years. This is an extraordinary achievement and we are now the School with the most PSA sporting premierships in a calendar year. It is also the third year in a row that we have achieved this title having won five premierships in 2017 and six in 2018. This is due to a number of factors, including talented coaches who are experts in their field and know how to bring out the best in the boys, excellent facilities and a well-considered training and game program.

The Arts always features prominently in our educational offering and this year Drama entertained us with four fabulous productions dedicated to the theme, 'What's in a name?'. We enjoyed a murder mystery, a parody, and a couple of musicals, all of which appealed to a wide range of audiences and showcased the amazing talent of students, directors, lighting and sound specialists, costume design and much more. Our musicians continued to impress with various performances throughout the year, including Soli '19 which celebrated the diverse talents of our Year 12 Music students. Every year our music events make it apparent how much time is spent practising and rehearsing by our vocal and instrumental performers who are masters of their craft.

Great things cannot be achieved without great people. We are so blessed to have the calibre of teaching and support staff that we do. They are dedicated and talented and come to school every day to assist the boys in achieving their best and making a positive difference. On behalf of the Council and Executive I wish to thank all our staff for their contributions throughout this very busy year.

I carry with me an immense sense of gratitude leading this great school and look forward to guiding the staff and boys in 2020, as we embark on another wonderful year at Christ Church.

# DEPUTY PRINCIPAL AND HEAD OF SENIOR SCHOOL

SIMON ANGUS / DEPUTY PRINCIPAL AND HEAD OF SENIOR SCHOOL

**The word ‘excellence’ has a specific meaning at Christ Church. It refers not to the victories of the elite, but to a celebration of each boy’s growth as they strive for their own excellence.**

My year began by welcoming almost 200 Year 7s as they began their Senior School journey of making new friends, challenging themselves academically, and developing their skills in a range of co-curricular activities. To see these boys conclude their first year with confidence and pride, is a clear mark of growth of their own, individual excellence.

Leadership at Christ Church is not about titles and badges but integrity and service. The journey through Senior School is marked with significant experiences of character growth. Outdoor Education, through Koorngal and the Year 8 Leeuwin Experience, culminates with Venture in Year 10. Walking alongside boys as they dug deep through their final days of this epic, two-week journey through the wilderness, I witnessed extraordinary feats of strength, resilience and teamwork. Many Year 10s returned from their hike to undertake intensive leadership training

through the Peer Support program, with those selected going on to guide and mentor the next Year 7s to join the Senior School. Our 2019 School and House Prefects demonstrated outstanding leadership as they supported their peers through their duties and led significant initiatives. Most significant was the development of The Students’ Scholarship, the introduction of a new scholarship to support a future student through a Christ Church education.

The 2019 Beatty Cup was perhaps the closest contest in Christ Church’s history, with Romsey House winning the competition over Queenslea by half a point. All boys were able to contribute to their respective House’s successes through competing in both the arts and sports.

Finally, I wish to acknowledge Mr Todd Harnwell who will leave his position as Head of Jupp House, after five years of exemplary commitment, to serve as Year Group Co-ordinator of Knutsford House. I thank Todd and wish him well as he and his family join our Residential Community.

# CAPTAIN OF SCHOOL

PATRICK MAHONEY / CAPTAIN OF SCHOOL

**I've spent 12 years gazing out of the Chapel, marvelling at the incredible view over Freshwater Bay, a place where boys have become men for many generations. Now it is my last time, a daunting experience to say the least, but also exciting to know that I, like all my fellow leavers, am about to begin a new chapter. There is a bittersweet finality in the Chapel today, something we've longed for and dreaded.**

Christ Church is more than a school – it is a community. It is where my Literature teacher comes down to support my rugby team as we play a season-defining match against old rivals Hale. It is the packed theatre on the opening night of *The Resistible Rise of Arturo Ui*. It is the 15 mums and dads trekking it down to Augusta to cook bacon and eggs for hungry rowers.

When the dust has settled, the people who make our School what it is are the staff.

Fellow Year 12s, I encourage you today to thank him or her for the incredible impact they've had on you.

Our time at this School has taught us to find our 'thing', our passion, to try the 100 things you don't like to find the one thing you do. A Christ Church boy follows his passion, so my advice to Year 7 to 11 boys is to chase this passion, take hold of every opportunity that this great School provides you with, and don't be afraid to fail as you do so.

I'd like to extend my thanks to Richie Paganin, one of my best mates since Year 4, and the rest of the Prefect body for their capable leadership. I couldn't think of a better bunch of boys to chew the fat with on a Friday morning.

To my fellow Year 12s, thank you for the memories, the trials and tribulations, the fantastic successes and humbling defeats. Together, we have forged a story. We have formed a brotherhood that will live with us for our entire lives. Some started in Pre-Primary, one started this year, but as we reflect on the end of our journey, the one thing I can take from this is that I wouldn't have wanted to do it with anyone else. We have left a legacy, and this is what makes me so proud to call myself part of the Class of 2019, and a Christ Church boy.

# ACADEMIC RESULTS

MAHENDRA VASWANI / DIRECTOR OF STUDIES

**A median ATAR of 92.50, six General Exhibitions, three perfect ATARs, two Subject Exhibitions, 23 Subject Certificates of Excellence, 21 Top Performing courses, 25 subjects with mean scaled scores higher than those of the State, 46 Certificates of Distinction and 41 Certificates of Merit; these are just some of the figures which characterise the exceptional academic performance of the 2019 Year 12 cohort. Add to these six PSA premierships and we easily have the ingredients for what may be considered the best overall performance of a Year 12 cohort the School has seen in over a decade!**

Congratulations must go to George Schulz, our Dux for 2019, for achieving an ATAR of 99.95 as well as a General Exhibition and a Certificate of Excellence in Chemistry; Benjamin Davison-Petch, our Academic Prefect for 2019, for attaining an ATAR of 99.95, a Subject Exhibition for Mathematics Specialist, and Certificates of Excellence in Chemistry, Mathematics Specialist and Physics; and Marcus Handley for receiving an ATAR of 99.95 as well as Certificates of Excellence in Mathematics Methods and Physics.

Ayomide Afolabi is also to be congratulated for achieving a Subject Exhibition and a Certificate of Excellence in Mathematics Applications. Special mention must go to Luke Martino who attained Certificates of Excellence in Media Production and Analysis, and Modern History.

Two boys from the Peter Moyes Centre (PMC) completed Year 12 in 2019 with a variety of qualifications. Julian Pizzino and Ben Strong spoke from the heart at the PMC Leavers' Dinner, demonstrating their appreciation for the teachers and mentors they had during their Christ Church journey. Three boys on Indigenous Scholarships also completed their time at Christ Church in 2019 – Dontay Bolton, Isaiah Butters and Liam Henry are all looking at bright futures, as many staff at Christ Church would agree.

Year 12 Study Skills in 2019 took on a different form, with an external provider working with the boys on key aspects of examination technique and preparation. The feedback indicated that this was extremely useful and added value to the fantastic work Christ Church teachers had already done to prepare the boys in all subjects.

In 2019, Christ Church Grammar School had 178 students who achieved an ATAR and 21 who followed a non-ATAR pathway.

- 21 students (12% of ATAR candidates) obtained an ATAR greater than or equal to 99
- 41 students (23% of ATAR candidates) obtained an ATAR greater than or equal to 98
- 75 students (42% of ATAR candidates) obtained an ATAR greater than or equal to 95
- 110 students (62% of ATAR candidates) obtained an ATAR greater than or equal to 90
- Median ATAR for the year group: 92.50 (State Median 81.00)
- 152 students (85% of ATAR candidates) obtained an ATAR that would give them entry to UWA (greater than or equal to 80).
- 30 students completed either a Certificate III or IV course in Fitness.
- Christ Church was placed in the group of top performing schools in 21 courses (courses with fewer than 10 students are not included): Accounting and Finance, Ancient History, Chemistry, Computer Science, Design, Drama, Economics, English, Geography, Human Biology, Literature, Mathematics Applications, Mathematics Methods, Mathematics Specialist, Media Production and Analysis, Modern History, Philosophy and Ethics, Physical Education Studies, Physics, Politics and Law, and Psychology.

## WACE ACHIEVEMENT

98.48% of students achieved their WACE by achieving the required average of seven C grades or unit equivalence over Years 11 and 12, along with literacy and numeracy proficiency (OLNA) and an ATAR or Certificate II or higher.

## GENERAL EXHIBITIONS (6 STUDENTS)

George Schulz, Robert Lee, William Thomas, Edward Elias, Luke Martino and David Lind.

## SUBJECT EXHIBITION (2 STUDENTS)

Ayomide Afolabi (Mathematics Applications) and Benjamin Davison-Petch (Mathematics Specialist).

## NIGEL ASHING

JOHN PRICE / DIRECTOR OF FINANCE

Nigel commenced work as the School's Business Manager in January 2013, having previously been the Accountant at St Stephen's School in Duncaiga.

Reporting to the Director of Finance, Nigel was responsible for the overall management of debtors, payroll, student tours, the Canteen and Uniform Shop. The role is a broad and diverse one, which touches many of our community, and Nigel always made himself available to assist with enquiries.

Nigel was a quiet and unassuming presence in the Finance Department and he leaves with the best wishes of all who have worked with him. He is now working on his golf game and can focus on his beloved Liverpool Football Club, who for the first time in three decades is a real chance to take home the Premier League trophy!

## GEOFFREY MCGILLIVRAY

ALEC BARBOUR / HEAD OF DESIGN AND TECHNOLOGY

In 1996, Geoff was appointed on a year's contract as a teacher of Design and Technology, with some sailing coaching thrown in. He loved it, but as he was replacing a teacher on leave, there was no opportunity to stay. Geoff then returned to the State education system until 2000, when he joined the School. After just a year he was given the role of Head of Design and Technology and in 2005, along with Head of Art Pam Yordanoff, they began the process of developing the Visual Arts, Design and Technology Building alongside architects and engineers.

In 2013, Geoff assumed the role of Director of Sailing in addition to his Head of Department position, managing Christ Church's teams racing and winning the national championships in Sydney that year. He then subsequently relinquished the role of Head of Design and Technology at the end of 2015, after 15 years, and continued in the role of Director of Sailing.

A career highlight for Geoff was his three-year presidency of the Design and Technology Teachers Association, but the School will remember him as a teacher who demanded excellence from the boys, who modelled integrity, humility and resiliency in the classroom and took great pride in the accomplishments of his students.

It is fitting that he leaves us to follow his passion of sailing, this time around the world; sailing was in his blood before Christ Church and will continue to be post Christ Church.

## TERESA SCOTT

SIMON HUNN / DIRECTOR OF THE CENTRE OF ETHICS

Teresa, who for so long and so effectively worked in the Centre for Ethics, sadly lost her ongoing fight with cancer and passed away in September.

It was under Teresa's long tenure, alongside Father Frank Sheehan, that the Centre for Ethics could organise lectures, talks and presentations by an enormously varied but vibrant cohort of speakers, who appealed both to the boys and the wider school community. In this light, one thinks of David Malouf, Tim Winton, Bruce Dawe, Jon Doust, John Howard, Tim Fischer, Ayaan Hirsi Ali, Dave Warner and this impressive list goes on. In all this, Teresa's friendliness, organisational skills and attention to detail were second to none.

Teresa was a magnificent example and inspiration to the school community. Her courage, positivity, kindness and constant altruism were obvious to all who knew her and were aware of her tenacious fight against one of the most insidious forms of cancer. Her spirit, bravery and determination touched us all and she will not be forgotten. In the words of William Shakespeare, Teresa: "Quiet consummation have; And renowned be thy grave!"

Our thoughts go out to Teresa's family – Walter, Alex and Brony – and to all those who knew and loved this quietly, magnificent woman.

TOURS

# BASKETBALL

TOBEY MARTIN / PARTICIPANT

**In December 2018, a group of 16 boys along with Mr Daniel Cadby and coach Mr Brad Armstrong, embarked on a 25-hour journey to the USA, where they would embrace and explore America's street and basketball culture. Although there were many experiences and memories that will last a lifetime, a few stood out.**

The major experience was all the games we played and watched. From high school and college, to the NBA, they were always loud and energetic. The games were played at a faster pace and were much more physical, but after a while everyone started to understand, enjoy and evolve into America's style of play.

Another unforgettable experience was the exploration of the cities. From visiting the 9/11 Memorial and shopping in Times Square in NYC, Washington DC's Georgetown University and the National Mall, these places were like no other and were on everyone's to-do list. Everyone also enjoyed the interaction on the streets, from meeting street rappers to talking to buskers.

On behalf of the boys on the tour, we just wanted to thank Mr Cadby and coach Brad for all their hard work in preparing for this trip.

# CHINA

XIAOYANG ZHANG / TEACHER IN CHARGE

**When 21 Christ Church Grammar School boys and their three teachers arrived at Perth Airport one Monday in April, little did the boys know that they were about to embark on the cultural trip of a lifetime.**

Following a flight to Xi'an, the boys were eager to explore the history of ancient China. What better place to start than in Xi'an – the capital of 10 of China's ancient dynasties.

Highlights in Xi'an included tasting local street food, watching an awe-inspiring show of Chinese opera, walking on the city wall and visiting the Giant Wild Goose Pagoda. However, the most enriching experience was the opportunity to walk through the pits of the Terracotta Warriors.

After Xi'an, the group took day trips to see various sights such as the world-famous Shaolin Kung Fu and the Longmen Grottoes in Luoyang.

In the ancient city of Pingyao, the group stayed in a traditional hotel. They were given plenty of time to explore the different markets and were greeted by welcoming and enthusiastic locals. Day trips from Pingyao included a visit to the Zhangbi Ancient Castle and underground tunnels, and the Wang Family Courtyard.

Once in Beijing, the boys explored some of the local areas and visited a local school. While the Chinese students were more than a little bemused by some of the Australian slang, it proved to be a great experience in allowing the boys to practise their Chinese. The group then moved on to a primary school, where they received an insane reception from around 500 excited kids. Heading to Tiananmen Square and the Forbidden City, the boys were a little unnerved at the heavy surveillance around the area,

however, the view over the Forbidden City was truly incredible. After experiencing inner-city Beijing, the group left for Gubei Water Town, where every boy climbed the Great Wall and became a 'true man'.

The trip was an incredible experience for all the boys, both from a cultural and learning perspective.

# NIDA DRAMA TOUR

JOSHUA COALES / CAPTAIN OF DRAMA  
ISAAC HAMILTON / VICE-CAPTAIN OF DRAMA  
KALIKA DUCK / DRAMA TEACHER / TOUR LEADER

**In April, 10 Year 11 and 12 boys from Christ Church gathered at Perth Airport with students from Perth Modern School and Presbyterian Ladies' College eagerly anticipating the NIDA Drama Tour.**

The National Institute of Dramatic Arts (NIDA) in Sydney is one of the best theatre schools in the world and all were excited for the week of workshops and theatre productions which lay ahead.

The first two days were spent exploring Sydney's key tourist attractions including a ferry ride to Luna Park, a walk from the Rocks to Circular Quay, and a day at Taronga Zoo. These adventures ended with an exceptional performance of Lucy Kirkwood's *Mosquitoes* at the Sydney Opera House, the first of four extraordinary plays seen during the week.

On the Tuesday morning, the NIDA workshops began with the students working with two industry professionals on a range of theatrical styles and approaches, including that of Anne Bogart, *Complicité* and Rudolf Laban. In the rehearsal rooms, all fear was let go as the young actors pushed themselves emotionally and physically to create original and exciting theatre.

The theory and practice over the four days was both immediately rewarding and enormously helpful in developing understanding and skill for the subject of Drama. The intensive devising and rehearsal led to two performances on the Friday afternoon, pairing the performers' work with scenography, lighting and sound in an exciting final showing.

The NIDA Drama Tour was an amazing and valuable experience, growing every participant's passion and ability. We thank Miss Duck for taking us and providing advice and support throughout.

# ISCA

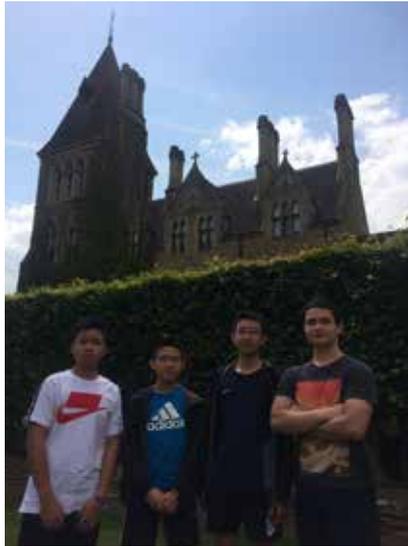

WYNN KUAN / TOUR PARTICIPANT

**During the April holidays, a group of Year 9 and 10 boys travelled to the UK on a tour organised by the Independent Schools Cultural Alliance (ISCA).**

ISCA aims to bond students from around the world by experiencing the culture and history of the UK in a fun and interactive way. This was the first time an Australian school had undertaken the trip.

We landed in London after 20 hours of movies and sleep. As the first school to arrive at Charterhouse in Surrey, most of us were keen to get some rest. We stayed in the school's boarding facilities, along with students from North and South America. We visited places like Arundel Castle, Warner Bros Studio, Bath, Stonehenge, the London Eye and the Globe Theatre. We saw how they made the Harry Potter movies and got to try butter beer, which was just salted caramel.

Besides visiting these amazing places, we also had on-campus days participating in all sorts of activities including sports, drama and workshops. We had some staff versus student sports, which were very intense but also very one-sided. We even had two disco nights but 90 per cent of the songs played were in Spanish! Overall, it was a very interesting experience and we would like to thank Mr Arvi Pocock for accompanying us on the trip.

# NASA

JAMIE KAFETZIS / YEAR 8  
MEGAN WEST / TOUR LEADER

**In the July holidays, 14 Christ Church boys met at the airport early one morning to start their epic journey to the National Aeronautics and Space Administration (NASA) in the United States. Our first stop was Florida, where we had an opportunity to visit the Kennedy Space Centre at Cape Canaveral.**

We were lucky enough to be enrolled in three days of astronaut training. Here we spent time on Mars, working through simulations of what life would be like on this planet. We learnt how to grow food, deal with storms and navigate our way through disasters on

the base. We spent a day running through a variety of activities astronauts experience in their training, had a tour of the base and saw the launch pad for Apollo 11. We also visited the American Police Hall of Fame and Museum, practised taking our fingerprints, spoke to a CSI agent and met a local police dog.

After a great week of everything space, we headed across to Houston, Texas, and spent time learning about life on the Moon. It was the 50th anniversary of the lunar landing, so there was an even greater buzz around Houston. We spent a couple of days at the Johnson Space Centre, where we saw replica

space shuttles and rockets, looked at what life would be like on the Moon and heard from astronauts. While we were there, we participated in daily workshops based on the book *The 7 Highly Effective Habits of Teens* and heard from its author Sean Covey, who inspired us to make better choices. We also participated in some laboratory work at The Health Museum where we got to extract DNA, test blood samples and dissect a fish.

After an exciting two weeks, in which we focused on team building, communication, responsibility and leadership, we were ready to head home and see our parents.

# ROBOCUP

ANGUS FINCH / TOUR PARTICIPANT

**Every year, a team of approximately six students and two teachers from the Christ Church Robotics Club set off to the international RoboCup competition, which this year took place in Sydney in July.**

RoboCup is the largest international robotics competition, with multiple leagues focused on the development of robots for rescue, manual labour, domestic assistance and other applications.

The Rapidly Manufactured Robotics Challenge (RMRC), part of the RoboCupRescue Robot competition, focuses on the development of small-scale, inexpensive robots for mass-production and deployment during disaster situations. In theory, first responders could quickly deploy this technology to effectively save lives, while ensuring their own safety.

In this year's competition we faced off against eight other teams comprising of high school students and undergraduates, taking the robot through simulated rescue terrains and completing tasks ranging from traversing gravel and sand, to measuring carbon dioxide and temperature.

Every year presents new challenges as students are constantly pushing the limits of both software and hardware. This year's focus was on developing better object manipulation, automatic symbol detection and updated remote-control software technologies.

Our team finished tied in third, an impressive result that took many sleepless nights during the competition. Some challenges we faced included broken wheels, many failed 3D prints, code breaking and servos overloading.

After the finals, we presented at a symposium attended by many influential names in robotics, as part of the effort to expand the competition's reach.

Our sights now turn to RoboCup 2020 in Bordeaux, France, where the team is looking to redesign the entire robot as well as the whole codebase. We would like to thank Mr Louden, Mr Nolan and old boy Felix King (2017) for their invaluable guidance and assistance over this journey.

# ROWING

WILLIAM HART / TOUR PARTICIPANT

**After a dominant season in the PSA, the First and Second VIII headed to Sydney to compete on the national stage. With the boats driven across the Nullarbor – a four-day journey, we were ready to hit the water.**

Our first heat was promising, with the Seconds placing fourth, and the Firsts ending the unbeaten season of Queensland's St Joseph's Nudgee College, one of the strongest schoolboy crews in Australia.

The next heat looked to be far tougher. The Seconds had drawn a difficult race against extremely strong crews. Being a very light crew, and rowing with Jake 'Crab Buffet' Palandri (Year 12) in five seat, they were substantially disadvantaged by a howling headwind. A subpar row resulted in the Seconds missing out on making the A finals.

The wind continued to pick up, and the Firsts found themselves facing a gale-force headwind. Despite being significantly lighter than any others in their heat, the Firsts slogged their way through the head breeze to achieve second place by a narrow margin.

With the Seconds making the B finals, and the Firsts being the only Western Australian team to make the A Finals on the east coast since 1972, tension was high. The Seconds came fifth in the B final, making them the 13th fastest schoolboy crew in Australia. Pulling a time that a First VIII would be proud of, they ended the season as the fastest Second VIII in the country.

The Firsts were slightly off their game, a false start showing the nerves. Despite not rowing their best race against crews many kilos heavier and with many more hours of training, plus a headwind, the Christ Church First VIII still put on a good showing, placing fifth overall and concluding a powerful season.

# SERVICE IN ACTION

## CAMBODIA

CLANCY ADAMSON AND BENJAMIN DE SOUSA  
/ TOUR PARTICIPANTS

In December 2018, a group of Christ Church and St Mary's students and staff headed off to Cambodia to immerse ourselves in the country's culture, cuisine and people.

Although the trip allowed us to help teach the children at a school called Toul Ampil, run by the Cambodian Children's Fund (CCF), most of us felt that by the end of the trip we had learnt more from the children than they had from us.

Each day we were warmly welcomed by hundreds of smiling children. The students would show an incredible amount of appreciation after each day of teaching, which all of us found both a foreign, yet heart-warming experience. Days when we were not at

school, we would travel to the city's outskirts to learn and engage with the country's dark and eye-opening past.

Furthermore, we had many cultural experiences which helped the group to reflect and bond, such as a visit to the Buddhist temple and the Royal Palace.

A few highlights from the trip were performing traditional Cambodian dances for the CCF community, bike riding around some of the islands, teaching and playing with the children and seeing some of the other participants attempt to eat tarantulas for dinner.

Scott Neeson's CCF is a truly remarkable organisation in its ongoing commitment to the children, which Christ Church has been involved for many years. We highly encourage Year 11s undertake this Service in Action trip as it is a once in a lifetime opportunity.

## GARNDUWA

CONNOR BROGAN AND THOMAS DEMPSTER  
/ TOUR PARTICIPANTS

This trip included learning experiences, lots of laughs and beautiful scenery that I'm sure we will never forget. It was great to be accepted and immersed in their culture, and I'm sure that we learnt more from the boys than they did from us.

## NULLAGINE

MAX BRIFFA AND KARTIKEYA KAUSHAL  
/ TOUR PARTICIPANT

The Indigenous kids are incredible at art and we learnt it was a tradition passed down through their mothers. Quite quickly, we started to see a complex story come through on the canvas as they worked on it. In the afternoon, we went to view some ancient rock art, which had prevailed for over 20 000 years: a piece of an ancient culture that the locals were happy to share with us. It was impressive to think that these were stories passed on by people who lived thousands of years before us. However, it was a sobering thought when we realised that this art form has been lost. We understood just how important it is to preserve the culture in front of us.

KYE LOCKWOOD / TOUR PARTICIPANT

The strong importance of Indigenous culture resonated in us during our interactions with the locals, as the boys entertained us with a series of Dreamtime stories whilst kicking the footy on the bindi-infested oval. Through their imaginative stories and passionate footy games, our relationships grew, and we were able to learn about the contrast between their lives and ours.

## LOOMA

JASON LU AND ROHAN WARING /  
TOUR PARTICIPANTS

Looma is a remote Indigenous community, built at the base of a large hill, the subject of Dreamtime stories and located about four hours from Broome. Upon arrival, our group of 12 were immediately struck by the sparseness and isolation of the town. With a population of around 300 people, the area contains only a school, general store, police station, nursing post and houses.

Throughout the week, we worked as teacher aids in the classrooms across various year levels. This involved helping students with their classwork or joining in class discussions. The teaching style involved students and teachers chanting questions and answers back and forth, demanding constant attention from the students and encouraging them to memorise sums and the spelling of words.

The kids flourished on the footy field. Footy consumed them. They played before school, recess, lunch and after school and were far better than any of us. They all played barefoot, and when given the opportunity to use footy boots, declined. The only

advantage we had on them was our height, with all of them easily outrunning and 'out-skilling' us. Everyone ensured the ball was shared around, with 16-year-old boys passing to the tiny kindy girls.

This tendency to share is indicative of a tight-knit and inclusive culture within the community. Everyone is treated as family, even us as outsiders, making for a warm and welcoming environment.

## SERVICE IN ACTION

### KUNUNURRA

CHRISTIAN JOHN / TOUR PARTICIPANT

At the end of Term 3, five Christ Church boys and eight St Mary's girls embarked on a cultural immersion and service trip to Kununurra. The trip consisted of assisting with regular classroom activities, such as helping students with basic verbal and literacy skills, as well as aiding co-curricularly by playing football and basketball with the students.

The trip was also a wonderful opportunity for us to see some of the breathtaking scenery around Kununurra, and to learn about the culture and history of the Indigenous residents through tours of the local art centre, involvement with the Clontarf Academy and conversations with leaders of the community.

### MARBLE BAR

HARRY DOWLING / TOUR PARTICIPANT

During our five days in Marble Bar, we worked in classrooms which was a very new experience. I think going into the trip, we didn't believe that we would literally be used as human climbing frames, but this of course is what happened. Each day, our two groups of four went into either the very energetic and action-packed Pre-Primary to Year 3 class, or the cheeky Year 4 to 6 group. Highlights included mural painting and gardening, basketball games before, during and after school, the in-class activities, the high energy and game-packed recreation centre visits and of course, the connections built with the students. I think it's very safe to say that we all certainly learnt more than we taught, and got a lot more out than we could ever have put in. This is the strength of a Service In Action trip.

## YAKANARRA

LARRY SHI | TOUR PARTICIPANT

Visiting Yakanarra and being able to share our five days with the Indigenous children was truly a once in a lifetime experience. We had the privilege of not only spending time with a remote Indigenous community, but also of learning about their culture.

Given that Yakanarra is such a tiny community, the families are very tight knit. Whenever there was an activity, such as the Yakanarra Dockers' training session, many children and adults joined in to watch and support them. When one person brought a bottle of juice, everyone got a sip from it. It seemed to us that everyone in the community belonged to one family. The Indigenous children had a strong sense of kindness and friendship. Only five minutes after we settled in our house, Ashleah, a seven-year-old girl knocked on the door to greet us. This welcoming nature to strangers is representative of this Indigenous community.

I was amazed by how quickly I became immersed in the community. After just one afternoon at Yakanarra, I felt like I was a friend of all the Indigenous children. It was also effortless to start a conversation with them; it felt natural, almost like we had known each other for a long time.

The Service in Action trip to Yakanarra was an unforgettable and privileged experience.

# SKI

## **JOSHUA GREEN / TOUR PARTICIPANT**

In the July holidays, 16 boys along with Mr Downing and Mr Ristovsky, embarked on the Ski Trip to New Zealand's South Island.

The news that there was 15cm of fresh snow made the boys all the more eager to get going. Luckily, nobody forgot their passports and with the minor setback of Zuojun Tu (Year 11) forgetting what his bag looked like and thinking it was lost, we managed to make it to Wanaka, about 45 minutes away from the mountain.

## **EDWARD STODDART / TOUR PARTICIPANT**

My ski journey started with a trend that continued for the duration of the trip – one of pain and injury.

Upon arrival at Queenstown Airport, we were met with a stunning mountain view, a reoccurring theme throughout this trip. In a caffeine-induced trance, we stumbled onto the bus that would take us to our hotel.

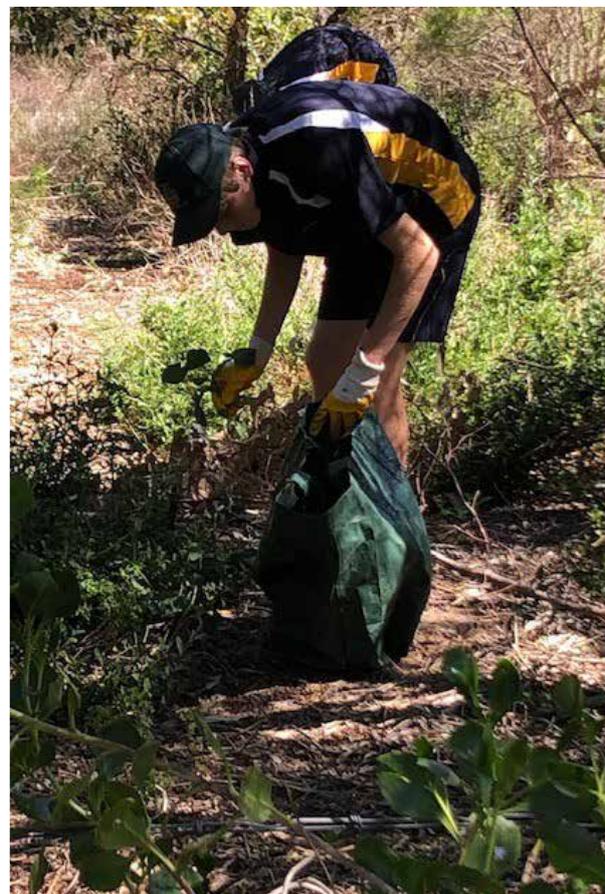

Feeling refreshed and ready, we went confidently to our first skiing lesson. My confidence was slightly dashed after the third or fourth fall of the morning. However, in a stunning display of athleticism and skill, I conquered the magic carpet, knocking over a five-year-old as I did so. I then decided to ski down one of the larger slopes (I use the word 'ski' very liberally), where I tripped and face-planted down the mountain and awoke a fair bit sorer the next morning.

## **HARRY COONEY / TOUR PARTICIPANT**

Highlights of the trip included spending a rest day in Queenstown where we went jet boating, luge riding and stuffed ourselves at the buffet overlooking Lake Wakatipu. We also visited Wanaka after a day of skiing.

We would really like to thank Mr Ristovsky and Mr Downing for looking after us on the trip and doing all the work behind the scenes because without them, this trip wouldn't have been possible.

# CADETS: ARMY

CUO MATTHEW DARLEY / ADJUTANT

**The Christ Church Grammar School Army Cadet Unit (CCGSACU) hit the ground running this year at Leeuwin Barracks, where six Year 12 cadets gave up part of their January holidays to undertake the Cadet Under Officer (CUO) and Cadet Warrant Officer (CDTWO2) courses with excellent performances.**

The appointments were then allocated, with Platoon Commanders being CUO Jonathan Chew for 1 Platoon, CUO Edward Elias for 2 Platoon and CUO William Thomas for 3 Platoon. CDTWO2 Nicholas Patrikeos and CUO Matthew Darley were posted to Company Headquarters as Company Sergeant Major (CSM) and Adjutant respectively.

Basic training commenced at the Recruit Induction Course at Northam Army Camp with the new Year 10s. CCGS was joined by the St Hilda's Anglican School Cadet Unit (SHASCU) and the Guildford Grammar School Cadet Unit (GGSCU). Cadets learnt fundamental skills such as radio communications, drill and field signals. These were then applied in a night activity, in which cadets had to complete a mission without enemy detection in a challenging but enjoyable scenario.

Term 2 and the holidays preceding it saw significant community involvement with the unit supporting Anzac Day. Activities included the 8km Gallipoli Run at Kings Park, a service at Dalkeith Primary School, the dawn service at the Claremont War Memorial and the annual Anzac Day Parade in the heart of Perth.

During Friday training, cadets built upon their basic skills to perform more complex tasks, breaking into the world of navigation, first aid and advanced observation. Despite torrential conditions for the Term 2 field exercise, the boys persevered and made the most of the experience. The cadets underwent formal training followed by a round-robin of activities, including casualty evacuation and observation posts, culminating in a night activity at Fisherman's Village in the Bindoon Training Area, where their new skills were put to the test.

During the Term 2 holidays, nine Year 11 and 12 cadets underwent the Brigade Senior Leaders Course (SLC) as participants and instructors. This course qualified six Year 11 cadets for promotion to the rank of Sergeant (SGT), advancing their skills and cadet careers. CUO Edward Elias received his appointment to Regional Cadet Under Officer (RCUO) on the SLC March Out Parade.

The Term 3 field exercise at Bindoon was the most challenging camp. Joined by SHASCU and GGSCU, sections accomplished a 12km-navigation exercise with full packs and webbing, and with observation and first aid exercises along their routes as further challenges. This camp was topped off with a movie night, followed by moving back to Irwin Barracks for weapons training and first aid training for Year 10s and seniors respectively.

In the first week of the Term 3 holidays, the unit embarked on the Annual Field Exercise (AFX) attended by units across the State.

The Year 10s were divided between a variety of courses on Tier 2, including patrolling, reconnaissance, survival and engineering. The Year 11 cadets went on Tier 3, the most demanding course in which they conducted advanced scenario-based training with a contingent of Army Cadets from the UK. Highlights included patrolling, close target reconnaissance, area searching, cordon and search of a village, as well as vehicle checkpoints. The Year 12s supported AFX in leadership positions, such as commanders on Tier 3 or instructors on the Junior Leaders Course. Additionally, all cadets participated in a live fire of the EF88 Austeyr rifle and abseiling. The boys should be proud of their significant dedication over the year and their excellent conduct on AFX.

Cadets concluded at the beginning of Term 4, with the annual Principal's Parade to congratulate individual and collective achievement as well as a ceremonial conclusion to the training year. The day ended with the Regimental Dining-In Night to farewell the Year 12s.

Congratulations to all cadets for an exceptional year of training. My commendation goes to the outgoing Year 12s for their unflinching commitment and conduct over three years. Effectively balancing cadets with academic and sporting pursuits is a credit to all.

Special thanks also go to MAJ Nurse, CAPT Scott, WO1 O'Sullivan, LT Gibson, LT Barbour and 2LT Pocock for their dedication and mentoring over the year.

## ALZHEIMER'S WA, MARY CHESTER HOUSE

RYAN CHOI / YEAR 10

Mary Chester House is a day centre that cares for people with Alzheimer's disease. Each Friday we were warmly welcomed by staff who were passionate about what they did. Community service in aged care gave us the opportunity to create bonds and we were able to share personal connections with the elderly. Working with a generation of our wisest, most experienced and nurturing of people was a privilege and an unforgettable experience. Whether it was doing the dishes, watering the garden or having a chat with one of the members, just knowing that our contribution made even a small difference made the experience much more worthwhile and enjoyable. Participating in ENCOMM and working in aged care at Mary Chester House was a truly wonderful experience.

## REGIS NEDLANDS

JAMES MARSHALL / YEAR 10

Every Friday afternoon, a small group of boys visited the residents at Regis Nedlands. Through playing a variety of games, performing musical items and having conversations, there were many opportunities to interact and socialise with the residents. Listening to their memoirs and advice was a valuable aspect of the visits; we were able to broaden our perspectives and form strong relationships with them. We really enjoyed seeing the smiles on their faces and the gratitude they showed during visits. Both the students and residents greatly benefited from the program and it was a great way to end the school week.

## FOOD RESCUE

HARRY TRELEAVEN / YEAR 10

Every Wednesday afternoon for about an hour, Christ Church boys walked up to Sandover Dining Hall to pack food boxes for the homeless in Perth. We sorted through boxes of fruit and vegetables and filled boxes with a variety of both, so no-one just got a box full of bananas! This Wednesday afternoon activity was really satisfying because we knew our hard work went to a very good cause.

# CADETS: ST JOHN AMBULANCE

GUY BARRINGTON / ST JOHN AMBULANCE OFFICER

**2019 was the third year in which Christ Church partnered with St John Ambulance to offer a cadet program for Year 11s as a Friday afternoon activity, with 11 boys successfully completing the program this year.**

The course covers an introduction to emergency care in the prehospital setting, including training in the use of ambulance equipment, major incident and mass casualty response, and the management of medical conditions, including heart attacks and strokes.

The boys were trained in IMPACT CPR, St John's own high-performance methodology for running the resuscitation of patients. IMPACT is not only inspired by leading clinical research, but areas as diverse as aircraft cockpits and Formula One pit crews. Since its implementation, WA has become one of the safest places in the world to have a cardiac arrest. It's a slick operation to watch, and the boys performed it well.

Congratulations to the following boys on obtaining the rank of Cadet First Aider: Matthew Alvaro, Hugh Chapman, Daniel Jones, Kartikeya Kaushal, Morgan Klug, Shane Macdonald, Mark Morris, Lachlan Murphy, Kobi Pecotich, Aydin Salleh and Ryan Tan.

The boys put their skills to use by doing some joint training with the Year 11 Surf Life Saving Cadets and by volunteering at events around Perth, including the school holidays.

# CADETS: SURF LIFE SAVING

JACK MICHAEL (YEAR 12) AND JES BROMLEY (YEAR 11) / LEADERS

**Each Friday afternoon, Christ Church works with the North Cottesloe Surf Life Saving Club (NCSLSC) as part of the Year 10 Surf Life Saving Cadets program. This year, a huge cohort of 59 cadets enrolled in the unit. Forty-nine boys achieved their Bronze Medallion after demonstrating skills including unconscious and conscious board and tube rescues, resuscitation, plus first aid and beach management.**

The program still had its challenges, with cadets learning that surf lifesaving is not just sun and boardshorts. They faced fierce weather conditions during the winter terms, yet they adapted to the rough swell, strong icy winds and blinding rain, learning the essential beach skills to be proficient in all conditions.

The cadets had a fantastic group of leaders. Elliot Rockett was superb as the first Year 12 to take on the role of Instructor; Year 11 student Jes Bromley toured Canberra as the WA Royal Surf Life Saving Cadet of the Year – Community Winner; and Jack Michael (Year 12) was the first Patrol Vice-Captain (Cottesloe Surf Life Saving Club) in the program and also represented Christ Church at the Surf Life Saving WA Rise Up leadership camp. In addition, Year 12 Nicholas Shellabear completed over 56 hours of voluntary patrol.

The Year 11 leadership team, tasked with water safety and support of tuition, also gained their Advanced Resuscitation Training Certification. The program would not be as successful without the level of engagement of the Christ Church and NCSLSC staff.

The boys were appreciative of the assessors who volunteered their time for the Bronze Medallion exam, showing their gratitude by writing personalised cards and gifts, as well as the team of instructors led by old boy Julian Ming. Special thanks must go to Ms Gould, Mrs Fricke and Reverend Russell, who have always shown dedication and passion for the program at Christ Church.

# CAMP HERO

ROHAN WARING / YEAR 11 PARTICIPANT

**The zero2hero Camp Hero program educates, equips and empowers young people to promote good mental health in their communities.**

As we departed the School on 12 April, there was an air of uncertainty and anticipation regarding the first ever Camp Hero associated with CCGS.

On the bus down to Koorungal, we were told to sit next to someone we didn't know, thus forming new friendships very quickly. Upon arrival we were introduced to the zero2hero team and e-colours, a personality attribution system which would play a significant role in challenging us throughout the weekend.

That afternoon we experienced the Koorungal climbing wall, setting ourselves personal challenges to gain perspective on our positive characteristics. Later that night we had the honour of hearing Anita Miller share her story about suicide, stressing the importance of looking out for your mates.

The next day we were trained in safeTALK, a suicide prevention program that equipped us with the skills to look out for people around us and have the confidence to talk about suicide to others. Later, a bush survival challenge really pushed us. Saturday night resonated with many of us as we learnt to truly be ourselves through a variety of exercises including being asked to discuss our insecurities and how to combat them.

The final day consisted of studying further self-care techniques, as well as planning how we can have an impact on our school community in areas such as toxic masculinity, pressure, drugs and alcohol.

We would like to thank the Koorungal staff as well as Mr Richard Spence, Mr Tim Chaney and the incredible Mr Todd Harnwell for making this opportunity possible. Finally, we would like to thank zero2hero CEO Ashlee Harrison for creating a thought-provoking program, facilitating our own self-development and equipping us with skills and goals for the future.

# CHESS

## PSA CHAMPIONS

ERIC PAN / CAPTAIN OF CHESS

Chess started in Term 1 with the House Arts competition. Won by Jupp, it kicked off the lengthy selection process for the Four Schools Tournament and PSA competition. We knew this year would be tough as we would be playing for our 10th PSA championship win in a row.

In Term 2, we had the CCGS Junior and Open competitions. The Junior division was won by Jeremiah Wang and the Open by Eric Pan, both with a perfect score of five out five. The competition was very close with only half a point separating second and sixth place. This narrowed the selection to 10 people who were then coached by Mr Jay Lakner in preparation for the Four Schools competition later that term. In this, they would compete for a position on the PSA team.

We then finalised the nine-man squad into two teams. Our A team consisted of Eric Pan on Board 1, Rahal Wijesuriya on Board 2, Julian Kam on Board 3 and Declan Barrett on Board 4. The B team saw Adam Robbins on Board 1, Emil Ong on Board 2, Joshua Shipton on Board 3 and Jeremiah Wang on Board 4, with Anthony Friars as reserve. We fought hard, winning all six rounds, crowning us champion school for the seventh year in a row.

An addition to the competitive chess scene in 2019 was the Open Chess competition held at Perth Modern. We competed with Trinity, Shenton, Perth Modern and Nedlands Primary. Our team placed second overall, unable to defeat Perth Modern's A team. This was key training for the upcoming PSA tournament.

The climax of the competitive chess season was held at Scotch College this year. The team, of Eric Pan, Joshua Fry, Rahal Wijesuriya, Emil Ong, Julian Kam and Declan Barrett, had been training hard for weeks with our coach Mr Ned Robles, knowing that Trinity would be our most dangerous opponent. In a very tough battle, we won four out of five games, a very strong result.

We then proceeded to win 27 games out of the total of 30, resulting in another PSA championship.

To win consecutively for 10 years is an amazing feat and is mainly due to our past and present chess co-ordinators. We thank them all.

# ENIGMA

MAX GODFREY / YEAR 10

**The Christ Church Enigma program, taking place most Thursday afternoons, sees high ability boys from Years 7 to 9 pursuing their interests in various subjects as former participants, in Years 10 to 12, act as their mentors.**

The first eight weeks of the program comprised two, four-week rotations, in which boys elected to complete a series of lessons covering either cryptography, team management, micro:bit coding or the writing of an alternate future. After completing these rotations, the boys then moved into student-led groups to work on projects of their choosing, most of which centred around providing a solution to contemporary issues.

Projects included a sun shading umbrella, aimed at minimising exposure to harmful UV rays, a reinvention of chess and the production of a film aimed at raising awareness of mental health issues. Remaining groups competed in the Synergy Schools Solar Challenge, while others explored interfacing with Arduino electronic boards.

"I had lots of fun in the Enigma program. It was a very rewarding experience and I learnt a great deal from the Year 8s in my group."  
*Alex Molyneux (Year 7)*

"I made many new friends along the way."  
*Riki Rhee (Year 7)*

# DEBATING

PATRICK MAHONEY / CAPTAIN OF DEBATING

**Following the successes of 2018, the Christ Church Debating fraternity was inundated with interest this year. This set the foundation for what was to be another triumphant year of Debating.**

The senior debaters had a range of results with one team, consisting of Joseph Bonadeo, Joshua Coales, Justin Hancock, Asel Jayatilake, Dhruv Menon, Richard Paganin, Max Shannon and myself, making it into the finals and another team narrowly missing out.

The novice debaters saw an incredible level of participation that bodes well for the future of Christ Church Debating. CCGS 3 managed to make it through to the finals, with the team of

Tanay Dwivedi, Nathan Huang, Aaryan Mandal, Joshua Neervoort and Akshayan Sivaanujan.

In addition to the Western Australian Debating League (WADL), there were a number of other competitions on offer to keen debaters in the Perth area, many of which were popular with the Christ Church boys. The School entered three novice teams, one junior team and one senior team in the Association of Heads of Independent Schools of Australia (AHISA) competition, and five teams in the British Parliamentary competition.

Christ Church Debating was also well represented in the Evatt Competition,

a mock UN Security Council debate. Debating committeemen Edward Elias and Max Shannon, as well as their respective partners Max Martin and Ben Davison-Petch, finished second and third in this competition and flew to Brisbane to compete in the national final.

The efforts of a few individuals must be noted; I would like to thank our old boy coaches, and of course the tireless efforts of our Debating Co-ordinators, Miss Bec Cain and Mrs Sarah Downes. Their efforts to manage teams, develop our skills and support us have been instrumental in furthering the culture of shared excellence and success for which Christ Church Debating strives.

# FAITH IN M8

HENRY DAVIS, JOEL HURWORTH AND WILL MCCOUBRIE / YEAR 10

**Faith in M8 is a Christian group started by a group of Year 10 boys, Reverend Nick Russell and Mr Matthew Smith at the beginning of this year. It meets in M8 every Thursday at lunch and is for anyone looking to explore questions of life, meaning and faith.**

We started the year looking at the short video series produced by Scripture Union Ireland, entitled NUA: A fresh perspective on faith, which encouraged us to consider questions about Jesus, the Bible and what it means to be a Christian.

In Term 2 we looked over the Gospel of Luke, exploring the life of Jesus. Old boy Mr Josh Chan shared his story of faith at the end of the term. In Term 3 we explored Genesis, the first book of the Bible, looking at the stories of Cain and Abel, Noah and the Tower of Babel. In addition, Year 10s Henry Davis, Joel Hurworth and old boy Mr Keith Bower talked about why they were Christians. In Term 4 we discussed some of the big questions surrounding Christianity, including 'Science and God', 'God and Suffering', 'God and Judgement' and 'How to trust and read the Bible'.

We also experienced many positives, including a variety of food, some great talks and fun games. We were often fascinated by the plethora of different world views of those who attended, as well as finding encouragement from other Christians sharing their faith. It has been an enjoyable challenge to answer some of the difficult questions about life and meaning, and it is beneficial to have experts in theology, in Mr Smith and Reverend Russell, to help if we find ourselves struggling to discover an answer.

We are very thankful for the significant and voluntary efforts of Reverend Russell and Mr Smith. We would also like to thank all the speakers that came to M8 over the year.

# INFORMATICS

MARCUS HANDLEY / CAPTAIN OF INFORMATICS 2019  
ALISTAIR PARKINSON / CAPTAIN OF INFORMATICS 2020

## Informatics continued to experience both growth and success in 2019.

Mr Jan Honnens organised lunchtime sessions, in which either he, or one of the older boys, explained an Informatics problem, deconstructing it into its fundamental algorithms. Covering problems ranging in difficulty, students learnt the problem-solving skills, algorithms and programming skills necessary to excel in the many competitions in which they competed throughout the year.

## Notable achievements:

- Joshua Chen (Year 9), Max Godfrey (Year 10) and Ashley Porter (Year 11) received invitations to the School of Excellence summer camp in Canberra, after their scores in the Australian Informatics Olympiad placed them in the top 25 students in the country.
- Two CCGS teams had strong results in the University of Melbourne's team competition Codemasters, with our Year 10 team coming second and one of the Year 9 teams placing third.

- Three CCGS teams ranked within the top eight teams in the University of New South Wales' ProgComp, qualifying them for the grand final in Sydney.

Overall, it has been another highly successful year for Informatics, not only in terms of awards, but also in the rapid growth in interest across all year groups, including Year 5s and 6s in the Preparatory School.

Finally, we would like to thank Mr Honnens for making Informatics at CCGS possible, from running the lunchtime sessions to designating so much of his time to organising and registering everyone for the competitions.

# MOCK TRIALS

JOSHUA COALES / CAPTAIN OF MOCK TRIALS

**Fiercely led by Politics and Law teacher Miss Vanessa Badaraco and old boy Mr Harry Sanderson, Mock Trials at Christ Church experienced a season that showed much promise.**

The Mock Trials competition has been run by the Law Society of Western Australia since the 1990s, with students participating in simulated criminal and civil trials and engaging in fictitious cases from grievous bodily harm to defamation. It provides Year 11s and 12s with the opportunity to build their advocacy skills and to work towards an overall case theory strategy, participating as a witness, solicitor, judge's associate, court orderly or barrister in the three rounds of the season. It also equips them with an opportunity to improve their public speaking skills, think on their feet, and work as a team.

With most Year 12s from 2018 returning, and a group of talented Year 11s joining the

brotherhood, confidence was high as we headed into the first round. Our efforts were rewarded with three of the four teams walking away with victories. Round 2 against sister school St Hilda's was another success, with three of the four teams securing victories and our fourth team losing by only half a point.

The last two rounds delivered mixed results and unfortunately, despite hard work and immense preparation, no Christ Church teams qualified for finals.

Despite the lack of finals success, Christ Church's future at the Supreme Court of Western Australia looks promising with Year 11s Jasper Coombes-Watkins, Angus Elliott-Lockhart, Kartikeya Kaushal, Tom McGrath and Isaac Yeo all putting in impressive performances.

I would personally like to thank my committee of Campbell Baird, Greg Boeddinghaus, Chris Law, Myles McNeilly, Richard Paganin

and William Thomas, as well as my Vice-Captains Matthew Darley and Asel Jayatilake, for their commitment to Mock Trials and mentorship of all boys throughout the season.

On behalf of all the departing Year 12s, I'd like to thank Miss Badaraco for her leadership, assistance and guidance to make Mock Trials one of the highlights of our school journey, as well as Mr Sanderson who ensured all boys were prepared for each round, sacrificing his own time in his busy uni schedule to help us.

# OUTDOOR EDUCATION

# PHILANTHROPY

NICHOLAS PATRIKEOS / CAMPAIGN COMMITTEE MEMBER

## THE STUDENTS' SCHOLARSHIP

At the start of Term 2, the School Prefects launched a student-led campaign raising funds from the student body to support a three-year scholarship for a boy who otherwise would not have the opportunity to come to CCGS. We arranged with the School that the boys would raise half the funds required for the scholar's tuition fees, with the School matching the other half. We anticipated it would take us three years to achieve our fundraising goal of \$45 000. The prefects named it *The Students' Scholarship*, with the motto 'By the boys, for the boys'.

After a thorough evaluation of the idea in Term 1, the prefects were excited to bring all the boys behind a common goal, and the

reception by the boys was incredible. We decided to make a fun competition out of donating, by creating a series of tutorial and House challenges each week. These included a golden 'skip the canteen queue' ticket, a hot chocolate station at recess, a table tennis game against the Executive staff and shoe shining by the prefects. The winning House was also given a lunchtime on the Cadet Inflatable Obstacle Course, which the Wolsey boys really enjoyed.

Within several weeks, with the support of our school community, we managed to raise our three-year fundraising goal – an incredible achievement.

At the end of the campaign, the prefects wrote a testimonial for the scholarship selection panel to consider, which reflected

the qualities we believed important at our School. These included talent in academic or co-curricular domains, community involvement and virtues such as humility, authenticity, compassion, integrity, resilience and a strong work ethic.

I would like to thank Patrick Mahony, Richard Paganin, the Scholarship Committee and the School Prefects for their support, and for leading from the front within the School and Houses, as well as Ms Turner and Ms Hunt for their hard work in the administration and logistics of the campaign. Furthermore, I would like to thank everyone who contributed – we have achieved something spectacular. The recipient of The Students' Scholarship, who will commence at the School in 2020, will remain anonymous until a time he should wish to be identified.

# SONY CAMP

NEIL SAGGERS / DIRECTOR OF ACTIVITIES

**In December, MLC and Christ Church staff, students and other volunteers teamed up once again to run the 14th annual Sony Camp. This year we were able to host 24 campers (our most ever) and we also battled four days of 41 degrees heat, but it was a tremendous success thanks to excellent planning and huge amounts of energy and enthusiasm.**

Before the camp started, we asked a couple of our Year 11 assistants to step up and become companions, due to the special needs of certain campers. This did not phase the students at all and they worked wonderfully with the Year 12 companions and their specific campers, enjoying all the activities and shared experiences. The other Year 11 assistants provided excellent support on roster for the entire camp but were definitely exhausted by 3.00pm on Sunday, when we finally finished the clean-up in Sandover of the biggest Christmas party ever held for a Sony Camp.

Campers and companions loved the swim sessions in the pool and our annual Disabled Surfers Association beach event at Leighton. So well supported were the campers by their Year 12 companions, that many campers took the opportunity to do things they would not normally do. Other highlights were the MLC gym activity and the visit from the West Oz Wildlife team, giving campers a close encounter with a koala, a dingo and some reptiles.

MLC staff increased their involvement in the camp again this year, which was appreciated by Mr Alec Barbour and the CCGS team. Everyone in the Sony team also acknowledged the incredible work done by Mrs Joanna Simpson and her nursing staff, with over 30 nurses volunteering their time and making us all feel a little safer.

The companions presented Christmas hampers to the campers' families as we finished the party, thanking the parents for choosing to send their child to Sony Camp and wishing them all a wonderful festive season. Many thanks to Dee Houghton and her team of Year 11 assistants who created these final gifts.

# eV CHALLENGE

LUKAS VELOSO HAGEMANN, COOPER HATTON,  
 JASPER JONES, JAMES LUGG, CHARLIE SINCLAIR,  
 HARRISON SMITH, ZAC STANLEY, HARRY STEVENSON,  
 ARAN WHEATLEY / PARTICIPANTS

**The Electric Vehicle (eV) Challenge, sponsored by Synergy, is a three-class event open to schools, universities and the public. Division A is restricted to Years 7 to 10, Division B is open to Year 11s and 12s with Division C aimed at universities and the public. Each team must produce a battery-powered vehicle, with the goal of completing a one-hour endurance race without running out of charge, under a strict budget and following the rules and regulations created by the eV committee.**

This year, nine Year 11 boys had to modify and mechanically enhance last year's cars, as well as construct an entirely new vehicle. In a team of boys with different skill sets and experience, we had to solve problems, such as: the angle of chamber needed for the front wheels for efficient steering; welding metals such as aluminum to improve chassis rigidity; and measuring the correct number of pounds per square inch needed to prevent a tyre from exploding, while under a heavy steering load, on a track with surface temperatures exceeding 30 degrees Celsius.

The eV Challenge is a wonderful experience for boys who share an interest in the world of motorsport and engineering, working under time pressure to ensure the legality of the cars to race, fixing any last-minute issues and acting as pit crew members for the drivers.

A special thank you to Mr Alec Barbour for aiding us and providing us with the opportunity to participate.

# YEAR 8 LEEUWIN EXPERIENCE

# VENTURE

SAM O'BRIEN / PARTICIPANT

**After spending 10 days down in the South West conquering Venture, there were some significant takeaways for our whole cohort. The physical and mental challenge of walking every day, often for over 20km, taught us that we can achieve things that may seem too hard at first through perseverance.**

Overcoming challenges in close proximity to our peers, formed stronger bonds between boys who may not have interacted with each other before the experience. Being in such a beautiful, relatively untouched, part of the world showed us how lucky we are to have the opportunity to be on a school trip such as this. Of course, being without things we take for granted, such as bed and shower, enforced a strong sense of gratefulness in all. Overall, going on Venture taught the Year 10s perseverance, the strength of friendships and to never take what we have for granted.

**NICHOLAS JOHNS / PARTICIPANT**

**On the eighth day of Venture, Group 2 woke up early. We began our daily routine of deconstructing our hutchies and filling our packs with our gear. We took off on a 19km-walk and surged onward at the thought of almost being home.**

However, as the day went on, I grew tired and the state of my feet started to degrade as blisters had developed; every step was increasingly difficult. Our group tried to take a shortcut; however, it was blocked, and we had to turn back and go the long way around, consequently adding a further 6km to our hike. Demotivated and sluggish, we struggled on. Upon arrival to our campsite, called Dog Pool, I dropped my pack and lay on the ground in exhaustion. At 6.00pm, Kristian, Dion, Parker, Ryan and I went into the hut, pulled out our sleeping bags and fell straight to sleep. This day had the most impact on me as it required a great deal of determination to push through and reach camp.

# BEATTY CUP HOUSE COMPETITION

NEIL SAGGERS / DIRECTOR OF ACTIVITIES

**After a year of wonderful competition across five events, the 2019 Beatty Cup ended very meekly, with the Athletics Carnival cancelled for the first time due to poor weather. This had been a much anticipated and planned for event, with five Houses still competing for the Champion House trophy.**

Congratulations to Romsey – the Champion House. As well as winning the Swimming again, Romsey also was joint winner of the Cross Country event and won the Public Speaking component of the House Arts competition.

Also, well done to Queenslea House who finished second, just half a point behind Romsey. This represents Queenslea's best

performance in more than 10 years. The Queenslea boys were sure they had the cup coming home with a well-planned and prepared Athletics team. But it was not to be.

The Teams Carnival, held at the School's playing fields at Mount Claremont and St John's Wood in Week 10 of Term 1, was again a highlight of the Beatty Cup with about 90 per cent participation across the six sports in the round robin event. After a poor performance in Swimming, Craigie House won the carnival easily, with overall wins in three of the six events.

Queenslea again dominated the House Shout. Four ABBA and four Queen songs were on offer this year and Queenslea's performance

of *Take a Chance on Me* was a popular and clear winner. Queenslea now look to a 'three-peat' in 2020.

The competition was once again very close all year. It will be very interesting to see how the new Year 7s impact the competition in 2020.

# CRAIGIE CHAMPION HOUSE

TOM DOWLING / CAPTAIN OF CRAIGIE

**We began 2019 in tremendous fashion, our Year 7s quickly finding a home in Craigie House aided by their Year 11 Peer Support Leaders.**

Our Beatty Cup experience began in the early weeks of Term 1 at the House Swimming Carnival. Despite some standout performances, Craigie finished in an all too familiar fifth place. Before the term ended, we were given a chance for redemption, so with arms outstretched, each boy embraced the House Teams Carnival. This led to a united performance across all sporting codes, seeing the boys finish the day in spectacular fashion, with Craigie taking the win!

Following was the annual House Cross Country fixture, which saw some awesome efforts from Jonah Hanikeri (Year 7) and Joshua Fowler (Year 9) who each took out their age group. However, the day was not to be ours, as we placed eighth in the Kings Park event.

Without the guidance of Mrs Hodgson (who is on a year's leave), the boys of Craigie were flying somewhat blind into this year's House Shout rendition of *Another One Bites the Dust*. However, by banding together under the superb instruction of Miss Duck, we were able to walk away with a well-deserved second place. Our public speakers, chess players and debaters worked tirelessly, perfecting their

craft for Thursday competitions, providing quality work that inspired others to come.

With the constant support of our tutors and Head of House, and with the inter-tutorial competition, Craigie House provided boys an overwhelmingly positive environment during 2019. I thank the House on behalf of the Year 12s for the support and understanding shown to us and wish everyone the best for the years to come.

# HILL

WILLIAM THOMAS / CAPTAIN OF HILL

**Following a year in which the drive of the boys in orange disappointingly did not bear fruit, the Hill House community was ready to make amends in 2019.**

It started with a good result in the House Swimming Carnival, with Hill taking sixth place overall – its highest position in several years.

With newfound confidence and energy, the boys performed admirably in the House Teams Carnival, taking out fourth place.

The Hill boys also took part in a fundraising run at Lake Claremont for the Disabled Surfers Association of Western Australia, raising \$4460. Congratulations to Harry Williams (Year 11) for completing six laps of the lake.

Encouraged by this success, the Hill boys carried this momentum into the House Arts competition. Credit to boys who took on new challenges in Chess, Debating and Public Speaking, showing true Hill House spirit.

Following exceptional performances from the much revered Hill Chess team and the ever-consistent Debating team (both placing second), the boys received their first piece of silverware for the year – the House Arts trophy. The Public Speaking fraternity of Hill also performed admirably, earning a hard-fought fourth place, off the back of performances from the talented Conor Coleman (Year 12). He will be missed next year.

This led Hill into an unprecedented race for the Beatty Cup with Romsey and Queenslea Houses. Unfortunately, despite a jaw-dropping rendition of Queen's *I Want to Break Free*, strong performances from other Houses meant Hill finished seventh in the House Arts competition.

With the House Athletics Carnival being cancelled, Hill finished the year in third place. It was a result of which the boys should be proud as it leaves promise for 2020 and beyond. It was an honour to serve as Captain of Hill House in 2019, with memories that I will cherish into the future.

# JUPP

ASEL JAYATILAKE / CAPTAIN OF JUPP

**The Beatty Cup for Jupp began with an uphill battle, finishing eighth in the House Swimming Carnival.**

The boys knew they would have to make up some serious ground in order to improve upon our position last year. As the year ticked along, our chances appeared brighter coming a respectable fourth in House Shout, under the tutelage of Ms Williams, and placing sixth in Cross Country.

The strong performance of the boys during the House Teams Carnival was enough for us

to secure runner-up, owing to the triumphant performance of our soccer teams. House Arts progressed well throughout the year and the boys were determined to retain our title from 2018, but sadly it was not to be. However, a stellar performance from the Debating team and the intellectual prowess of Matthew Darley (Year 12) in the grand final allowed us to place a close second behind Hill House.

Poor weather prevented us from competing in the House Athletics Carnival, which I am assured by Mr Harnwell would have enabled us to secure the Beatty Cup for this year. Our

final ranking amongst the Houses was fourth. The biggest highlight of the year was the Jupp Jog, which allowed us to raise over \$9200 for our chosen charity zero2hero.

Jupp House looks set for great years ahead, showing more tenacity, confidence and resilience with each passing year, which can no doubt be attributed to our leadership under Mr Harnwell over the past six years. We thank him for his guidance and wish him well in his new position as the Residential Year Group Co-ordinator.

# MOYES

WILL CONNELL / CAPTAIN OF MOYES

**The year had a promising start with Year 7 student Kalani Chong Sue swimming his way to Runner-up Champion Boy at the House Swimming Carnival, despite participating in only three of four potential races. Moyes, unfortunately, finished in fifth place. However, the boys were quietly confident we could return to our winning form in the coming terms.**

This occurred when the Chess team, led by Eric Pan (Year 12), won House Chess for the third time in five years. A huge congratulations to Eric who has been Board 1 for five years and has rarely lost a game in this time.

Another success came when the boys in bottle green selected Queen and David Bowie's hit, *Under Pressure*, for House Shout. Whilst the song does feature many difficult parts, we summoned our inner Freddie and, with the help of Miss Van Graan and conductors

Elliot Rockett and David Jones, we were able to pull through with third place. A special mention goes to Mr Wyllie who choreographed the 'groove train', which really brought the song home and secured our placing.

This year's fundraiser was a highlight as we strengthened our ongoing relationship with the Perth Children's Hospital. The boys participated in a range of sports including basketball, dodgeball, floorball and soccer, concluding the night with a sausage sizzle. In total we raised \$9588, which is a huge success and showcases the Moyes boys' philanthropic prowess.

On behalf of all Moyesians, especially the Year 12s, I would like to thank Mr Masterton and the Moyes tutors for all the work they have put in this year. I have seen firsthand their care and the effort they make to ensure our lives run smoothly; it doesn't go unnoticed.

# NOAKE

NICK RICHMOND / CAPTAIN OF NOAKE

**2019 has been a year to remember, with outstanding sporting performances and breathtaking chapel musical items from boys across the year groups.**

Unfortunately, the boys in brown were unable to get the podium finish in the Beatty Cup, but nevertheless there were some very strong performances.

After warmly welcoming the new boys to the House, we had a successful night in the pool at the House Swimming Carnival. Noake finished in third place with Hudson Fogarty (Year 8), Myles Blake (Year 8), Kai Wylie (Year 10) and Charlie Emanuel (Year 11) placing in their age groups. The next major event came late in Term 1 in the House Teams Carnival, with wonderful efforts by the junior teams, particularly in footy and soccer.

In Term 2, Noake brought in its secret weapon in former Noake Head of House Ms Crawford who returned as a tutor. 'Crawf' was given the reins for the House Shout, a blessing in what is a favourite event amongst most boys. With the House embracing its inner ABBA, performing *Dancing Queen* while donning tiaras, Noake achieved fifth place – just a handful of points away from the podium. A huge shout out to our conductor Edward Elias and pianist Nicholas Tan.

The House Arts competition saw record numbers participate in Chess, Public Speaking and Debating. Special thanks to Chris Law and Callum Koh for their chess expertise, while Nicholas Patrikeos' leadership of Public Speaking was above and beyond. Debating had some great success with the boys under

Edward Elias' guidance taking home second place. A terrific effort by all involved.

With bad weather forcing the House Athletics Carnival to be called off, we weren't able to finish the year with a bang, despite being red hot favourites after taking out the Ray House Run in the lead-up.

On a personal note, it has been a great six years in mighty Noake. Special thanks to the staff, my fellow Prefects and all the boys.

# QUEENSLEA

JACK MICHAEL / CAPTAIN OF QUEENSLEA

**After setting solid foundations in 2018, the target for 'the tigers' was to infiltrate the top three positions of the Beatty Cup in 2019.**

The year started off positively for the Queenslea boys, with the House Swimming Carnival early in Term 1. An incredible team and individual performances resulted in Queenslea finishing second and an ecstatic feeling resonated around the R Block tutorial rooms.

Queenslea's success continued with solid performances in the House Teams Carnival, House Arts, the Ray House Run and the House Cross Country throughout Term 2. Strong efforts here placed Queenslea as a real contender for the Beatty Cup.

The apogee of Queenslea's spectacular run was in the House Shout competition during Term 3, in which Queenslea performed a fantastic accomplished rendition of ABBA's *Take a Chance on Me*, winning the competition for a second successive time.

For the 12th year in a row, the Queenslea boys climbed Perth's Central Park to raise money for Make-A-Wish Australia, our House charity. It was a balmy August morning and the boys were rewarded with magnificent views and a delicious morning tea put on by the parents of the House Prefects.

I would like to thank Mr Gibson, Miss Badaraco and all the other tutors, House Vice-Captain Oliver Newton, the House Prefects and Peer Support Leaders, for their incredible commitment to the House and each boy this year.

Finally, a personal thank you to each Queenslea boy. It has been an honour to be your House Captain and to lead Queenslea to second place in the Beatty Cup, pipped by only one point, the highest position we have held since 2002. I wish each of you the utmost success in future years.

# ROMSEY

TOM BALL / CAPTAIN OF ROMSEY

**After a previously successful year, Romsey House was keen to build upon its achievements. We went into the House Swimming Carnival confident, with outstanding swimmers such as Oliver Sheldrick (Year 12), Joshua Shipton (Year 11), Charlie Reynolds (Year 9) and Benjamin Shipton (Year 8). It wasn't only these standouts that helped us to the win; the depth of swimmers and support amongst the House played a large role. This depth and support became a common theme throughout the year.**

We took a slightly different approach with the House Fundraiser this year, hosting Romsey on the Green in Term 1. Although the build-up was a little frantic, it turned out to be an entertaining night, raising over \$10 000 for the Children's Leukaemia and Cancer Research Foundation. We thank all families for their support, particularly the boys who shaved their head and especially Jack Barrett (Year 8) who raised close to \$2000.

Romsey performed well in the House Arts. Unfortunately, the Chess team couldn't find its rhythm, the boys again finding themselves on the bottom of the ladder. On the other hand,

we finished on top in Public Speaking with exceptional speeches from boys in all year groups, in particular Joshua Coales (Year 12), James Sarre (Year 11) and Tom Edibam (Year 8). Our debaters finished a respectable fourth with well-articulated debates from seasoned veterans such as Joseph Bonadeo (Year 12), Nicholas Hamdorf (Year 11) and Thomas Whittington (Year 10).

The House Shout was led by Year 12s Paul Kikiros and Mitchel Rocchi, with William Ji (Year 9) and a group of other fabulous musos working hard to sing *Don't Stop Me Now* by Queen. Unfortunately, the boys didn't quite hit the right note, despite spectacular air guitar by Brendan Dong (Year 12), ending up in fifth position. However, everyone seemed to enjoy themselves.

A special thanks to Head of House Mrs Pentony who plays a huge role in supporting the boys, creating an approachable environment and helping the prefect body achieve its goals. Also, thanks to all the tutors for keeping everyone in line and organised. And of course, to all the boys, congratulations on winning the Beatty Cup!

# WOLSEY

ALEXANDER RIPPEY / CAPTAIN OF WOLSEY

**Wolsey began the year with a desire to compete and a yearning for success.**

In the first House event of the year, the Swimming Carnival, we performed exceptionally both individually and as a collective, narrowly losing out to Queenslea and Romsey. In the next few events on the calendar, we displayed inspired performances, placing equal first in the Cross Country and recording another third-place finish at the conclusion of the House Teams Carnival.

Unfortunately, after what can only be described as a dream start in the race for the Beatty Cup, Wolsey fell short of its target despite a passionate rendition of ABBA's *Waterloo* in the House Shout and consistently dominant chess performances by Rahal Wijesuriya in the House Arts competition.

Although dreams of a Beatty Cup win were rather anticlimactically extinguished due to the cancellation of the House Athletics Carnival, Wolsey showed that at the end of the day, points on a board don't directly equate to a successful House. We rallied behind fundraising for both The Students' Scholarship initiative and our Year 10 Anglicare Ambassadors efforts to raise funds for Anglicare WA, which accumulated a total of over \$10 000.

2019 was a fantastic year for Wolsey. It was a year that could not have been successful without the guidance and leadership of Mr Gareth Phillips and my fellow House Prefects. I am truly grateful for the privilege of being part of Wolsey throughout my tenure at Christ Church, and I hope that its team spirit and the enjoyment which I have experienced as a member of the wolf pack, can be shared by many more boys to come.

# WALTERS RESIDENTIAL COMMUNITY

CLANCY ADAMSON / CAPTAIN OF WALTERS RESIDENTIAL COMMUNITY

**Christ Church is the home for many boys around the State and even further abroad. 2019 was a sensational year with many highlights.**

The year started on 1 February with Orientation Day for the Year 7s, along with a handful of new students in other year groups. This was led by the new and enthusiastic prefects and residential staff, with the new Year 7s showing their confident and kind personalities. The day consisted of games at the pool and gym as a fun way for boys to engage with one another.

The Knutsford Boarding House, home to our Year 7s and 8s, had an exciting year with new personalities entering the house. This included Mr Greig, who amiably took on the challenge of caring for and guiding the new boys, with assistance from the Year 11 mentors. The Knutsford residents participated in recreation activities every weekend, such as socialising with other schools, barbecues, Adventure World and a farm stay.

The Year 9s moved into the Walters Boarding House to live a more independent life, while the Year 10s were promoted to seniors of the community. The Year 9s and 10s also enjoyed many recreational opportunities, such as socials, cooking classes and going on leave to the city and beach. Notably, they regularly enjoyed intense basketball battles on the Walters court, after school and during prep break.

The boarders, as usual, had many boys selected in First teams as well as being involved in winning PSA championships. A select few were involved in 'three-peats' in swimming and hockey. Honorable mentions include Regan Tubby (Year 9), winning Champion Boy for swimming and athletics; Isaiah Butters (Year 12), helping to win his Colts football grand final by kicking four goals; and Liam Henry (Year 12), being chosen for the Under 18 All Australian football team, making him a hot prospect for the 2019 AFL Draft. Special mention also goes to Regan who was the outright winner of the 2019 National Dragster Competition.

The year also saw the introduction of the prefect-led initiative, the Gryphon, an inter-boarding house competition in which four Houses (Stove, Meikle, Doust and Stretch) competed in various challenges. These included three-on-three basketball, dodgeball, Mario Kart and tug of war. All houses were highly competitive in striving to take home the Gryphon trophy. Doust came out victorious, beating Meikle by only two points, to be the inaugural Gryphon champion.

2019 was an eventful year for the Walters Residential Community and this would not have been achieved without the time and effort of the Housemothers, the Duty Masters, the Health Centre, the Year Group Co-ordinators and Mr Downing. Your efforts are acknowledged by every boy and we give our thanks to you all.

# AQUATICS: SWIMMING

## PSA CHAMPIONS

HUGH MORAN / CAPTAIN OF SWIMMING

**Heading into the 2019 swim season, the Christ Church team was keen to retain the Tregonning Cup for the third straight year, with both junior and senior boys training regularly in the gym and pool most mornings throughout January.**

This ultimately meant that by the time Term 1 started, the team had gained both fitness and confidence leading into the first round of Friday meets.

Then came the House Carnival followed by Quads against Scotch, Wesley and Trinity. This provided the perfect opportunity to simulate Inters, thus finalising the team. At this meet, Christ Church claimed its 11th John Ryan Shield, which left the team confident heading into Inters.

Week 6 was the culmination of the short, yet intense swimming season – the PSA Swimming Carnival. Following a brief meeting with the PE department, the boys entered the bus fired up and ready to compete.

As the night progressed, so did Christ Church's lead. Special mention must go to record breakers Thomas Michael (Year 8), Kai Wylie and Nicholas Johns (Year 10) and Jason Lu (Year 11) who all performed exceptionally on the night. The whole team was nevertheless aware that if we were to win the PSA, it would be a win built on the back of our relays. Out of the 24 relays contested on the night, we won 13 and came second in almost every relay we didn't win.

Following the events of the night the final score was announced. Christ Church took out the win by an impressive 166 points to claim our third straight title. This was a result of the amazing program run by our coaches Mr Bill Kirby, Mr Will Greenwood, Mr Travis Nederpelt and Mr Tommaso D'Orsogna.

# AQUATICS: WATER POLO

## PSA CHAMPIONS

LACHIE EMANUEL AND OLIVER SHELDRIK / CAPTAINS OF WATER POLO

**After an undefeated 2018 season, the First VII was fired up for another go at claiming the Dickinson Shield.**

With most of the boys having played the previous year, the team had a wealth of depth and experience heading into our final part of the season.

After a demanding yet rewarding trip away to Barcelona in January, which consisted of weeks of daily two-hour training sessions, the boys were ready to start the second half of the season. Our first game against Wesley was, by our standards, a poor performance as we won by only three goals.

Looking to rectify this, we next faced Aquinas and Scotch – both solid opponents. These were convincing wins, putting us in good stead for our ‘championship game’ against Hale. The boys were quietly confident and did not disappoint, finishing with a 15-6 win, a score more indicative of our past performances.

The last two games of the season were against less strong opponents, and this allowed the boys to really enjoy our last time in the pool together after playing Christ Church water polo for six years. It also marked the end of two years in which we remained undefeated, making us once again, winners of the Dickinson Shield.

The Seconds had a strong season, remaining undefeated with nine wins and two draws. The Thirds also had a successful season winning six of their nine games.

The junior teams proved that the future of water polo at Christ Church looks bright with the A team only losing one game. The B, C, D, E and F teams remain undefeated. Special mention goes to outstanding Year 9 players Hamish Brogan, Sam Day, Alex Graham, Jensen Kirby and Anton Komninos who will be pushing for the Firsts in the next few years.

### FIRST VII WATER POLO

**BACK ROW:** Ben Evans, Tom Ball, Richard Paganin, Tom Ristovsky, Finn Kelly, Jack Salom, Charlie Emanuel, Aron Kovacs, Rory Johnston

# ATHLETICS

TIM CHANEY / TEACHER IN CHARGE OF ATHLETICS

**Following a strong performance at the Quadrangular Athletics Carnival in Week 6, the CCGS Athletics team entered the PSA Athletics Carnival in Week 8 confident of improving on its sixth placing in 2018.**

One hundred and seventy boys trained in the lead up to the Inters, attending sessions multiple times a week at the WA Athletics Stadium in order to refine technique and improve endurance and speed.

On the back of some outstanding performances from boys across all years, the team managed to achieve its goal on consistent improvement, finishing in fifth place and scoring the School's highest total ever of 1271.5 points. Special mention must go to the Under 13 age group who scored the most team points of any age group – a promising sign for the future of Christ Church Athletics.

In 2019, the Athletics team was well led by Co-Captains Noah Keleman and Liam Tubby who have been outstanding contributors to CCGS Athletics over many years.

Individual highlights for each age group were as follows:

## UNDER 13

There were many outstanding performances from this age group. However, the standouts were Kalani Chong Sue and Jonah Hanikeri. Kalani finished second in Division 1 Long Jump, 200m and Triple Jump and was a member of the first-placed 4x100m relay team. Jonah scored the most points of any CCGS athlete, finishing first in Division 1 800m and 1500m, second in the 400m as well as third place as a member of the 4 x 400m team. Congratulations must also go to Ryan De Marchi, Massey Doolan and Aaron Goh, who along with Kalani, broke a school record in the 4x100m event.

## UNDER 14

Dylan Calderwood, Vageesha Jayasinghe and Matthew Tan all finished with top three results in Division 1 events. Matthew competed in five events on the day and scored 49 individual points whilst Vageesha broke a long-standing school record in the 90m Hurdles, running a blistering time of 13.75 seconds.

## UNDER 15

Regan Tubby competed in four individual events and scored 23 points for the School, leading the Under 15 age group. Against strong competition, the Under 15s competed admirably with Oliver Austin, Matthew Gibson and Nic Hill all showing improvement throughout the course of the season.

## UNDER 16

Parker Robinson again showed his class on the track, finishing second in two Division 1 events (400m and 200m) and running as a member of the 4x400m team. He led the age group in total points, just ahead of Nicholas Johns who competed in four events, and Kai Wylie who made a welcome return following injury with second place in the shot put and third in discus.

## UNDER 17

Following a school record breaking run in the Quadrangular meet, Jes Bromley continued his outstanding form taking out first place in the 1500m and second in the 800m. Will Wardle ran the second quickest 1500m time behind Jes to secure first place in the Division 2 event. Other strong performances came from Oscar Brant and Lucas Goebel.

## OPEN

Noah Keleman led from the front competing in six events, more than any other student, collecting 40 individual points. Liam Tubby also had a big day, competing in the 1500m, 800m and 400m. Brodie Wicks, Tom Ball and Finn O'Callaghan all had top three finishes in Division 1 events. This strong age group is to be congratulated on its efforts over many years and will leave big shoes to fill in 2020 and beyond.

All boys who competed in the blue and gold on Inters day should be very proud of their efforts. The steady improvement of the CCGS Athletics Team in 2019 is a positive sign and planning has already begun to build on these foundations in 2020. The School will set its sights on climbing the overall points ladder again next year. Special thanks must go to the old boy coaches who were fantastic, as were the CCGS Sport and Physical Education staff involved.

# BADMINTON

ALEX ZHANG / CAPTAIN OF BADMINTON

**After finishing second in last year's PSA competition, the First VI Badminton team came into 2019 knowing that we had to be competitive.**

Unfortunately, the season began with the First VI losing 3-6 to Hale, one of the strongest competitors in the Brother Kelly Cup, owing to the illness of two of our experienced players. Nevertheless, with words of encouragement from our coaches we bounced back and fought well in the next game against Guildford, managing a 9-0 clean sweep.

Throughout the season, despite a valiant effort from the team, we did not always perform at our best because our strongest players were often not able to compete. The long-term injuries of Year 12s Wolf Hughes, Keedan Nelles and Malcolm Wang, along with Year 9 Camp which took away two of our best players in Peter Fang and Wynn Kuan, proved too costly for the team.

Although several players are departing, Christ Church Badminton is in safe hands with impressive players from younger years in all teams. Five Year 11s, along with Peter Fang and Wynn Kuan, the latter making State team selection, will lead the charge next season.

As always, the senior boys performed well with the Fourth, Fifth and Sixth teams all remaining undefeated. The Seconds and Thirds had only one loss each, a promising indication of the future. Many thanks to Mr Nick Kidd and Mr Les Goh for putting in the time and effort week after week to organise, manage and coach the boys.

# BASKETBALL

YEMI OYENIYI / CAPTAIN OF BASKETBALL

**The Christ Church First V basketball season officially commenced with a three-hour pre-season holiday camp at the end of the Term 3 in 2018.**

With the talent level and potential to contend for the Blackwood Cup, the boys trained hard throughout the break to prepare for what would be a challenging season.

The 2019 season saw the debuts of young players such as Braelyn Dale (Year 9), Benjamin Ellis (Year 10) and Jacob Gray (Year 9). The inclusion of such young players foregrounds the School's intentions of building a program that in the future will produce strong contenders for the cup.

Despite the hard work and effort put into improving our previous win-loss record, Term 1 saw the boys finish with a record of one win and 11 losses.

This season, basketball at Christ Church has enjoyed record numbers and is now the School's most popular sport; students of all ages enjoy their time on court.

The Fifts team, led by Mr Jack Damon, finished Term 4 with a 5-1 win-loss record with key performances from Year 12 players Joshua Coales, Asel Jayatilake, Will Jumeaux and Austin Southam.

In the younger years, the Year 7A team capped off an undefeated Term 4 campaign led by Jacob Akhallis, Luke Dorsett and Emerson McNeilly, featuring major wins against Hale School and Scotch College. The Year 8A team showed signs of potential with their season dominated by performances from Mayowa Afolabi and State Schoolboys' representative Orlando Keleman.

# CRICKET

JAMES PIKE / CAPTAIN OF CRICKET

**After a long pre-season beginning midway through the January holidays, the team was looking very prepared to take on Wesley.**

This first game presented the team with a comprehensive win and many highlights, including a century for Oliver Higgins (Year 11) after a nervous wait in the 90s to avoid joining cricketing greats like Shane Warne in the 99 club.

The following week we gave Aquinas a good run for their money with Year 12s Nick Richmond and Liam Haskett both taking three wickets to bowl out for 138 on what was, essentially, a road. However, a display of 'concrete feet' left us all out for 85.

Coming into the biggest game of the year against title favourites Hale, the boys put on a strong bowling display with the Year 12s combining for all 10 wickets. Unfortunately, again we were unable to get runs on the boards after a middle order collapse.

Special mentions for the season go to Liam Haskett and Nick Richmond, for taking 60 wickets for the season between them, as well as Oliver Higgins who led the way with the bat.

In the junior years, the Year 7s enjoyed a fruitful season, winning the majority of their games due mostly to the contributions of Max Hansen-Knarhoi, Sam Harding, Lincoln Hobbs and Adam Solomons.

The Year 8s had quite a successful season with many of their games coming down to the wire. Standout performers included Panav Kothari, Oliver Pentony and Eddie Vijayasekaran.

Unfortunately, the Year 9s struggled to live up to their potential, missing some close games. Recognition goes to Jack Cooper, Jay Sewell and Rhys Solomons for strong performances in a struggling side.

The results indicate that it won't be long before Church Cricket will be able to once again compete with the best of them.

# CROSS COUNTRY

CAMERON GARSIDE / CAPTAIN OF CROSS COUNTRY

**Cross Country began in Week 8 of Term 1 and was the last of the winter sports to finish in Week 4 of Term 3.**

During this time the team ran a variety of distances ranging from 3km to 8km, with 5km the most common. Throughout the home and away season, the team recorded four wins and two losses, with the latter being against close rivals Scotch and Aquinas.

Other races included the All Schools which featured two relays with distances of 3km and 5km. Congratulations to Henry Davies (Year 10), Oliver Magraith and Joshua Neervoort (Year 8) who were awarded Honours for winning the 5km relay event held at Aquinas College.

The team bonded well throughout the season and were motivated by the thought of winning the PSA Moyes Cup for the third consecutive year. They battled many injuries but persevered valiantly. Christ Church finished in second place behind Aquinas who dominated the competition from the start with an undefeated season.

The junior cross country team showed serious improvement despite failing to record a win this year. This was partly due to many of them participating in senior races. Special mention must go to Jonah Hanekiri (Year 7) and Year 8 students James Appleyard, Lucas Koh, Joshua Neervoort and Ethan Yem. These boys have plenty more years of running ahead of them and led by a tight group of Year 11s in Jes Bromley and Luca Brown, CCGS Cross Country looks to be returning to its past glories.

## FIRST XV CROSS COUNTRY

**BACK ROW:** Andrew Zhang, Parker Robinson, Henry Davis, Declan Barrett, Zach Ujnovich, Luka Brown, Justin Hancock, Tommy Fermanis

**MIDDLE ROW:** Ben Hart, Liam Bong, Jes Bromley, Nicholas Patrikeos, Oliver Magraith, Tom Salter, Morgan Klug, Zak Stanley, Paul Kikiros, Mr Jacob Marai (Coach)

**FRONT ROW:** Jakob Akhlil, Josh Watson, Zachary Cheng, Cameron Garside (Captain), Isaac Hamilton (Vice-Captain), Matthew Darley, James Appleyard, Lucas Koh, Ethan Yem

# FOOTBALL

OLIVER SHELDRIK / CAPTAIN OF FOOTBALL

**Looking to improve on last year's season, Christ Church Football returned to training with the enlistment of former AFL coach and player Mr Rob Wylie.**

The team was ready for a strong pre-season to prepare for round one against Hale.

The First XVIII had a strong first half of the season, with losses only coming from games against Hale and Aquinas. The boys were eager to replicate this success in the latter part of the season.

We only lost three times – to Aquinas, an undefeated Hale side and an improved Trinity team. The three-point loss to Aquinas was disappointing, but the boys recovered and had some great wins against Scotch and Wesley to finish off the year.

The First team finished with seven wins and five losses, placing us third on the ladder. This is Christ Church Football's most successful season in nearly 20 years, and this achievement is attributed to the hard work the coaches, players and managers have put in over the years.

Key performers for the year were Year 12s Daniel Dyer, Noah Keleman and Fletcher Metcalf who all displayed a consistent and good brand of footy over the season. We hope the younger boys can carry this into the future years of Christ Church Football.

The Year 10s and 11s who played in the Firsts throughout the year showed great promise and contributed immensely to the team; we are confident that Christ Church is in good hands for the years to come.

The younger years had varying results, however, the effort put in by each team cannot be disputed, and I'm sure this effort will be rewarded in the coming years.

# HOCKEY

## PSA CHAMPIONS

JAMES PIKE / CAPTAIN OF HOCKEY

**Coming into the 2019 Ray House Cup season, Christ Church Hockey looked set to repeat our previous results.**

Our first test came with the pre-season tournament against fierce competitors Wesley, Scotch and Hale. After disposing of Wesley, Hale and Scotch proved to be stiff competition, with wins of 2-0 and 1-0 respectively. This gave us insight into the title contenders for this season.

The success of the pre-season proved yet again the depth of Christ Church Hockey, with the first PSA fixture against Hale proving critical to setting the tone of the season. Despite a scrappy few passages of play, the boys dug deep in the second half with the game ending at 2-2.

Determined to produce the season's first win, the boys played Guildford feeling positive and walked away with a 3-1 victory. We kept up this momentum with successive victories against Aquinas and Trinity. Unfortunately, a Thursday afternoon fixture against Scotch went down to the wire, ending in a 3-4 loss. The boys' final obstacle was Wesley. The boys sent a message with a 4-0 victory.

The second half of the season required us to make no mistakes and to come out of every game with a win. After a huge 2-1 win against Hale, our last real challenge was to beat Scotch, who were the only team in the first half of the season to beat us – the boys managed to scrape a 7-1 victory.

The final rounds of the season consisted of Wesley and Trinity and we were able to get the job done.

I'd like to personally thank the boys and our coaches for an outstanding season of hockey.

# ROWING

## HEAD OF THE RIVER CHAMPIONS

PATRICK MAHONY / CAPTAIN OF ROWING

The alarm went off at 4.45am on 20 August 2018, signalling the start of a gruelling season for all Christ Church Grammar School's rowers.

Thus began the long training block before our first race, an incredibly important one, which would lay the foundations of a strong Boat Shed.

The racing season rolled around with the Scotch Regatta at Champion Lakes. Going in, the atmosphere of nervousness was almost tangible, but the chance to test ourselves against the rest of the PSA teams was too exciting. Christ Church put on a dominant performance in the seniors, with all crews winning with clear water on their opposition.

The insatiable work ethic of the Christ Church rowing fraternity was translated into further successes, with the School going undefeated in the First VIII, Second VIII, Third VIII and Fourth VIII for all regattas leading into the Head of the River.

An incredible turnout from the Christ Church community greeted the rowers on the 23 March 2019, the Head of the River Regatta. All four senior VIII crews looked set to complete their season undefeated, something never achieved in PSA history. The Fourth VIII, Third VIII and Second VII all won their races, a confident lead up to the main event: the First VIII race. After a strong start, Christ Church gained an early lead, taking out Hale for the 2019 Head of the River title in dominant fashion, and for the first time in five years.

Christ Church's rowers put in everything this season, with their industrious attitudes under the passionate guidance of Head Coach Simon Cox and Teacher in Charge Justin Forbes. We all are greatly indebted to our coaches and were all proud to be part of the 2019 Christ Church Rowing fraternity.

# RUGBY

## PSA CHAMPIONS

TIMOTHY PARSONS / CAPTAIN OF RUGBY

**Christ Church Rugby had one of its more successful seasons, winning the Brother Redman Cup in 2019.**

The First team was undefeated, winning a bonus point in every game. A standout match was defeating Wesley in the final round 122-0, as well as vanquishing the previous year winner's Scotch 56-5. Special mention must go to Fionn McCabe (Year 12) for scoring 182 points throughout the season as well as Tom Ball (Year 12) and Ethan Wilson (Year 11) for representing WA in the national competition.

With tremendous depth and talent, and under the excellent coaching of Mr Andy Cole and Mr Tom Jerram, CCGS was able to produce its first outright PSA Rugby win since 1966. However, this depth was made possible by the Seconds who also had an undefeated season, resulting in many of the players challenging for positions in the First team. The Year 10/11 team was also extremely successful, with nine wins and only one loss.

Junior rugby at Christ Church continued to develop this year. Unfortunately, the Year 9s struggled to win due to injuries and school camps taking their toll on numbers. Players including Harry Holmes and Nicholas Cook led from the front despite the tough contest.

The Year 8s had a very successful season, with six wins and four losses. Special mention goes to Mason Beck, Dylan Calderwood, Nicholas Coutts and Luke O'Callaghan who all show promise for the future of Church Rugby.

Finally, the Year 7s have impressed in their first year of Senior School competition, losing only two games. Special mention goes to Jakob Akhlil and Lincoln Hobbs for their efforts this season.

### FIRST XV RUGBY

**BACK ROW:** Ethan Browne, Hugo Welborn, Campbell Baird, Harry Ickeringill, Luca Wyatt, Lucas Gribble, Fionn McCabe, Patrick Mahony

**MIDDLE ROW:** Mr Andy Cole (Coach), Mr Tom Jerram (Coach), Will Davidson, Gilbert Parker, Ted Rose, Brodie Wicks, Tom Ball, James Sarre, Ethan Wilson, Mr Chris Anderson (Manager)

**FRONT ROW:** Ethan Robson, Angus Elliott-Lockhart, Austin Southam, Finn O'Callaghan (Vice-Captain), Timothy Parsons (Captain), Tom Newton, Jesse Madden, Eddie Taranto, Archer Bombara

# SAILING

JAMES BOUGHER / CAPTAIN OF SAILING

**The 2019 Sailing program was an absolute success, beginning with the WA Schools Teams Racing Championships in April at Nedlands Yacht Club.**

There were around 150 heats held over one and a half days with the Christ Church's Gold team leading the championship by the end of the qualifying round. During the finals, a change in the wind direction and strength favoured the opposition and we came a close second to Scotch. This result meant that the Gold team had qualified for nationals in Hobart. The Blue team just missed out on finals but had consistent results over the qualifying series. These boys included:

Gold team: James Bougher (Captain), Barney Woo and Sam Rose (skippers), Jasper Jones, James Ferguson and Ted Woo (crew).

Blue team: Max Shannon (Captain), Zac Sprunt and Oliver Mitteregger (skippers), Hugh Kilpatrick, Benjamin Keen and Leo Kawakami (crew).

The Australian Secondary Schools Teams Racing Championships in Hobart was a great experience for all the boys involved. The team consisted of James Bougher (Captain), Sam Rose and Zac Sprunt (skippers), James Ferguson (skipper/crew) and Harley Waterstrom-Walker, Hugh Kilpatrick, Jasper Jones and Oliver Mitteregger (crew).

Under the excellent guidance of old boy Brendon Wright and Mr Arvi Pocock, the boys had some solid days of racing. However, no racing was held on the final day due to the wind abating, resulting in the CCGS team placing equal fifth.

Meanwhile, the recreational sailors from Years 7 to 12 had smooth sailing, enjoying races and adventure sails to develop their skills.

# SOCCER

OLIVER NEWTON / CAPTAIN OF SOCCER

**Christ Church Soccer wanted to regain its title as the most successful sporting code at Christ Church over the past decade. A successful preseason tournament saw the team face its first game with confidence. Unfortunately, due to a few injured players, it resulted in a comprehensive loss to Hale away from home. Although the team's confidence was dented, the boys worked hard throughout the season, picking up points while moving slowly up the PSA table.**

Coming into the final game against a competitive Wesley side, the team was ready to put all on the line to finish with a win and to farewell the Year 12s appropriately. Having not lost a game away at Wesley in the past five years, confidence soared with an early goal courtesy of a header from Matthew Divirgilio (Year 11). We consolidated on the early lead, scoring another two goals to finish 3-0.

The results the team deserved began flowing in later in the season, which unfortunately led to the team only managing fifth place. However, this momentum is sure to be taken through into the next season with

many younger players gaining strength and experience from this season.

Congratulations must go to the award winners, Year 12s Matthew Divirgilio, Oliver Newton, Luke Martino and Joshua Torre. A massive thanks must also go out to the outstanding coaching staff we had throughout the season. Mr Mike Ristovsky, Mr Robbie Gaspar, Mr Gareth Phillips, Mr Liam Reddy and coach Mark Lee all played an integral part in another successful season for Christ Church Soccer.

## FIRST XI SOCCER

# SURFING

JACK SALOM / CAPTAIN OF SURFING

2019 was shaping up to be a season to remember, with the junior competition getting underway in waist to chest high waves at Scarborough Beach. Winning the final, Dawson Greig (Year 9) proved he was the one to beat, followed by Jake Yeo (Year 8), Tom Fox (Year 10) and Max Yeo (Year 8).

The junior bodyboarders were eager to show off their skills at Scarborough Beach. The results saw Ben Walker (Year 9) take out number one spot, followed by Sam Harding (Year 7), with Year 10s Ryan Thomas and Ethan Duffy close behind.

The senior surfing team was underwhelmed at the lack of waves on offer at Scarborough

## SURFING COMPETITION SQUAD

**BACK ROW:** Rory Johnston, Eddie Taranto, Mrs Bronwyn Fricke (Coach), Dawson Greig, Ryan Thomas, Tom Fox, Oscar Brant, Ethan Duffy, Joshua Foster, Mr Simon Hunn (Coach), Nic Hill, Jack Salom

**FRONT ROW:** Ben Evans, Julian Lester, Jake Yeo, Solomon Backshall, Sam Harding, Max Yeo, Finn Kelly, West Love

Beach. Nonetheless, the boys were keen to battle it out for a spot on the team. The results saw Jack Salom (Year 12) win, followed by Rory Johnston (Year 12), Solomon Backshall (Year 11) and Ben Evans (Year 12).

The Year 11 and 12 bodyboarders were not to be outdone by their junior counterparts, eager to show their skills in the competition held at Cottesloe Beach, with the boys welcoming a light onshore breeze. Luke Jensen (Year 11) proved too strong, beating Oscar Brant (Year 11) and Year 12s West Love and Julian Lester.

The WA School Surfing Titles Metro Zone A competition, held in August, was a great opportunity for the boys to test their skills against other schools.

Growing swells and a light breeze allowed for the perfect training ground. Christ Church proved too strong, winning the competition for the fourth time in a row. Well done to all the boys who made the finals, and congratulations to the CCGS 1 team of Sam Harding (Year 7) and Ryan Thomas (Year 10) who won the junior boys bodyboarding.

Well done also to our CCGS 2 bodyboarding team of West Love and Julian Lester who won the senior boys bodyboarding and the CCGS 1 senior surfing team of Jack Salom and

Finn Kelly (Year 11) who took out senior surfing. It was the boys' cumulative success and strong team spirit that earned them the champion school trophy for the fourth year running.

Our teams then competed in the state finals. As a consequence of bleak weather conditions, Surfing WA moved the competition from Trigg to Leighton Beach. It was, however, a wind-ravaged, seaweed-sown Leighton that greeted the boys. The surf was around chest to head height with an intermittently gusting west south westerly wind. While the conditions were difficult, they were contestable.

Two of our three teams, including senior surfers Jack Salom and Finn Kelly and the junior body boarders Sam Harding and Ryan Thomas, surfed well to advance to the quarter finals. Unfortunately, their progress ended when they were defeated by very talented surfers from Margaret River Senior High School who went on to dominate and win the champion school trophy. It was a challenging day, but good for our boys to surf against some of the best in the State.

Our thanks to Mr Simon Hunn and Mrs Bronwyn Fricke for once again overseeing the surfing program.

# TENNIS

## PSA CHAMPIONS

OLIVER NEWTON / CAPTAIN OF TENNIS

**The First VIII players, off the back of another undefeated season in 2018, came into this year's competition knowing we were going to be competitive.**

Coming into pre-season, the squad had considerable depth with a total of 12 players eyeing off eight spots in the team.

The opening fixture against Trinity was a highly anticipated match, after an extremely close previous encounter, in which Christ Church won on games rather than sets. This didn't faze the team who had a comprehensive win, 22 sets to 2.

The next game was crucial in our bid for the cup, against our neighbours Scotch College. We started well with an 8-4 lead at the break. The team felt confident, but this began to dissipate as Scotch lifted its game. There was only one match left on court and the CCGS win depended on Brendan Jones (Year 11) with the scores locked at 12-11. After losing the first set, Brendan took the second 6-2 to secure the win for the School 13-11.

The talent in the team was too strong and the rest of the PSA schools battled against us each Saturday. After two terms, the team lost only 28 sets out of 264. A very successful season resulted in perpetual awards going to Oliver Newton (Year 12), James Newton (Year 9), Zachary Viiala (Year 8) and Brendan Jones, and the team once again winning the Corr Cup.

This depth was also evident in the Seconds team who too had a very successful season, ending with a comprehensive winning set record of 186-33. The future of tennis success at Christ Church also looks promising as the depth of talent extends to our Year 7 to 9 players. Congratulations to the First team as well as all the tennis fraternity for another successful season.

# VOLLEYBALL

BRODIE WICKS / CAPTAIN OF VOLLEYBALL

**The Church volleyball season saw a fresh and eager First team ready for competition.**

Unfortunately, the first half of the season consisted of disappointing losses, with the game against Scotch our only win.

The new year kicked off with 3-0 losses against Aquinas and Wesley. Our next opponent was Scotch, sitting in equal place with us in the competition. The boys put all their effort into the game, attempting to make a comeback from 2-0. Unfortunately, we were narrowly defeated in the fifth set.

The Hale fixture did not produce the results we sought. The game against Guildford, our last for the year was intense and once again went to a deciding fifth set. The atmosphere created by the numerous cheering CCGS boys gave us confidence, however, Guildford got the better of us in the final set.

The younger members of our middle school teams showed strong potential for the future. The C team recorded five wins with Dylan Johnson (Year 7) one of the standout players; the B team had two wins with Felix Banks (Year 9) a strong performer; and the A team produced two wins with new recruit Jacob Divirgilio (Year 9) a great addition to the team. Also, Ethan Yem (Year 8) showed great form competing against mostly Year 9 teams. The Year 10 teams showed promise with the Bs producing some wins with the help of Digby Taylor. The A team had a great season with standout players Ryan Verley and Andrew Edis.

I would like to thank Mr Gareth Whitehead, Mr Graham Nolan and Mr Jeremy Power for making the season so enjoyable. My personal thanks go to the Year 12s for making volleyball so much fun and for creating so many wonderful memories over the years.

JEFFREY SHENTON / YEAR 10

## ST MARK'S SCHOOL

**To leave one's home and to embark on a journey to a faraway place is never easy. However, travelling to Boston, Massachusetts, for an exchange at St Mark's School was well worth the struggle. St Mark's is a private boarding school that prides itself on being "intentionally small, thinking big", residing in the leafy, tight-knit town of Southborough. The school itself is one of the oldest institutions for miles around, having been founded in 1865.**

The students welcomed me with open arms, into their homes and lives. Everyone wanted to know about Australia. They asked if we all rode kangaroos, if everyone was immune to snake venom and even had the audacity to ask about the Great Emu War. But I was just as curious about 'the land of the free' and the people who lived in it.

Rich in history, Boston was the epicentre of the American revolution in which the colonies of the USA decided to separate from the British Empire. This is significant to all Americans but is the lifeblood that defines Massachusetts. It is a history lover's place of worship.

Boston in the autumn is a sight to behold, with all the trees transforming into striking shades of gold, orange and red, and is a joy to photograph and capture in countless other artistic mediums.

Truly, Boston stands apart from all other cities in the US, aesthetically, culturally and historically.

## GRANT HOGARTH / ROMSEY

The OQD program and its structure provided us with a positive culture and created an incredibly tight-knit group within the cohort. This is because of the various activities and workshops that we went through together and experienced as a group. I really felt a greater connection with the Romsey cohort afterwards.

## MATTHEW MENEZES / QUEENSLEA

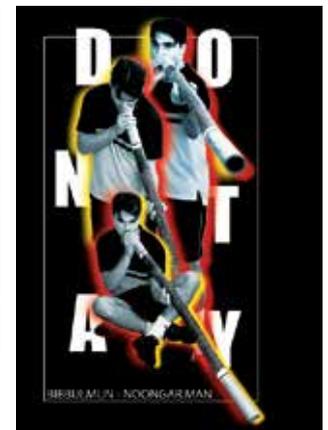

The OQD program opened my eyes to many new and different life skills that I have taken back to my family. Skills such as being able to communicate with significant people in my life and express how much I appreciate what they do for me is something the OQD program has taught me. I remember we had a session in which the group learnt how to cook a special dish, wash our clothes, iron, tie a tie and even sew a button on our shirts. These simple life skills will make me more useful at home. The time I had at OQD is something I will cherish.

## TOM ROBINS ('16) / MENTOR

Upon graduating from the School in 2016, I jumped at the opportunity to get involved with OQD, to stay involved and to give back to the School that gave me so much. I am constantly humbled and grateful at being given the opportunity to lead, mentor and build friendships with boys in OQD, and in helping run a program that I, and many in my year group, were crying out for when we were in Year 9 at Christ Church.

Title

A splash of me (self-portrait)

This is the first painting I've ever done in watercolour. I decided to work in watercolour as over the summer I got tired of using the same medium. I wanted to step out of my comfort zone and bring back the excitement of doing something new. So as a first piece, I decided to paint myself because in the likely event of messing it up I didn't want to hurt another person's feelings.

# BOYS' HEALTH AND WELLBEING

BEN DAVIDSON-PETCH, MARCUS HANDLEY AND BRODIE WICKS  
/ YEAR 12 COMMITTEE MEMBERS

**The Student Wellbeing Committee had another productive year, with the introduction of the first ever Student Wellbeing Forum and tons of fun and holistic initiatives.**

The year began with the inaugural Christ Church Camp Hero, which gave 32 of our Year 10 and 11 students a chance to develop their leadership and skills in the mental health and wellbeing domain. Year 11 camper Harry Dowling remarked, "We all learnt so much about ourselves, formed strong bonds with our peers, built our characters while also learning some extremely valuable ways in which we can help both ourselves and those around us to lead a positive and meaningful life."

The first highlight of the year was the forum, where we hosted students and teachers from WA schools to empower and equip them with a framework for a student-led wellbeing committee. We invited four old boys who were passionate about this space to discuss their experiences within the committee. We also had the privilege of having the founder and CEO of zero2hero, Ashlee Harrison, relate her experience in creating the organisation.

The second highlight was the safeTALK workshop, which was held in Term 3. Participants learnt to recognise when someone may have mental health issues and to respond in ways that link them with further help. The committee also ran initiatives throughout the year such as stress ball-making, table tennis competitions and mindfulness lunch-and-learn sessions.

Mental Health Week in October was an exciting time for the committee as it gave us the chance to promote awareness. We put on numerous activities, such as meditation in the library, and with help from the PE Department, a three-point shoot-out to promote the benefits of physical activity on our wellbeing.

We would like to thank the committee for their hard work and especially the Year 12s for their commitment over the past years, as their ideas and organisational skills have made the committee what it is today. We would also like to thank Mr Liam Casson for his leadership.

# CENTRE FOR ETHICS

SIMON HUNN / DIRECTOR FOR THE CENTRE FOR ETHICS

**This year brought a kaleidoscope of activity and learning to the School through our guest speaker program, mostly in the classroom but also to the wider community.**

Classroom talks were numerous and across subject areas. We brought authors Dave Warner, Madelaine Dickie, Jon Doust and poet JP Quinton to the English classroom, as well as James Back, CEO of Reconciliation WA, who discussed AO Neville and the Stolen Generation with the Year 9 English Extension class. We were lucky to acquire the services of academics Christopher Wortham, Dennis Haskell, Kieran Dolin and Tony Hughes-d'Aeth to lecture our Literature students. We also were fortunate enough to host a visit to the General English boys from old boy and adventurer, Matt Gabriele.

For Humanities we arranged a visit by Dr Ethan Blue and organised a talk by distinguished liver surgeon, Professor Luc Delriviere, for the Year 9 Geography cohort. In this talk Professor Delriviere detailed his dangerous exploratory adventure to the narrow plateaus of the Antarctic Peninsula in December of 2018.

To add to this, we also arranged speakers for Drama, Science and Personal and Spiritual Development (PSD). Our Theatre Arts students were lucky enough to attend a Q and A session with playwright Dickon Oxenburgh. We also managed to secure the services of old boy physicist Ben McAllister to talk to boys throughout Science Week. Our Year 9 PSD boys were blessed with a visit from Brevet Senior Sergeant Revis Ryder who earlier this year was awarded the Australian Police Medal and who is Officer in Charge of Warakurna Multi-Function Police Station, the first entirely Indigenous-run police station in Australia.

2019 also saw the Centre for Ethics continue its fruitful partnership with the Wynne Centre for Boys' Health and Wellbeing and, in this space, we were fortunate enough to co-host talks to the wider community from Dr Justin Coulson on growth mindset, Dr Jodi Richardson and Michael Grose on anxious kids, as well as the Bill Jennings' mother and son event. Also, in a partnership with our Indigenous students, we organised for Professor Colleen Hayward to address the Senior School on 'Voice, Treaty, Truth' at the NAIDOC Assembly.

2019 saw two events for the wider school community. The first occurred in September and was an event we shared with St George's College and took place at that venue. This was a talk from heritage architect John Taylor, who wrote an architectural biography of the eminent architect and soldier Sir JJ Talbot Hobbs. He gave a presentation entitled 'Hobbs 100 years ago', which looked at some of the great architectural achievements of Hobbs from 2019 to his death in 1938, also touching on his outstanding military record. The second event was a talk given by firefighter and adventurer Steve Choate

in early November. In this talk, held at Christ Church, Steve discussed his 2018 expedition across the Great Sandy Desert with a fellow adventurer and five camels. He recounted suffering days of searing heat and attacks from bull camels, as he tried to emulate the feats of colonial explorer Peter Egerton-Warburton in 1872.

In 2020, we look forward to presenting a similarly stimulating range of guest speakers to the School. Sadly, this will be done without the help, good counsel and organisational flair of the inestimable Teresa Scott.

# COMPUTER SCIENCE

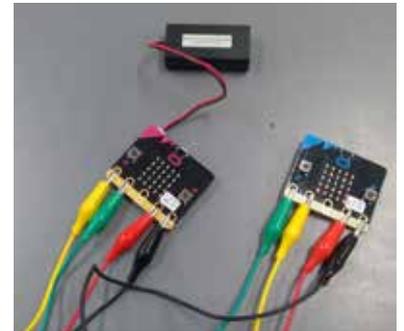

CHRIS ANDERSON / HEAD OF COMPUTER SCIENCE

**Once again, the Computer Science Department enjoyed a good year, with plenty of exciting projects developed across all year groups. Students had the opportunity to build their own computers, design and create their own games and look at how to exploit weaknesses in computer systems.**

We offered an exciting new Cyber Security course to our Year 10 students. As technology and the internet become more ubiquitous, it is increasingly important that students are aware of the potential dangers associated with keeping their data online. We also visited Edith Cowan University's (ECU) Cyber Security Centre of Excellence in Joondalup, where the boys were given an insight into the opportunities available in working in cyber security.

Outside the classroom we also had boys demonstrate their cyber security skills by competing in a number of Capture the Flag (CTF) competitions, in which teams exploit weaknesses in a computer system to find hidden messages. Four of our boys, Year 12s Alex Brown, Harry Ickeringill and Jake Palandri and Year 10 student Max Godfrey successfully competed in the inaugural PeCan CTF competition, organised as a joint venture between the Australian Signals Directorate and ECU. Our boys enjoyed a day of training and then excelled in the competition, finishing as comfortable victors.

In other year groups, courses continued to evolve as boys were given access to a range of new technologies. We started to make extensive use of micro:bit devices in several classes, allowing for a fun and interactive introduction to networks and communication. The discovery of a new Python library, called Pygame Zero, gave our Year 9 class the chance to quickly and easily make fun arcade games as part of the Mobile App Development course.

# DESIGN AND TECHNOLOGY

ALEC BARBOUR / HEAD OF DESIGN AND TECHNOLOGY

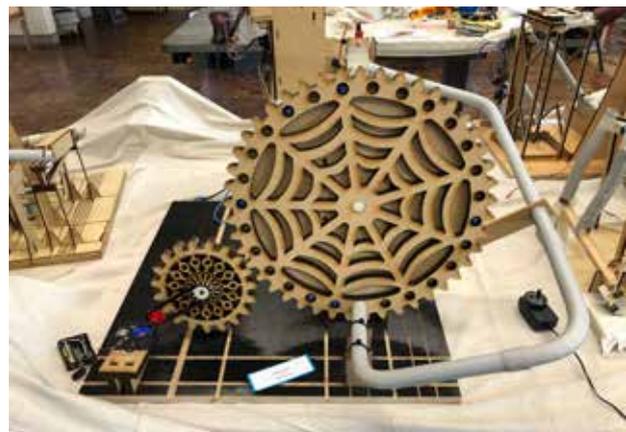

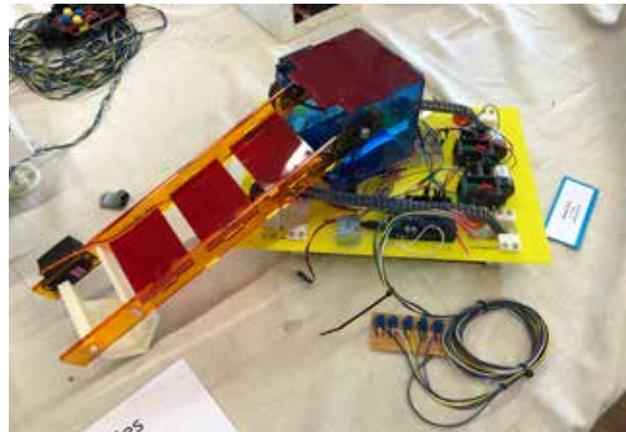

**Our annual Design and Technology Exhibition marked the end of another fantastic year and showcased the outstanding efforts of our students with the collaboration of our talented staff.**

A cat exercise wheel, mini motor bike and wave-inspired bench were just a few of the impressive works displayed as part of the exhibition. This year there was over 200 entries in 13 unique categories.

Each year we are amazed at the quality of work the students produce and this year was no exception. We had several tables and desks that would not be out of place in any showroom.

Each year our courses are designed to build upon student skills and processes covered the previous year, leading to several outstanding and unique design solutions in the senior years. Projects range from passive speaker boxes in Year 7, napkin holders in Year 8, Co<sub>2</sub> dragsters in Year 9 and segmented bowl turning in Year 10.

We are extremely proud of the students and are pleased that their time, energy and motivation has been rewarded with such fine results in 2019.

## STALKING MATILDA

BEN DREYER / YEAR 10  
KALIKA DUCK / DIRECTOR

**Early in February, 29 talented performers from five different schools gathered for the first read-through of the Midnite Youth Theatre Company's Year 9 and 10 production *Stalking Matilda*.**

Tee O'Neill's complex thriller intrigued, confused and excited the cast, drawing the players into a three-month rehearsal period filled with growth and great reward.

*Stalking Matilda* combines the classic conventions of a film-noir murder mystery with contemporary political issues, as it explores the events surrounding the death of a refugee. A chorus of narrators sew the fractured timeline together to reveal the dangers that lie in the spaces between us. This emotionally complex and physically demanding text stretched the young actors, deepening their understanding of the world and building their performance skills. The creative process of bringing a story of such suspicion, deception and division, molded the cast into a trusting, compassionate and unified ensemble.

The cast was inspired and guided by Director Miss Kalika Duck, adorned by Costume Designer Mrs Jay Waugh and brought into the light by Lighting Designer Mrs Tess Reuvers. Stage Manager old boy Joshua O'Brien, and his committed student crew assured that rehearsals and performances ran smoothly. We are so thankful for the time and energy staff and students put into the show, which created such a memorable experience for actor and audience alike. Our time together challenged and changed us; we will not forget *Stalking Matilda*.

## CHARLIE AND THE CHOCOLATE FACTORY

JACK ROBERTSON / YEAR 7

**The lights dim and the music fades. The loud chatter of the audience eases into a quiet whisper, and here begins a mystical journey to a land of pure imagination.**

Directed by Mrs Jodie Busby, *Charlie and the Chocolate Factory* was a Year 7 and 8 play with a cast of actors from local schools, such as MLC, St Hilda's, Shenton College and Christ Church.

The story is about a young boy named Charlie Bucket whose family can barely afford to put food on the table. Little Charlie, through an unbelievable twist of fate, can hardly believe his luck when he finds the fifth and final Golden Ticket to go to Willy Wonka's chocolate factory. As Charlie and his Grandpa Joe venture through the factory, the other four entitled, gluttonous, impulsive and overconfident "beloved Golden Ticket holders" suffer the consequences of their own selfish and careless behaviour. This leaves Charlie with enough chocolate for a lifetime and the greatest prize of all, Willy Wonka's chocolate factory. If only this fantastical play had Smell-O-Vision!

The costumes designed by Mrs Jay Waugh allowed the actors to truly immerse themselves in their comical and larger-than-life characters inside the multipurpose and creative set designs (by Stephanie Cullingford) and props (by Mrs Tess Reuvers and Mrs Jay Waugh), in which the chocolate factory was brought to life.

It was a marvellous play filled with delicious eatables, wild rides, fudge, chewing gum, pink flamingoes and enough chocolate for a lifetime. Those who were lucky enough to find themselves with a Golden Ticket would have enjoyed a nonsensical and ridiculous night of humour and tongue-in-cheek wit. This show had something for all. I feel incredibly privileged to have been part of this play and the experience has been unbelievable. I also believe that the friendships I made will last for many years to come. Never have I consumed so much chocolate.

# DRAMA

## THE RESISTIBLE RISE OF ARTURO UI

VARAD MUKHEDKAR / YEAR 11

**Described as a gangster play that recalls certain events familiar to us all, *The Resistible Rise of Arturo Ui* is a witty and savage satire of the rise of Hitler, recast by the famous Bertolt Brecht.**

Early in April, Year 11 and 12 boys and girls flooded into auditions, hoping to knock director Mr Gregory Jones off his feet with their polished, historically accurate monologues of Hitler and his henchmen. After performing our pieces, Mr Jones asked us to do them again, except this time playing the character as the polar opposite. At that moment we were completely taken aback. Most of us thought Mr Jones had literally lost the plot, but the truth is that *The Resistible Rise of Arturo Ui* was never meant to be 'just another history lesson'. It is an incredibly entertaining show that still leaves the audience with a strong message in mind.

The 'clown-like' concept was kick-started by a brilliant design choice – to colour every cast member's face white with a defining pair of eyebrows, inspired by one of Brecht's key influencers, Charlie Chaplin. This was to allow the audience to see the actors as an ensemble advancing to the key message, rather than singular characters going on an emotional journey.

From the very first rehearsal the talented cast of 21, along with the amazing production team, worked tirelessly to create a true Brechtian performance, full of laughter, emotion and hard-hitting scenes. From an audience perspective, the play itself felt more like a rollercoaster than a piece of theatre. This was led by the rapid and intense scene changes that took place on the corner stage of the Subiaco Arts Centre. This crafty design allowed the cast to weave under the bank of seats and pop up through the audience mid-scene. It truly was a play that put people in the centre. Special mention to the player in the title role, Jack Flanagan (Year 12), for a most outstanding performance as Arturo Ui.

On behalf of the cast, I give my sincere thanks to Mr Jones for his direction, as well as his highly committed production team for making us look like professionals on stage.

# ENGLISH

NEIL WALKER / HEAD OF ENGLISH

**The English Department continued to refine and review its programs and pedagogy to maximise the outcome for the boys. This clearly paid dividends with the 2018 Year 12 results in which students once again achieved considerable success.**

We continued to offer a huge range of lectures and workshops from visiting speakers in all year groups and thanks must go to Mr Simon Hunn and the late Mrs Teresa Scott in the Centre for Ethics for their continued support and organisation of this program. We introduced an occasional series of lunchtime readings from literary texts and also formalised a number of opportunities for upper school students to have study sessions. In our continued quest to engage students in reading, we designated an area of the English Department board to 'What I Am Reading'; an opportunity for boys and parents to read a brief review of what teachers in, and outside of, the department are reading. Students also began to contribute to this. Future plans involve the creation of 'Little Free Libraries' around the English Department in collaboration with the Design and Technology team. We also intend to introduce the Christ Church Reading Centurion program in 2020.

This year we welcomed Mr Warwick Yeates to the School and he quickly established himself, gaining the position of Teacher in Charge of Rowing for 2020. Mrs Tracey Rouhiainen will move to the Library in 2020 and we thank her for her service to the English Department over the last 18 months. Mr Rob Vickery will move from his role as Assistant Head of English at the end of 2019 to become Head of Jupp House. Rob was integral to the development of curriculum in lower school and particularly in Year 12 ATAR English, and instrumental in the development of greater rigour in assessment rubrics, which allow students more opportunity for reflection. We wish him well and thank him for his hard work and enthusiasm.

# HEALTH AND PHYSICAL EDUCATION

LUKE FARMER / HEAD OF HEALTH AND PHYSICAL EDUCATION

**The department had a vibrant year, with boys from Kindergarten to Year 12 involved in physical activity and Health and Wellbeing classes.**

There were many new initiatives which benefitted the boys. Of particular note was the House competition, held during Year 9 double periods and won by Craigie House, as well as old boy tutoring and laboratories in ATAR Physical Education Studies. A focus on fundamental movement skills and swimming lessons by Kirby Swim in Preparatory Physical Education classes were other enterprises.

The introduction of the Christ Church 1K – a running track through the School – is to encourage Prep boys to be active, by running it in the morning and during their annual lapathon, with Senior School boys using the track as a part of their warm-up for PE classes.

Perhaps the most exciting aspect of 2019 was the opening of the new water polo pool, which forms part of the joint Aquatic Precinct with MLC. This, along with the total refurbishment of our changerooms, means we are able to provide a first-class facility for the boys and our wider community.

# HUMANITIES

PATRICK PARKER / HEAD OF HUMANITIES

**Humanities at Christ Church encompasses a diverse range of subjects and topics. 2019 proved an enjoyable year, with our department focusing on the consolidation of the Western Australian Curriculum and the ongoing refinement of the boys' learning and our teaching.**

Some specific subject highlights from the past year included:

## ANCIENT AND MODERN HISTORY

The Year 7 History Extension classes visited the University of Western Australia (UWA) Classics and Archaeology Departments where Senior Lecturer Dr Lara-Louise O'Sullivan put the boys through their paces on Ancient Greek sources. The focus was the ancient Olympics, and our boys impressed the university staff and undergraduates with their knowledge and analytical skills. UWA lecturer and American history specialist Dr Ethan Blue visited Christ Church, speaking to our Year 11 Modern History classes on a range of topics from the 19th and 20th centuries. The visit coincided with the boys' current exploration of capitalism in the US during 1907 to 1941.

## CAREER AND ENTERPRISE

In preparation for work experience, students undertook a formal 20-minute interview with Mrs Annette Boyle, a Christ Church parent experienced in recruitment. In preparing for the interview, the boys had to find a suitable

job on Seek, complete application forms, create a resume and put together an employment portfolio.

Students doing Career and Enterprise completed two work placements this year. We had boys working on the Svitzer tug boats at Fremantle Harbour, preparing meat at Mondo di Carne butchers, assisting the sports teacher at Cowaramup Primary School, helping to service cars and trucks at Totally 4x4, and learning how to run an office at the Town of Mosman Park, just to name a few.

## ECONOMICS, ACCOUNTING AND FINANCE, INVESTING AND ENTERPRISE

A small group of Year 12s attended the Student Economics Forum, organised by Chamber of Commerce and Industry WA together with the Economics Teachers' Association of WA. The boys engaged in interactive exercises that challenged and stimulated their understanding of economics within key business environments. All our Year 12 Economics classes visited Curtin University for presentations on current economic trends and forecasts and had the opportunity to hear from the author of their textbook, Steven Kemp, on examination technique. The Year 10 Investing students visited the UWA Trading Room, run by Dr Lee Smales. He explained the different ways of analysing share prices and share value, and then ran a simulation share market trading game for the boys to apply some of the principles he had taught.

# HUMANITIES

## GEOGRAPHY

Year 11 students visited Rottneest Island to collect data on ecotourism, Year 12 Geography boys visited Point Walter and travelled across the Perth urban area looking at climate and land cover change mitigation and planning strategies, while the Year 10 Geography classes visited Point Peron and Port Coogee in their study of coastal processes and management. Year 9 geographers visited the zoo as part of their unit on biomes and enjoyed a presentation, from prominent liver and kidney surgeon Professor Luc Delriviere, on his fascinating expedition across Antarctica, while Year 7 Geography students visited Montario Quarter, Shenton Park and Bayview Terrace, Claremont, examining the liveability of places.

## PHILOSOPHY AND ETHICS, POLITICS AND LAW

Philosophy students enjoyed a number of guest speakers this year: Dr Nin Kirkham, Head of Philosophy at UWA, on critical reasoning; Dr Chris Letheby, Philosophy lecturer at UWA, on the philosophy of science; and Dr Lachlan Umbers, also from UWA, on the right to vote in democracy and political philosophy. Mr Mitch Barrington (2014), an old boy, presented his honours thesis on epistemology to the Year 11 Philosophy and Ethics class. Students also participated strongly in the Ethics Olympiad and Philosothon.

As part of the Year 9 Civics and Citizenship unit, all Year 9 boys attended the Parliament of Western Australian, the Constitutional Centre of Western Australia and the Electoral Education Centre, where they learnt about the processes, procedures, systems and structures of WA's political and legal system.

Boys also participated in the PSA's inaugural academic event of Model United Nations. Boys competed in teams of three, representing China, Sweden and Vietnam. Each team member had a role as either speaker, researcher or negotiator. Our boys performed incredibly well and were successful at prosecuting their countries' agendas. Ed Stoddart (Year 10) received an adjudicator's choice award for best speaker, whilst the boys representing Sweden were voted third best team, out of 16, in the peer voting.

Other notable individual achievements by Humanities students included:

- Chris Law (Year 12) was runner-up in the UWA Classics and Ancient History Essay Competition;
- Christ Church came second in the Philosothon with Kartikeya Kaushal (Year 11) awarded most promising philosopher on the night;
- Year 10 students finishing in third place overall in the Ethics Olympiad;
- Year 11 Economics students took part in the ASX Sharemarket Game (2) with Theo Browne (Year 11) runner-up in WA;
- Year 8 students Seville Cooper, Tom Edibam, Ben Kao, Charlie Mill and Lachlan Story all received High Distinctions in the Australian History Competition;
- A number of Year 10 History Extension students took part in The Simpson Prize competition, with Ed Stoddart and Nicholas Tan receiving Highly Commended for their entries;
- The following students were in the top one per cent in their respective age categories in the Australian Geography Competition: Alex Molyneux and Andy Wu (Year 7); Callum Breen, Joshua Chen and Harry Della-Vedova (Year 9); and Tom Heyning and Aditya Muthukattu (Year 10).

Finally, as part of the global perspective we bring to all our subjects, it was also a highlight to host students from St Paul's College in Hong Kong, continuing our long association with the school. We look forward to 2020 when we hope to have a reciprocal visit, as well as to our other Humanities exchange school, Hwa Chong Institution in Singapore.

# INDIGENOUS PROGRAM

MICHAEL RALPH  
/ INDIGENOUS PROGRAM CO-ORDINATOR

**The Indigenous boys started the year by attending the Welcome to Country celebration at Kings Park and catching up with other PSA boarding students.**

The First XVIII Indigenous players, including Dontay Bolton, Kalani Brooks, Isaiah Butters and Liam Henry, designed the Indigenous football jumper which was worn against Trinity in the annual Indigenous Round. The Christ Church First XVIII won, with Dontay and Isaiah playing well.

The School celebrated NAIDOC Week in Term 3. The week commenced with a Staff versus Indigenous boys' basketball game which was a fantastic event, with the staff taking the honours by two points. On the Wednesday night, the annual NAIDOC Week Art Exhibition was held. This year the boys celebrated the theme of 'Voice. Treaty. Truth.' by painting and learning to play the didgeridoo, with the help of Nyoongah dancer and musician Olman Walley. The night was remarkable with the boys mastering the complex sounds made by the instrument. The annual NAIDOC Week Assembly was led by the boys on Thursday. Special guest, Professor Colleen Hayward AM, Head of Edith Cowan University's Centre for Indigenous Education and Research, spoke about the NAIDOC theme and its importance. The boys then performed a traditional dance and played the didgeridoo.

We congratulate Liam, Dontay, Isaiah and Jaaron Davis on graduating. The boys are excited about life post-Year 12. In 2020, Jaaron will be undertaking a Pre-Medicine and Health Sciences Indigenous course at Curtin University; Liam and Isaiah will be playing AFL football; and Dontay is applying to become a police officer. We are very proud of their achievements.

# LANGUAGES

VINKO SHAIN / HEAD OF LANGUAGES

## LINGUISTICS OLYMPIAD

Term 1 saw 20 of our top Year 9 and 10 students participate in the annual Australian Computational and Linguistics Olympiad (OzCLO). In teams of five, the boys competed against each other as well as teams from across Western Australia. The results were very pleasing with three teams achieving bronze certificates and two achieving gold. Our gold medallist teams were Year 9 students Joshua Chen, Jason Liu, Kenneth Lo and Krish Mall, and our Year 10s were Isaac Ching, Ryan Choi, Daniel Zhou and Andy Zhuang.

## OUT AND ABOUT

There were many opportunities for our students to appreciate the cultures of the languages they study. Our Year 7 Chinese classes enjoyed a day of immersive Chinese activities at the UWA Confucius Institute. The boys tried kung fu, wrote calligraphy and of course, ate as many delicious dumplings as they could. Our Year 9 Chinese classes enjoyed a Term 4 excursion exploring Northbridge's Chinatown district.

The Year 12 French cohort showed great enthusiasm to immerse themselves in all things French on offer in the city. In Term 1, the group spent an enjoyable evening taking in the French film *Au bout des doigts*. Just prior to their trial examinations in September, the group marked the end of their French studies at Christ Church with a fine dining experience at French restaurant P'tite Ardoise Bistro.

## JAPANESE EXCHANGE

Early in Term 3 we welcomed 15 boys from Hotoku Gakuen High School in Japan for an immersive 12-night homestay program. The Hotoku boys proved very effective in the Years 7 to 10 Japanese classes, allowing our boys to practise their Japanese while also helping our guests with their English. The group experienced all that Christ Church had to offer – from excursions with their host brothers to participating in PSA trainings and fixtures. We thank all host families who assisted with accommodating these 15 boys, as without them, such amazing experiences would not be possible. All eyes are now fixed on our trip to Hotoku Gakuen in 2020.

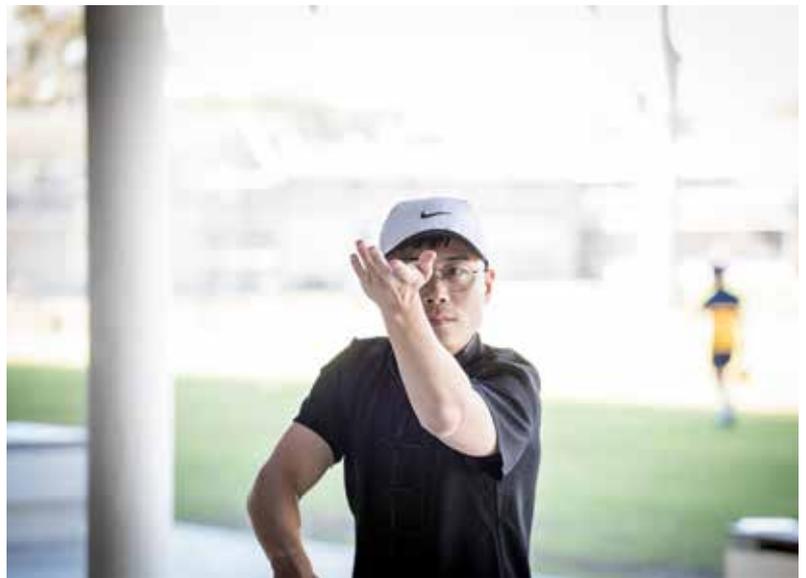

## LANGUAGES WEEK

Our Year 7 and 8 Japanese students saw their classrooms transformed into a sushi bar for a Makizushi Taiken experience. On the menu were vegetarian, Californian, tuna and teriyaki chicken rolls, all proving very popular. The boys received expert guidance in assembling, rolling and, of course, eating their creations and did their best not to leave a single piece behind. The Year 8 and 9 Chinese classes were able to appreciate the martial arts, participating in kung fu lessons with a master instructor. The week saw two renowned vendors bring French and Japanese food to Christ Church. Crêpes de Paris were an immediate hit, with queues of hungry boys lining up at recess and lunch breaks just to get a taste. In line with the day's theme, a local French music duo played at lunchtime as the sun shone and the boys (and staff) tucked into their delicious crêpes.

We went from sweet to savoury the following day, with Oishii Japanese food truck offering takoyaki, bao buns, Japanese curry, chicken katsu and more. The Languages Department combined with the Year 8 Science Extension class to conduct a Biology class completely in Japanese. Dissecting and identifying sections of the heart in Japanese proved challenging, yet rewarding, as the boys learnt a new set of specialist jargon and terminology. The students were also joined in the classroom by staff participating in one of three lunchtime beginners' language workshops. Staff also showcased their skills in Iron Chef Christ Church, with Mathematics teacher Mrs Jeanette Fogarty taking out first place with her creations.

## LANGUAGES

### ALLIANCE FRANÇAISE EXCELLENCE

Year 10 to 12 students sat the annual Alliance Française Examination, with Max Martin (Year 12) achieving one of the top marks in the State. Two Christ Church boys, Finn Lip (Year 9) and Lucas Hogan (Year 10) achieved second place in their respective categories in the poetry competition. The boys were invited to a prize-giving ceremony in November and Lucas Hogan, the final awardee on the afternoon, astonished the crowd with his inspiring rendition of 'L'isolement (Isolation)' by D'Alphonse de Lamartine.

### ON THE AIRWAVES

2019 saw the Lens on Languages podcast go live. On the new forum, for students to connect with what's happening in the world of languages, we discussed with past and present students an array of topics from approaching ATAR examinations to continuing language studies at university.

### CONNECTING WITH PERTH'S JAPANESE COMMUNITY

During Languages Week we inaugurated an association with the Japanese School in Perth (JSP). Our Year 9 Japanese class had the chance to visit JSP and present their picture books to the Year 4s. The boys worked tirelessly in the lead up and made themselves proud on the day by pushing their spoken Japanese to another level. The boys also tried their hands at traditional Japanese games and calligraphy, providing the Year 4s with plenty of laughs throughout the morning.

### VIDEO MATSURI NATIONAL WINNERS

It was a very proud moment for a Christ Church team to be crowned winners in the Japan Foundation's Video Matsuri short film competition for the first time. The Years 7 to 9 boys who participated are congratulated for their time, effort and expertise in creating something so entertaining. The Christ Church entry, *Ohashi no kurou* (*Chopstick Struggles*) was judged equal first place in the Junior Secondary category, against over 70 other schools from across Australia.

# LIBRARY

LIA DE SOUSA  
/ HEAD OF SENIOR LIBRARY

At the Senior Library in 2019 we...

- ... read over 1000 books (and that's not counting e-books).
- ... played, and created, games with friends.
- ... studied for tests and exams.
- ... welcomed the Year 6s from the Preparatory School.
- ... completed work experience.
- ... researched countless topics.
- ... filmed vodcasts.
- ... listened to visiting authors.
- ... learnt new skills.
- ... discovered new favourite texts.
- ... got help with homework.
- ... shared our interests with MLC and St Hilda's students.
- ... sent (and received) postcards to students in England.

# MATHEMATICS

MEGAN WEST / HEAD OF MATHEMATICS

## The Mathematics Department had a busy, successful and competitive year beginning with the Have Sum Fun competition held in March.

Teams performed strongly, with the Year 11 team placing sixth, the Year 12s seventh, the Year 9s third and the Year 10 team sixth. In the Year 9 competition, there was a very close battle for first. We finished one point behind, but ultimately placed third due to time taken to complete the tiebreaker questions. The Year 7 and 8 teams also performed strongly, even though they were one member short. They finished second and seventh respectively.

The Computational and Algorithmic Thinking (CAT) competition took place in April. One hundred and eighty-eight boys braved the 7.15am start, with six boys achieving perfect scores. They were Xiangyu Huang (Year 7), Ryan Tang (Year 8), Samuel English (Year 9 and best in school), Year 10s Ben Nowrojee and Oliver Powell, and William Thomas (Year 12). We also received 39 Distinctions across the six different year groups, all above the State average.

The Mathematics Enrichment program ran from April to September, for a period of 16 weeks. This challenge is unique, as boys are required to work through information and then practise before attempting their final questions for submission. The questions are often above the level of the Australian Curriculum and give the boys a unique opportunity to improve their communication using mathematical language.

Year 7 and 8 students sat the Euler Enrichment Questions, Year 9s the Gauss Competition and Year 10 the Noether Questions. We had an excellent uptake, with 23 boys starting the enrichment program and submitting answers to the questions. We achieved outstanding results. Of particular note were the High Distinctions achieved by Jeremiah Wang (Year 7) in Euler and Joshua Chen (Year 9) in Noether.

This program also gave the boys, especially the Year 10s, excellent grounding for the Australian Mathematics Competition (AMC) in August and the Australian Intermediate Mathematical Olympiad (AIMO) in September.

In the AMC, 218 boys sat the challenging 75-minute competition which ran over different times of the days, with the Year 11 and 12 boys starting at 7.00am. Results were fantastic with two medals awarded to Andy Wu (Year 7), who achieved a perfect score, and to Joshua Chen (Year 9) who achieved 125 out of a possible 135. Harold Smith (Year 8) and Matthew Bailey (Year 9) also achieved prizes in their respective year groups. Overall, we achieved 38 High Distinctions, placing the boys in the top one per cent of the State, and 88 Distinctions, equating to being placed in the top five per cent. Again, Christ Church boys performed above the State average in all year groups.

The AIMO took place at the end of September, with seventeen boys participating. Joshua Chen (Year 9) won a prize and was invited to attend the Australian Olympiad Training camp. Other

significant results included Isaac Ching (Year 10) and Emil Ong (Year 10) who achieved Distinctions and Andy Wu (Year 7) who achieved a credit, only just missing out on a Distinction.

We finished the year with the Western Australian Junior Olympiad, held at UWA in October. This competition is open to Year 7 to 9 students and Christ Church entered six teams. Our Year 9 team won first prize with 109 points. Five individual prizes were awarded to Year 9 students Joshua Chen, Krish Mall and Sean Morgan, and Year 7s Jeremiah Wang and Andy Wu.

## MUSIC TO THE FORE

### Friday 29 March

At the annual Music to the Fore concert, the large audience enjoyed the vast array of musical talent, from rock bands, guitar duos to a string quartet. The Friends of Music group organised food vans and the occasion had a wonderfully relaxed ambience. Well done to all performers.

## CCGS/ST HILDA'S COMBINED CONCERT

### Friday 3 May

The annual CCGS/St Hilda's Combined Concert showcased a fantastic display of musical talent. There was a wide array of ensembles performing during the evening, playing jazz, classical and modern repertoire.

The Concert Band started off the night with a mesmerising performance of Brian Balmages' atmospheric piece *Hypnotic Fireflies*, before livening up the concert with music from the film *Pirates of the Caribbean*. The Symphony Orchestra was next to take the stage with audience favourites Beethoven's *Symphony No. 5* and *Bacchanale* by Camille Saint-Saëns, displaying the prowess of the players. Jazz Band enlivened the evening with four pieces, including *Cerezo Rosa*, *Do You Know What it Means to Miss New Orleans*, *So Danco Samba* and *The Blues Walk*. Providing a mellow contrast in the middle of the concert was St Hilda's Barbershop, which performed a beautiful arrangement of Billy Joel's *The Longest Time* and Mumford and Sons' *The Cave*. The Saxophone Ensemble's selection of *Funk Dunk* and *The Sound of Silence* was performed impeccably as was the String Orchestra's performance of the *Charterhouse Suite* and the *Capriol Suite*.

To conclude a wonderful concert, all students took to the stage as part of the Combined Choir and Orchestra to perform six movements from Mozart's fiendishly difficult *Requiem*. The Christ Church and St Hilda's students rose to the challenge and sang with brilliant phrasing and musicianship.

### ST GEORGE'S CATHEDRAL CONCERT

**Wednesday 15 May**

The Music Department chose eight talented soloists, from Years 7 to 10, to perform in the St George's Cathedral 'Concerts at One' series in Term 2. The boys performed to an audience of approximately 130 people, many from nearby businesses and offices. Jeremiah Wang opened the concert with some very spirited Chopin, and this was followed by outstanding performances from Daniel Zhou, Jamie Low, Josh Spirek, Joshua Chen, Jun Yang Yap and William Ji. Arjun Rodrigues (Year 7), the youngest performer, performed four short pieces with real poise and aplomb. Well done to all students for their professionalism and concert etiquette.

### SCHOLARS' RECITAL

**Tuesday 11 June**

The nine Christ Church Music Scholars performed in the CLC Foyer to an attentive audience of parents, family and friends, instrumental teachers and staff. All performers, including Jai Rodrigues, William Wu, Ben Kao, William Ji, Joshua Chen, Daniel Zhou, Christian Wong, Arman Brian and Zachary Cheng, played beautifully. The performances from William Wu (*Viotti Violin Concerto*), William Ji (*Dvorak's Cello Concerto*) and Christian Wong (*Blues for Benni* by Eduard Putz) helped create an evening of very accomplished music making.

## JAZZ @ ELLINGTON'S

**Monday 24 June**

Christ Church jazz bands enjoyed a sell-out night at The Ellington Jazz Club, which featured our four jazz ensembles – Saxophone Ensemble, Jazz Band 2, Jazz Band 1 and Jazz Combo. We welcomed back Ms Stephanie Balfour as MC who once again did a fabulous job.

The jazz commenced with the five-piece Saxophone Ensemble playing a variety of tunes, from the delicate tones of *The Sounds of Silence* through to a rousing *Funk Dunk* to end the set. Guest appearances from Year 9 students Thomas Salter on drums, Samuel Robins on percussion and St Hilda's woodwind tutor Matthew Kidd capped off an energised line-up of players.

Next in line was the spirited Jazz Band 2 with members ranging from Years 7 to 9. The 23-piece group displayed tight section work and inventive solos during the seven-song set. Songs included the up-tempo minor shuffle *Fat Cat*, and the medium rock piece *Lean on Me* with the vocal debut performance by Year 8 student Jamie Kafetzis. Many thanks to our guest old boy James Chapman (2017) on trumpet and music teachers Glyn McDonald and Christine Counsel.

After a brief interval and changeover, it was time for the senior 16-piece ensemble Jazz Band 1 to play. A swinging *Blue Skies* opened up the set followed by Frank Sinatra's *My Kind of Girl*, featuring Samuel Claxton (Year 11) on vocals. A little later, a rollicking *Sing, Sing, Sing* filled the venue with drummer Thomas Salter soloing up a storm.

Jazz Combo was the final group of the night, which saw the 11-piece unit playing music by Duke Ellington, Herbie Hancock and James Brown, plus a wide variety of styles ably played by the instrumentalists in the group. In addition, vocalists Mitchel Rocchi (Year 12) and Samuel Claxton pulled out all the stops on *I Feel Good*, *It Had to Be You* and *Fly Me to The Moon*.

It was definitely a top night and one to remember, with excellent performances from all the jazz boys. Many thanks to all parents, friends, teachers and guest musicians who attended, as well as the top-class staff at The Ellington Jazz Club.

## SOLI '19

**Saturday 7 September**

Nine Year 12 musicians performed in Soli '19, held in Hadley Hall at MLC. The large and very receptive audience enjoyed hearing an incredible array of pieces and styles of music. Those performing were Eric Pan, Joshua Anderson, Nicholas Tan, Alexis Chin, Andrew Triglavcanin, Tom Salter, Mitch Rocchi, William Hart and Sam Whitby. The incredibly virtuosic Rodriguez *Guitar Concerto*, played by Alexis Chin; *The Devil Went Down to Georgia*, with William Hart on violin; and closing number Led Zeppelin's *Achilles Last Stand*, with Tom Salter on drums, were just some of the standout musical items.

### ROCK WORKSHOP

Rock Workshop is an exciting and engaging program open to students throughout the Preparatory and Senior schools. It provides a platform for boys interested in contemporary music to play in bands with their peers, learn covers and write and record their original songs. There are several performance opportunities available to these bands, including Chapel performances and gigs at local venues, such as Mojoes in North Fremantle.

The Christ Church Rock Workshop – Mojoes' Edition was held on Sunday 30 June and saw a total of 15 bands grace the stage. Artists such as Arctic Monkeys, Queen, Soundgarden and Ocean Alley were well represented and each band performed confidently to a sizeable and eager audience. Special mention must go to Year 11s Arman Brian and Matthew Preston who silenced the boisterous crowd with captivating solo performances of their original songs.

The mid-term break in Term 3 saw the four Senior Rock Workshop bands hit the studio. The aim of this weekend is for students to gain studio experience, learn about the recording process and, most importantly, capture inspiring performances of their original material.

The final gig of the year was held on Sunday 10 November in the Chapel Forecourt. Again, all 15 bands took to the stage with conviction and were rewarded with positive feedback from the responsive audience. Plenty of original material was performed on the day, as well as hit songs by Adele, The Rolling Stones, Lynyrd Skynyrd and many more.

# PETER MOYES CENTRE

AMY PORTER / CO-ORDINATOR OF SENIOR PETER MOYES CENTRE

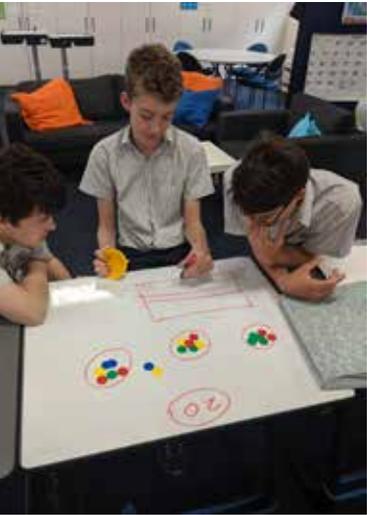

**2019 was another positive and fulfilling year in the Peter Moyes Centre (PMC). The boys continued to work on their individualised programs and made pleasing progress across a variety of academic and personal domains. Highlights from the year included:**

- Participation in the Associated and Catholic Colleges of WA (ACC) Inclusive Sports carnivals, particularly the 'No Limits' swimming and soccer carnivals in which the boys walked away with the champion shield;
- The increased popularity of the PMC Dirt Away Car Wash;
- Co-ordination of and participation in The Humble Project;
- The Year 12 Ball and PMC Leavers' Party for our two graduating students, Julian Pizzino and Ben Strong;
- Year 10, 11 and 12 work experience in the Senior School Library, Physical Education Department and Canteen, as well as Claremont Therapeutic Riding Centre, ParaQuad Industries, Westcare and City Farmers;
- The Outdoor Education program, notably Venture and Year 7 Camp;
- Breakfast and Lunch Club;
- MasterChef cooking challenges;
- Lego Club;
- Completion and successful moderation of Year 12 Award Scheme Development and Accreditation Network (ASDAN) portfolios;
- PMC Friday afternoon sports program, including access to stand-up paddleboarding, boxing, trampolining and swimming.

I would like to thank all staff who worked closely with the PMC students, helping them gain the most from their educational journey. Thank you also to our parent community for their ongoing support and continued advocacy for their sons and the PMC.

# SCIENCE

EDWARD HOGG / HEAD OF SCIENCE

**It is with utmost pride that I write news of the exciting happenings and achievements in Science at Christ Church.**

'Destination Moon' was the direction staff and students found themselves embarking on in Science Week, discovering past missions to the Moon and space programs that have solved some seemingly unsolvable problems. With photography competitions, a huge space Lego build in the library and numerous class activities, students were able to explore some of their passions. The much sought-after accolade of being crowned best junior and senior scientific minds at Christ Church in the annual Science Quiz, again featured prominently. We were lucky to hear from old boy Ben McAllister, who spoke about life as a scientist and enthralled students with his research into dark matter and other mysteries of the universe.

2019 again saw CCGS Science students produce outstanding results across a variety of competitions. Resilient and steadfast, our Years 10 and 11 Science Olympiad students flexed their mental muscles through a series of challenging questions, designed to find the most able students to represent Australia. We saw seven Christ Church students achieve

High Distinctions, placing them in the top 10 per cent of students across Australia in either Biology, Chemistry or Physics. Sincere congratulations to Ben Davison-Petch (Year 12), who built upon his success at the Olympiad Summer School by going on to represent Australia at the Asian Physics Olympiad.

In the Australian National Chemistry Quiz, 192 students across all years were selected to compete and produced fantastic results. Held in over 20 countries, our boys were awarded 21 High Distinction Excellence awards for outstanding performance and 69 High Distinctions, which are awarded to the top 10 per cent of students in the State. All of these results are a truly wonderful achievement for the boys, but also a reflection on the high-quality teaching within the Science Department.

Psychology continues to engage large numbers of boys with its broad application to a variety of disciplines. This year, a Year 9 Psychology program was added to our classes. Thanks to a parent grant, Mindz Brainplay provided an engaging and hands-on incursion, which helped boys visualise brain function and watch neurons fire in real time through electroencephalogram (EEG) headsets.

With the rich diversity of Western Australia's flora and fauna found in this world-renowned biodiversity hotspot, it is important we continue to make our students aware of the fragile but exciting environment that surrounds them. Our Year 7 students visited Herdsman Lake through our continued involvement with the WA Gould League, exploring its rich history and significance, and having the opportunity to put into practice their biological sampling skills, observation, water testing and assessment. Our Year 11 Biology Camp continues to build on these skills with students heading to the Perth Hills to assess and identify flora and fauna, explore the biomass and the various biological relationships comprising our natural world. They continued on to Hillarys to explore aspects of marine science and biology, further extending their practical learning.

At Christ Church, we have a hands-on, practical approach to engage students and consolidate theoretical learning in the sciences. Understanding the natural and physical world is an integral part of the jigsaw in developing our students to be well adjusted, rounded global citizens and future agents of change.

# HEAD OF PREPARATORY SCHOOL

STEVEN MALES / HEAD OF PREPARATORY SCHOOL

**This year, the course of the Preparatory School took a new and exciting path. The new school was officially opened on Wednesday 6 February by The Most Reverend Kay Goldsworthy AO, Archbishop of Perth. For the first time in its history, the Preparatory School became a Pre-Kindergarten to Year 6 school with a full complement of year levels. I acknowledge all the people involved in the planning, designing and building of this world-class facility for teaching and learning.**

2019 also saw the unveiling and official launch of our new Houses in Manjar Square. With the aid of Nyoongar elder Dr Richard Wally OAM, the 2018 House Captains researched

Australian native animals to find new names and symbols to attach to our Houses. The captains settled on Wardung (Australian raven), Kearla (dolphin), Karda (goanna) and Yonga (kangaroo).

Over the course of the year, the boys were involved in a range of activities and competitions:

- Our Year 6 classes travelled to Canberra to learn more about the Australian Government.
- The Mathematics *Have Sum Fun* team competed at Aranmore Catholic College and was able to defeat Hale in a tiebreaker to take out first prize.

- Ari Fisher (Year 5) and Edward Keogh (Year 4) were awarded gold medals in the Senior and Junior Speakers' Challenge respectively.
- Many of our boys competed in the various ICAS competitions with 81 High Distinctions and Distinctions awarded. Declan Chan (Year 3), Justin Goh (Year 5), Max Harrison (Year 6), Aidan Lim (Year 6) and Narendran Reddy (Year 6) achieved the highest possible scores and were awarded medals.
- The Preparatory School won the Championship Shield at the WA Primary Schools' Orienteering Championships.

- The Future Problem Solving team, as part of the Centre for Excellence, represented the State at the nationals in Brisbane, where they competed against other students across Australia.
- 2nd place in the da Vinci Decathlon for both Year 5 and Year 6 teams.
- The introduction of a broader Year 7 transition program, under the guidance of Mr Angus, Mr Pyefinch, teachers of Year 6 and the Senior School, further prepared our Year 6 boys.
- The boys involved in the Learning Development Centre continued to be provided with tailored support, demonstrating some wonderful stories of success.
- 2019 saw the introduction of the Innovation Space into our teaching and learning program, and the promotion of eating fresh fruit and vegetables via the Crunch and Sip initiative further highlighted the importance of healthy eating across the Preparatory School.
- Our musicians impressed us with their involvement in the Fremantle Eisteddfod, Combined Choir performances at St Hilda's, Concerts on the Lawn, and the concert band performed music from *Pirates of the Caribbean* on Orientation Day.
- In Drama, a highlight of the year was the Year 6 production of *What a Knight!* with many boys taking up the opportunity to perform in front of friends and families over four nights.

The promotion of reading continues to be a top priority and this year the Preparatory School was fortunate to have a range of visiting authors. These included Australian Children's Laureate Morris Gleitzman, inspiring slam poet Zohab Zee Khan and Australian author and illustrator James Foley. Andy Griffiths also launched the latest addition to his famous Treehouse series – *The 117-Storey Treehouse* – in the Chapel.

Vertical House Groups and House activities forged tremendous House spirit. Each House undertook an activity to support the broader community. Some of these included Redkite Day, The Fred Hollows Foundation, Youth Focus and the Cambodian Children's Fund.

To Mr Alan Jones and the Christ Church community, thank you for all your support in my first year at Christ Church. I enjoyed every moment and continue to learn more about all of you, and the role you all play in defining who we are as a school.

**RACHAEL DURSTON**  
**VICTORIA WISKER /**  
**CO-ORDINATOR OF THE CENTRE**  
**FOR EXCELLENCE**

Rachael Durston joined Christ Church at the beginning of 2011. Originally from Perth, she had lived and worked for many years in London as a class teacher and Special Educational Needs Co-ordinator. Rachael was pleased to be employed as the Pre-Primary to Year 2 Learning Development Centre (LDC) Teacher and worked hard to develop the programming, teaching, assessing and tracking in this role. Many boys benefitted from her support in developing their reading, writing and spelling skills. In 2015, Rachael took on the role of Co-ordinator of the LDC and taught support classes in Literacy and Mathematics across Years 3 and 4.

2016 saw Rachael move back into a classroom teaching role and acting Pre-Primary to Year 2 Co-ordinator, taking over PPHM while Holly Miller was on maternity leave. This

position became permanent when Holly became Deputy Head and Rachael continued co-ordinating and teaching across Pre-Primary to Year 2. Many boys in the Preparatory and Senior School will remember being taught by Mrs Durston in the LDC, as a class teacher or as the Chess Club Co-ordinator. She also gave generously of her time by attending numerous Year 6 trips and two Future Problem Solving trips, a number of Sony Camps and a Service in Action trip with Year 11s to Cambodia.

Rachael leaves CCGS to move with her husband and Ruby the dog to live in Melbourne. Always up for a new adventure, she takes on the role of Literacy Coach for staff from Pre-Primary to Year 5 at Bialik College in Hawthorn. She is looking forward to driving across the Nullarbor, the new opportunities for travel and the cultural activities that living in Melbourne will offer. Her calm and caring nature will be missed by the boys, staff and parents and we wish her well.

# KARDA GOANNA

## HARRY BILLINGHAM AND AIDAN LIM

Being Karda House Captains in Term 1 was a dream. At the House Athletics Carnival, we were tasked to lead Karda with chants to motivate our gold-shirted boys to run harder than they had ever run before. After a series of nailbiting races, our work paid off and we were crowned the greatest House! The boys supported each other as well as they ran. It was a privilege to represent our House under its new name, Karda.

## CAMERON BAKER AND NICHOLAS WANG

Term 2 was a fantastic term as we were House Captains as well as buddies. We had the Cross Country Carnival; everyone chanted and cheered for the Karda boys and even the other Houses. It was amazing to see so many gold-shirted boys crossing the finishing line and we could hear the screaming from hundreds of metres away. After all of the hard work, Karda took second place, only one point behind Kearla. Even if we didn't win the carnival, we all won because we gave it our best!

## FLYNN CRAIG AND JAKE HASHEM

Term 3 was very eventful and exciting as it saw all the Houses participate in the spectacular annual event known as House Shout. Every student from Karda put in their best effort to learn the song and choreography. As the weeks went by, everyone improved and thought we were bound to win as we had a fantastic song in *Don't Stop Believin'* by Journey. When it was finally time to perform, we gave our best effort yet and everyone was full of hope. As the results were read out we heard the word 'Karda', and the Chapel erupted in happiness.

## OLIVER DI GIROLAMI AND OSCAR HACKING

Term 4 was action-packed and came with a myriad of activities ranging from sport to academic excellence, especially for the Year 5s and 6s. Karda is a unique House with great personality traits and strong characters. In addition, it's necessary to thank our rightful Irish king, Mr O'Driscoll, who has been an influential, kind and helpful House Co-ordinator. We hope the best for Karda in the coming years. LET'S GO KARDA!

# KEARLA DOLPHIN

SAMUEL HURWORTH / YEAR 6

Term 1 was a truly amazing term for Kearla. Partly because of the introduction of our new name (Nyoongar for dolphin) and the new building, but also because of the amazing House Athletics Carnival. We threw all our effort into every single part of the competition, from creating the songs and anthems, to belting them out in practice, to game day. I remember all those long, painful hours of leaderball training, with the teachers watching like hawks and Nicholas Tien and Lucas Viiala, our House Captains, providing us with endless encouragement. Even though we didn't come first in the Spirit Shield or the actual carnival, we showed an amazing amount of friendship, support and talent!

Term 2 is the term in which you suddenly realise that you have already survived a quarter of the year. We were suddenly thrust into Cross Country, the second of the 'House battles', and it was obvious that the 2.1km felt more like 100km to everyone. Or was that just me? It was truly exhilarating to watch the younger years complete their own course, but the best part was the final stretch. Three boys, all of whom had been leading for a while, sprinted the last few metres. All of our hard work paid off though! We were led to victory by our Captains Tommy Greenshields and Kingston Lim.

In Term 3 we plunged ourselves into practice for House Shout. Our song was *The River of Dreams* by Billy Joel. It took us a while to get into it, but as soon as we did we rolled smoothly along, smashing through practice session after practice session. A special thanks to Kit Guit and Aakash Jois for making the introduction video and our Captains Aakash and Oliver Brockman for providing endless support. Game day. The eclipse of our collective efforts. I am proud to say that Kearla showed them how good we were, even though we didn't win.

Term 4 started with a bang with the Future Problem Solving trip to Brisbane, the da Vinci Decathlon and the Koorinal camp. Year 5s and 6s disappeared all over the place! And just to put a cherry on top of the cake, we were also practising for the House Swimming Carnival. Samuel Hurworth and Surya Manivasagam were elected Kearla House Captains. We cheered, we roared, swam and soared. Good job to everyone who competed in the competitions.

# WARDUNG AUSTRALIAN RAVEN

HEATH POZZI / HOUSE CO-ORDINATOR

## TERM 1

Term 1 started off unfurling a new House name and symbol – Wardung – Nyoongar for the Australian raven. Quickly the old Forrest folk morphed into the green-eyed ravens of Wardung. The first House event was the Athletics Carnival. We spent warm February mornings sharpening our skills on the well-groomed turf at St John’s Wood. Everybody had a fantastic time and the boys all gave their best, soaking up the experience of having their first event under the new Wardung name.

“I really enjoyed being a captain in Term 1 because we were the first captains ever for Wardung and we set the bar.” *William Lewis, House Captain*

## TERM 2

Term 2 was another great term. Wardung participated in the House Cross Country Carnival and it was fantastic to see the boys put in great effort as they trotted around the Mt Claremont course. Although we didn’t win, we put up a tenacious fight and acted with great sportsmanship. Many Wardung boys finished in the top 10 of their year group and earned the right to represent Christ Church in the JPSSA Cross Country Carnival.

“I thoroughly enjoyed being the Wardung House Captain in Term 2 because of the great spirit in the Wardung crowd.” *Jacob Moffet, House Captain*

## TERM 3

Term 3 was the big House Shout term. As the reigning champs, Wardung was very excited to take on the challenge of going back-to-back. The theme for this year was ‘Dare to Dream’. Wardung dreamt big and chose a song about healing and coming together, Michael Franti’s *We Can Be the Healing*.

Just like last year, the competition was of a very high standard with all Houses performing very well. The boys practised really hard in the warm-up weeks and had great fun learning the words, timing their dance moves and adding their own Wardung actions and lyrics. Wardung really wanted to send a message of love and healing to the audience and was very happy with the performance.

“I really have enjoyed being a Wardung House Captain this year. I’ve enjoyed the job and responsibility but mainly because of the passion the boys show for the House.” *Oscar Males, House Captain*

## TERM 4

Term 4 was a very busy term with the House Swimming Carnival, McPherson Cup basketball competition and the Wardung House Youth Focus Fundraiser. We pulled together \$1600 for the charity, which supports the mental health of children in Western Australia. The captains spent the week visiting classes, selling fake moustaches and educating the Prep School boys on the importance of living good, happy and healthy lives – physically, mentally and emotionally.

The final House event for the year was the Swimming Carnival. Everyone gave it their best and had an enjoyable day in the pool. Wardung finished the Year 3 and 4 carnival with its nose in front and the senior boys, led by a very powerful Year 6 unit, kept their lead the whole day to take victory and the swimming shield after the last relay event.

In the final few weeks of 2019, Wardung squeezed in one last memorable victory in the McPherson Cup, the Year 5 and 6 basketball competition. With the scores tied at full time between Karda and Wardung, in an incredibly tense and passionate display of good spirited competition, the teams went into overtime. The final minute saw the scores tied twice and then in the final seconds, Wardung scored to snatch a famous victory!

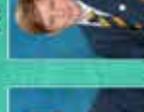

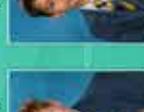

“Being Wardung Captain was a great opportunity and experience for me. I have always looked up to the House Captains and it was very cool that I was one of the first Wardung Captains.” *Max Allen, House Captain*

“Being selected as House Captain in Term 4 was amazing. I really enjoyed having the responsibility of the job and loved the feeling of being a leader.” *Zenith Shakibaie, House Captain*

The boys should all be proud of what they have contributed and achieved. Thank you to all of the Wardung staff who have supported and encouraged them along the way. We trust that they have also enjoyed the first Wardung year in Christ Church history.

# YONGA KANGAROO

## ANDREW CALDERWOOD AND KADE MACDERMOTT

This was our first year of going from Stirling to Yonga and we took part in many amazing House events! In addition to getting a new name, we also got a new House chant:

*Thumping, thrashing, winning, smashing,  
Sending all the Houses crashing!  
We love to race, win and compete,  
Using our tails and big, big feet!  
Sportsmanship and all that lot,  
Isn't all that we have got:  
Smarts, sports, arts and acts,  
Comprehension, songs and facts!  
Y-O-N-G-A, other houses not okay,  
The old Stirling, hey, hey, hey!*

## LUKE BEAMENT AND IVAN ZOROTOVIC

Starting the term and leading Yonga in the House Athletics Carnival was a great privilege. Although we did not come first, in our minds we felt like we had won; we put our maximum effort into the carnival. However, we did have one success on the day – we won the tug of war!

Soon after the Athletics Carnival came Redkite Day. It was amazing seeing everyone in the Prep School dressed head-to-toe in red. Through gold coin donations, we raised close to \$1000 and helped many kids all over Australia.

## JOSH HARMER AND OLIVER WHEELER

All our passion and enthusiasm were rewarded in the Cross Country Carnival as we won the Spirit Shield! Our House name is now engraved on it! Yonga did amazingly well, not only in spirit but also in running. Everyone in Yonga tried their best to succeed and everyone did succeed.

## CALLUM CHADBUND AND LACHLAN MACDERMOTT

Our song for House Shout this year was *On Top of the World* by Imagine Dragons. Everyone in Yonga had an extremely enjoyable time during rehearsals and on the day, our performance was absolutely our personal best! We had the time of our lives! We also had the Yonga spirit, which is all that matters.

# CANBERRA TOUR

DUKE FOGARTY, JAKE HASHEM, OSCAR KOH AND KINGSTON LIM  
/ TOUR PARTICIPANTS

**Instructive, enlightening and educational are perfectly fitting words to describe the incredible learning experience that was the Year 6 Canberra Tour. Although many of us were apprehensive about being so far away from home, we knew we were in for a busy and memorable ride.**

During five, jam-packed days in our nation's capital, we visited a number of buildings and attractions of great historical and cultural significance, including a tour through the new Parliament House, interactive role-play in the Old Parliament House, a guided exploration of the High Court, and an unforgettable and moving experience at the Australian War Memorial.

Choosing a standout moment is difficult because we did so much, but one memorable part of the trip for many of the boys was visiting the Australian Institute of Sport (AIS), Australia's premier elite sports facility. During our afternoon there, we played a number of different sports including European handball and netball, and enjoyed a tour of the impressive facilities, led by AIS athletes.

Another highlight was exploring the massive scientific marvel that is Questacon. With so many hands-on activities and experiments to try, it was hard to know where to start!

Overall, the Canberra Tour was a great educational experience and helped us make significant connections between our History, Civics and Citizenship lessons and the real world of politics.

# CHESS

OSCAR HO / YEAR 6

Chess Club is a great and fun way to interact with friends and I would highly recommend joining it. The Chess Day tournament was the highlight of the year. Imagine yourself walking out and representing Christ Church with honour. The boys played very well against other IPSHA schools, including St Mary's, Scotch, Aquinas, Wesley and, of course, St Mark's, who hosted the event. The best thing was that every boy from Christ Church played with sportsmanship.

Chess is a very good way to socialise, meet new friends and play with old friends. With the help of Josh Fry, a Year 11 boy who comes to coach our Chess Club each week, our members are always improving their chess skills. Without his help, we wouldn't play as well as we do now. I would also like to thank the chess teachers, Mrs Durston and Ms Waters, without whom the Chess Club wouldn't be able to go on.

I would highly recommend Chess because it helps the brain to think and function better.

# CLUBS

## WETLAND WARRIORS

TONIA RANFORD / TEACHER

Each week, the boys engaged in fieldwork around the Swan River and at Lake Claremont. They identified, surveyed and collected data on indigenous plants, animals, birds and macro-invertebrates. They investigated how human behaviour affects the wetlands and identified and collected rubbish around the river foreshore. Using the Innovation Space, our super scientists created informative digital presentations that promoted the amazing biodiversity of our local wetlands, and the importance of protecting and caring for our environment.

## CHINESE CALLIGRAPHY

LI LIU / CHINESE TEACHER

In Term 4, boys had the opportunity to practise shūfā or Chinese calligraphy. The literal meaning of the word is the way, method or law of writing. It is an important aspect of Chinese culture and is widely practised throughout East Asia, in countries such as Korea, Vietnam and Japan.

Boys were guided through the basic movement of dots and strokes and encouraged to arrange these strokes into balanced, elegant Chinese characters, using the special tools of calligraphy – a soft Chinese brush, rice paper and calligraphy ink.

MAHI MOHAN / YEAR 5  
ASHTON TAY / YEAR 3

In Chinese Calligraphy, we liked how we used ink on rice paper and how we were taught to write consistent characters. We liked learning about the tools of Chinese calligraphy and the basic strokes. The learning environment was very friendly and quiet so we could improve and get the best out of ourselves.

## BUILDING AND CONSTRUCTION CLUB

ALICIA HILL AND SALLY LEE / TEACHERS

The Building and Construction Club was lots of fun. Using their reasoning and critical thinking skills, the boys have been imaginative throughout the year. They have enjoyed building, creating and constructing using a variety of materials. Constructive play in this area offers many key benefits. As well as using their reasoning and critical skills, they have also expanded their imaginations, used problem-solving skills, played co-operatively and used patience and focus.

# PHILANTHROPY

STEVE O'DRISCOLL AND CLAIRE DONALD / HOUSE CO-ORDINATORS

## THE FRED HOLLOWES FOUNDATION

In Term 3, the Preparatory School raised money for the Fred Hollows Foundation. The foundation trains doctors and nurses, raises money for important medical facilities and performs eye operations in more than 30 countries. Amazingly, every \$25 that we raised helps a person fully regain their sight, which was an amazing opportunity and honour for the boys at Christ Church.

The boys came to school wearing their favourite team's colours in preparation for the derby and each class also took part in a special footy activity on the oval, which incorporated wearing the Fred Hollows glasses. This was a fun activity that also helped the boys gain an understanding of what it might be like to live with partial or complete blindness.

## LAPATHON

On Wednesday 4 September the boys of the Preparatory School ran as far as they could in support of the Cambodian Children's Fund (CCF).

Founded in 2004, th CCF provides life-changing education, health care, nutrition, safe shelter and healing to vulnerable children from some of Cambodia's most destitute communities.

This year, the students and their supporters reached an incredible total of \$30 000. Amazingly, over \$15 000 was donated before a student had even stepped foot onto the oval. Father Richard Pengelly, former Christ Church Chaplain and now the Chaplain at St Mary's Anglican Girls' School, and some special guests from the CCF were there to cheer the boys on.

# CENTRE FOR EXCELLENCE

## HAVE SUM FUN

Eighteen of the Year 5 and 6 Extension Mathematics boys did 'have some fun' at the Have Sum Fun competition held at Aranmore Catholic College in March. The boys were in teams of six and answered four rounds of questions in a quiz night format.

Of the CCGS teams, the Queenslea team placed first, beating Hale School in a tiebreaker, with the Freshwater team finishing third and Stirling in sixth place. It was an outstanding effort, not only to have the champion team, but also to get three teams in the top six.

## WA PRIMARY SCHOOLS' ORIENTEERING CHAMPIONSHIPS

On Wednesday 21 August, 27 Year 5 and 6 boys attended the WA Primary Schools' Orienteering Championships at Manning Park in Spearwood. Nearly 500 students attended the event, completing courses set in the parkland around the lake and on the paths in the adjacent hills.

CCGS won the championship shield.

Top placegetters for CCGS:

### Boys 10 and under

- 2nd Ethan Di Martino
- 5th Owen Lisle

### Pairs 10 and Under

- 1st Jayden Arav and Joshua Ng

### Boys 11 to 12

- 1st William Lewis
- 5th Cameron Baker
- 6th Alfie Mill

### Pairs 11 to 12 (Course 1)

- 1st Sebastian Cardaci and Solomon Pearce
- 3rd Samuel Lee and Nathan Wong
- 4th Christopher Berg and Lucas Viiala
- 6th Samuel Hurworth and Kingston Lim

## FUTURE PROBLEM SOLVING

### SAMUEL HURWORTH AND JACOB MOFFET / PARTICIPANTS

This year we took two teams to the Future Problem Solving (FPS) national finals in Brisbane, escorted by coach Mrs Wisker and Mrs Morrison-Mayo. We were all a bit nervous and didn't really know what to expect. We shouldn't have worried as it turned out to be so much fun.

The competition was fierce against schools from all over Australia. Congratulations to Year 6 students Will Lewis and Oscar Ho who came first and second respectively in the MAGIC team competition. Overall, Christ Church came seventh which we were very happy about. We think FPS has developed our critical and creative thinking skills.

# CHINESE

WILLIAM LEWIS / YEAR 6

Kindy jianzi making

**Few things can compare with the opportunities gained by learning a new language, especially when that language is spoken by around 15 per cent of the world's population. Yes, I'm talking about Mandarin. This language is the most popular Chinese dialect. Each year, under Chinese teacher Ms Li Liu's amazing supervision, the Preparatory boys take part in many uniquely Chinese language and cultural activities, whether it be a chopsticks challenge or learning to trace Chinese characters.**

Year 1 Chinese painting workshop

Year 1 dumpling making workshop

While in previous years we have made Chinese shuttlecocks, played Chinese checkers and learnt to form more complicated sentences, 2019 was a particularly special year in Chinese. The boys took part in traditional Chinese painting with ink and brushes, made posters about the evolution of Hànzì (Chinese characters), made and ate dumplings, and took part in engaging and informative plays: *Xiǎoji* (*Chicken Little*) for Pre-Primary and Year 1; *Xiǎomāo zhǎo jiā* (*Cat is Looking for a Home*) for Year 2; *Sān zhī xiǎozhū* (*Three Little Pigs*) for Years 3 and 4; and *Xiǎomāo hé yuèliàng* (*The Cat and the Moon*) for Year 6. Of course, let's not forget the unforgettable Chinese learning journey in which games such as picking up lollies with chopsticks, Chinese paper cutting, jiànzi making and Chinese calligraphy occurred.

Year 4 dumpling making workshop

Year 4 Chinese painting workshop

Altogether, Chinese lessons have been an amazing opportunity for everyone to learn, try out new things, develop language skills and cultural understandings, and to have fun.

# DANCE AND DRAMA

## ALEXANDER FRIARS / YEAR 6

The production of *What a Knight!* was the best part of Year 6. I loved going to the drama room and practising with my friends. On the night of the show, I was ecstatic. As soon as I hopped on stage I was absorbed by the characters, lines and movement. All too quickly, it was time for the last scene. My character was about to win, but then got smacked on the head by a book!

## SOREN GRUBB / YEAR 6

The Year 6 production was not only a passion for me, but a privilege. Working with all the amazing staff and people was truly a dream. Rehearsals were fun and engaging. Being on the stage with my fellow peers and acting my heart out, set off a spark in my heart and what I call, the 'drama bug'.

## OSCAR MALES / YEAR 6

This year, I learnt many skills in Drama and Dance. Through learning monologues, memorising and performing in front of the class, I learnt that practice makes perfect! I was nervous to perform at first, but I soon got over my nerves. In Term 2, we made up our own monologues and related stories from our real-life experiences. I chose to make mine about my family. In Term 3, we grouped together in teams of five to create a performance that had to include a song and dance moves. We chose *HandsClap* by Fitz and the Tantarums. Our group dynamics were good because we all knew each other well.

# INNOVATION SPACE

**LUKE BEAMENT AND JAMES BRAY / YEAR 6**

This year, Christ Church opened a brand new learning space, called the Innovation Space. It is an amazing space to collaborate with your peers and teachers. We did activities that included using micro:bits (small, programmable devices) to create a seismic sensor, and an ethical consumerism project to help our School recycle more. The Innovation Space is one of our favourite places to learn because it contains a variety of different types of technology.

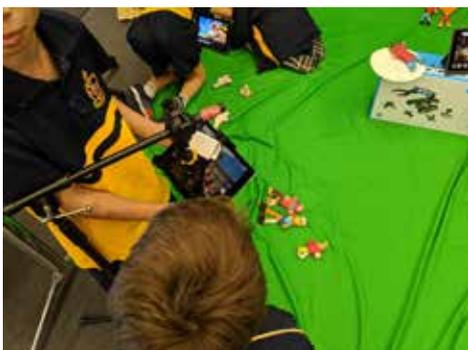

**ALISTAIR BARTLETT AND LAWSON KIRBY / YEAR 5**

The Innovation Space is a great addition to the Prep School because boys get a chance to experience technology firsthand. This year, the Year 5s made awesome robots to explore coding, learnt how to 3D print and completed projects that required us to think, collaborate and reflect on our learning.

**JIMI OYEWOPO AND ETHAN ZHANG / YEAR 4**

Every week, the Year 4s spend time in the Innovation Space learning about new and exciting things. In Term 2, we discovered what Spheros can do. We created a trailer for the Sphero capable of carrying coins. In Term 3, we paired up and created a two-minute stop motion video about the effects of bullying using clay people. We created their skeletons from wire and then covered them with clay. To make the movie we took lots of photos that had slight changes to form a sequence. In Term 4, we were put into groups and created a piece of clothing that used a micro:bit to promote exercise in children. This included functions to encourage the person to exercise while playing a game.

# LIBRARY

SOPHIE SMITH / TEACHER LIBRARIAN

## What a busy year in the new Prep Library!

We were incredibly lucky to have a variety of amazing authors and illustrators visit us this year. Morris Glietzman spoke to the Year 5 and 6 boys about creating engaging stories. Andy Griffiths delighted our Year 3 and 4 boys with his hilarious stories and a water gun fight in the Chapel. Zohab Zee Khan's high energy inspired the Year 6 boys to write slam poetry and he dazzled us with his powerful poetry presentation. While James Foley delighted the Year 2 boys with a special preview of a yet to be published book and a drawing workshop.

The boys from Pre-Primary to Year 4 enjoyed a presentation by Perform Education called 'Big Dreams'. It was the perfect lead into Book Week which, as always, was a fun celebration of books and reading. Activities during the week included quizzes, treasure hunts, Readers' Night In, dress-up photo booth, life drawings, costume parade and a 'junk' construction station. Also, our Term 3 Book Club members competed in the Reader's Challenge against four other schools and did an amazing job.

We have been very lucky to have some willing and enthusiastic Library Monitors this year. Thank you to those boys for taking on the role in such a responsible way.

# MUSIC

**2019 was yet another exciting year for the Preparatory School Music scene, with over 110 boys participating in one or more of the School's 11 ensembles. Performance opportunities for ensembles included the Winter and Spring Music Concerts, the Fremantle Eisteddfod, Mojós, the Combined St Hilda's and Christ Church performance, music assemblies and the Rock Extravaganza, all highlights for the Prep School's young musicians.**

## THE YAHOOOS

**CHRIS BERG / YEAR 6**

I liked Yahoos because we performed in lots of places. It was really fun because we sang with other people in different year groups and got to know them. My favourite performance piece was the repertoire of carols for the Advent concert.

## PREPARATORY SCHOOL CHOIR

**MATTHEW LUO / YEAR 4**

I liked performing with St Hilda's and going to their Junior School. We performed *Tue Tue* and *Hine E Hine* with our sister school. I liked how we could come early to rehearsals and set up, and that we had two choir directors!

## PREPARATORY SCHOOL CONCERT BAND

**ARJUN BRIAN / YEAR 5**

I liked playing *Pirates of the Caribbean* because it is a popular band song. I liked Ms Brine as our director because she was always there to help us and explained things really well.

## CLASSICAL GUITAR ENSEMBLE

**ZACH PENTONY / YEAR 6**

I liked Classical Guitar Ensemble because I could play music with other people. If you made a mistake there were other people to back you up. I liked the pieces because they were challenging and helped us learn new techniques.

## STRING ORCHESTRA

**ZACH PENTONY / YEAR 6**

I liked that I could practise with other people and it sounded really good when we played together. I learnt different skills like how to tune my instrument and what keys music can be written in.

## THEORY CLUB

**NATHAN ARAV / YEAR 3**

I liked learning about writing and reading music at school. Mr Grech is a very nice teacher.

## COMPOSERS' CLUB

**SEBASTIAN THONG / YEAR 4**

We mixed lots of music using apps on the iPad and other technology. My favourite app is GarageBand.

### YEAR 2/3 CHOIR

ETHAN KOEKEMOER / YEAR 3

I performed every term in front of a large audience. Singing makes me happy. My favourite song was *Ahrirang* because it's a Korean folk song.

### PIANO DUET CLUB

WILLIAM LEWIS / YEAR 6

Piano Duet Club was very fun because I worked with other people and practised independently. When all parts are combined, it makes fantastic music and it is very interesting.

### PREP ROCK WORKSHOP

ROHAN SHETTY / YEAR 5

One of my favourite things about Rock Workshop is that we choose which songs to rehearse and perform. It was fun because we practised the songs independently and then came together to play them. Mr Biddiss, Mr Grech and Mr Hall are good teachers and they let us come up with suggestions.

### PERCUSSION ENSEMBLE

EWAN CALDER, LUCA CAMPITELLI AND HARRY COLVIN / YEAR 6

We liked playing the instruments and learning how to play them with Miss Soares who is a percussion expert. We liked working together to create a finished product with many parts. Our favourite piece was *Ekwanongoma* by Boka Marimba.

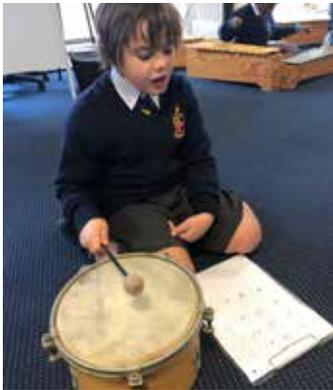

# PETER MOYES CENTRE

DANIELA CHACON / CO-ORDINATOR OF PREPARATORY PETER MOYES CENTRE

**2019 was an incredible year for all the students in the Peter Moyes Centre. It was full of exciting experiences that offered the boys numerous opportunities to develop their skills in all learning areas.**

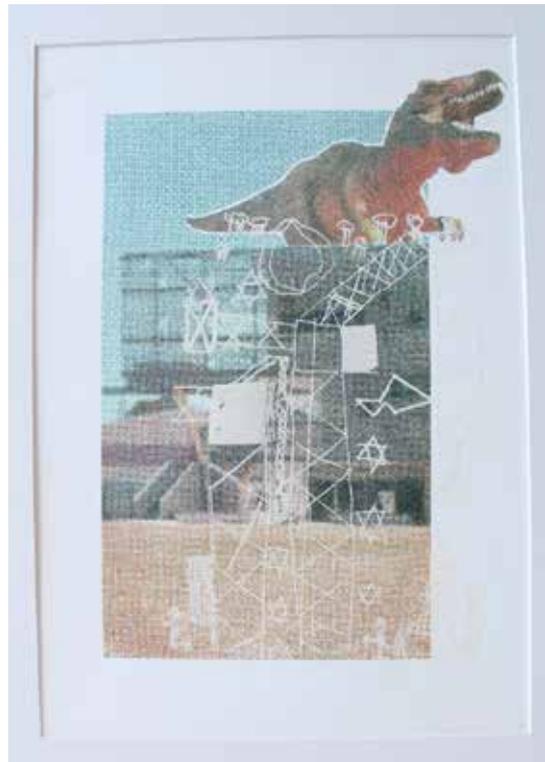

School camps, zoo sleepovers, sports carnivals, Art and music therapy, sensory experiences, AQWA sleepovers, trampolining and swimming lessons, are only some of the many activities that enriched their learning at Christ Church.

It was a memorable and positive year for the boys. They are to be commended on their enthusiasm and commitment in everything they do and we celebrate their numerous achievements.

# BASKETBALL

## A TEAM MEMBERS

2019 • Christ Church Grammar School LW Parry Preparatory School Basketball

**Front Row:** Arjun Brian, Ben Whiteman, Nicholas Wang, Luke Babich, Lincoln Fahey, Siddharth Bavan, Noah Keren

**Back Row:** Hamish Dredge, Solomon Pearse, Isaac Granich, Oscar Males, Max Allen

**Head of the LW Parry Preparatory School:** Dr Steven Males **Teacher:** Mr Brad Armstrong

**What a great year of basketball we had in the Preparatory School. Everybody learnt to play team basketball, sharing the ball and working hard to stop the opposition from scoring. It was great that we had the opportunity to play with our friends each week, while also getting to know boys from different year levels.**

The coaches were very encouraging, helping us to do better. Fundamentals were a big focus, while training included fun drills and activities every week. The A team always enjoyed the three-point shootout at the end of every session, everyone trying to do their best Steph Curry impersonation.

Each week we would travel to play against other JPSSA schools. We were very lucky

that our home games were at the Bendat Basketball Centre in Floreat. We enjoyed being able to play in such a great stadium.

Thank you to coaches Mr Armstrong, Mr Leckie, Dr Males, Miss Price, Mr Pyefinch, Miss Smith and Miss Ylias for all of their coaching during the season – we really enjoyed it.

# CRICKET

JEROME GRIFFIN / COACH

2019 • Christ Church Grammar School LW Parry Preparatory School Cricket

**Front Row:** Declan Church, Will Flaherty, Jacob Moffet, Harry Billingham, Ethan Parker, Joshua King, Henry Stokes  
**Back Row:** Seb Cardaci, Zachary Pentony, Cameron Baker, Aakash Jois, Xavier McSweeney, Miles Davies, Zach Parramore

**Head of the LW Parry Preparatory School:** Dr Steven Males **Teacher:** Mr Jerome Griffin

**This year, we had a number of very young, eager cricketers who represented the First XI Preparatory School team. On a number of occasions, we had seven Year 5 boys in the XI who would be up against much older and stronger Year 6 lads.**

The team won a number of games against Trinity and Guildford; we lost a close encounter against Scotch but we had to lend the opposition two players and, believe it or not, Josh King, a Christ Church boy, hit the winning runs. Cricket was the winner in this encounter.

Wesley was, perhaps, the strongest team in the competition and we struggled against this South Perth side who had a number of district cricketers. We were competitive against Hale and Aquinas, which is a good sign for the years ahead.

Cameron Baker and Declan Church made the most runs for the team. Both have wonderful techniques and showed courage against the short ball. Harry Billingham, Seb Cadaci, Miles Davis, Will Flaherty, Aakash Jois, Josh King, Xavier McSweeney, Jacob Moffet, Ethan Parker, Zac Pentony and Henry Stokes

all made runs on different occasions and showed plenty of potential with the bat. On the bowling front, all boys showed they could bowl line and length but need to practise to make sure consistency is maintained.

One of the highlights of the year was Harry Billingham's four spectacular catches against Trinity – it is not often a boy in the outfield takes so many 'grabs'.

I would like to thank the boys, fathers, mothers, grandfathers, grandmothers and friends who gave up their time to support the boys on a Thursday afternoon.

Cameron Baker (Year 6) received the Cricket Prize this year for his impressive leadership and also for his meritorious batting, keeping and bowling skills.

## JPSSA CROSS COUNTRY CARNIVAL

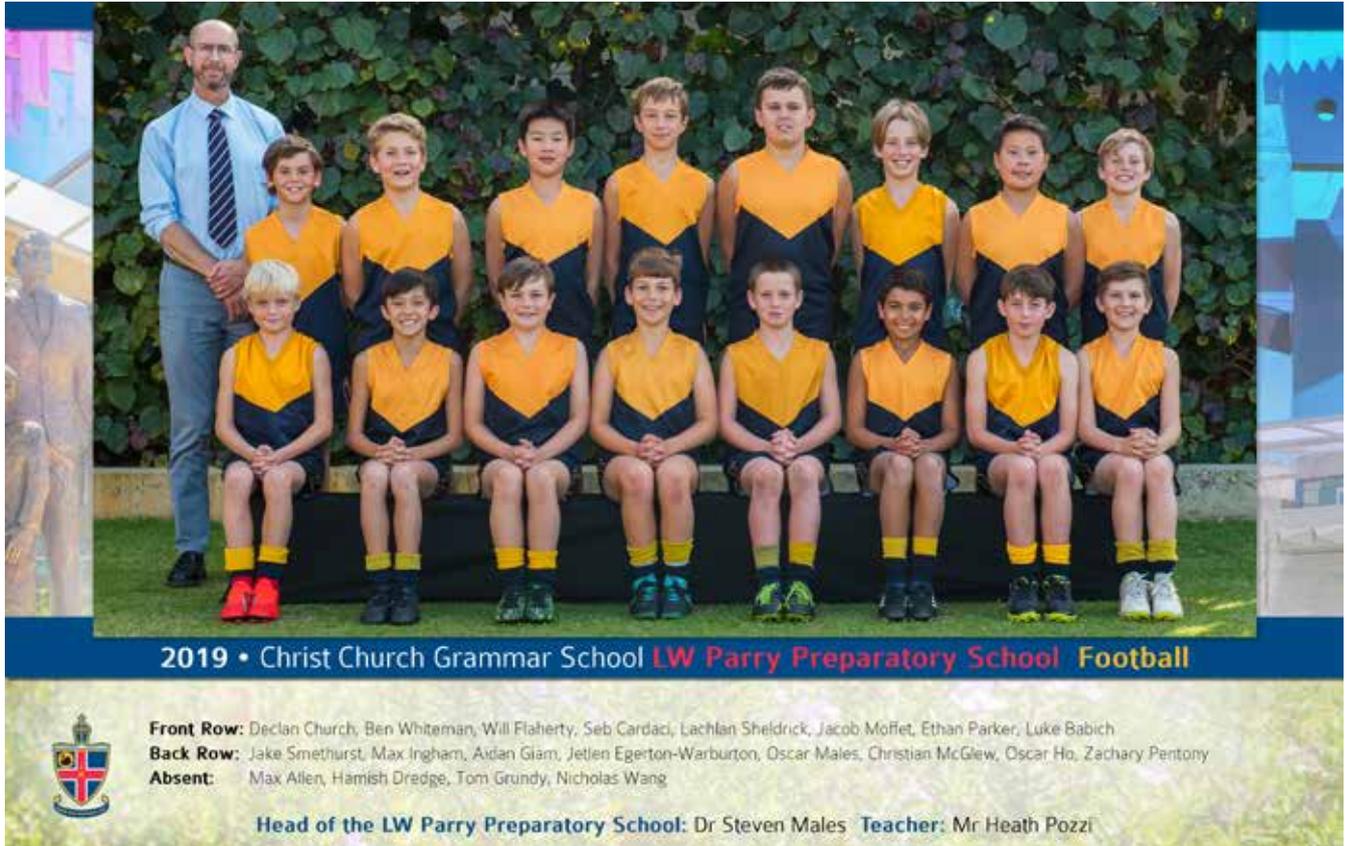

All competitors across the three year levels (Years 4 to 6) ran well and represented the School proudly. Congratulations to Ethan Di Martino for finishing second in the Year 5 race in a very close finish, and Austin Readman for finishing fifth in the Year 4 race. Exceptional results for these two boys.

Final results:

1. Scotch College
2. Trinity College
3. Aquinas College
4. Hale School
5. **Christ Church Grammar School**
6. Wesley College
7. Guildford Grammar School

# FOOTBALL

## YEAR 6 PARTICIPANTS

**All the players enjoyed being part of a 'football club', being involved in our favourite sport and learning about playing as a team.**

A highlight for the football program happened in July, when 21 of the AFL boys travelled to Melbourne for the 2019 AFL Sports Tour. We were lucky to go to the Melbourne Cricket Ground (MCG) for an epic tour. We watched two AFL games, toured the Carlton Football Club, visited the Queen Victoria Market and played a game at Melbourne Grammar. It was an amazing trip.

It was great working hard at training every Tuesday, using the skills taught by our coaches, and applying those in games every week. With the help of Mr Leckie, Mr Pozzi, Mr Pyefinch and Mr Stanton-French, and our assistant coaches Ollie, Ben and Jacob, the football program was great fun.

# HOCKEY

ANDREW CALDERWOOD AND HARRY COLVIN / YEAR 6

2019 • Christ Church Grammar School LW Parry Preparatory School Hockey

**Front Row:** Joshua King, Arjun Brian, Archie Bucher, Zach Parramore, Kit Guit, Ashton Salomons  
**Back Row:** Lawson Kirby, Duke Fogarty, Lucas Viiala, Ewan Calder, Harry Colvin, Harry Billingham

**Head of the LW Parry Preparatory School:** Dr Steven Males **Teachers:** Mr William Pike & Mr Andrew Slee

**Preparatory School Hockey is truly an amazing sport. Throughout the season, we improved through the leadership and experience of our amazing coaches; Will, Andy and Benji who are Christ Church old boys. They gave us advice and training drills that really put us through our paces.**

Each week, team positions changed slightly as we were encouraged to have-a-go in goals and to try new positions on the field. The short pitch scenario is one that all JPSSA schools have agreed to use at this age level. The short pitch creates more passes to players and it makes for a faster game. Training at the UWA Superturf gave us an advantage as we were used to playing on the fast surface. Our coaches encouraged us to push the ball rather than hacking and hitting it into the play. Our accuracy skills improved and as a result, most of our matches were either very close or considerably victorious. Our toughest opposition was Scotch College who specialise in the grass surface.

A highlight was the 'Father and Significant Other match' in which the dads comfortably beat us. This was quite surprising but it turned out that our dads were fitter and more competitive than we thought, and also supportive of each other's game play. At half-time, we enjoyed listening to them talk about what sport they used to play at our age, their advice on how to continue team sport as we get older and the advantages of playing

sport with our mates. They also discussed the importance of healthy eating and how to live a balanced life of fun, hard work and leisure time.

Overall, we are all keen to continue playing hockey because of the fun season that we had. We appreciated the opportunity to learn from our coaches and would like to thank them for all of their hard work and effort in helping us to improve.

# RUGBY

JEROME GRIFFIN / CO-ORDINATOR

**Fifteen boys put their names down for rugby this year. We had a number of boys who had never played rugby before: Noah Keren, Louis Manera, Zenith Shakibaie, Jamie Yates, Thom Yates and James Yu. However, the team also had some experienced rugby players like Oliver Findlay, Alex Friars, Josh Harmer, Nick Hoedemaker, Ben Hoffman, Liam Hooper, Owen Lisle, Sol Pearse and Joey Skewes.**

It was gratifying to see boys like Louis Manera score his first try against Wesley; it was also heartening to see a lad like Ben Hoffman carry the ball to score a try against Scotch. James Yu, a boy who worked hard on his rugby skills, produced a plethora of penetrating runs up the field. Alex Friars provided strength in the scrum and also showed dash when carrying the ball forward.

Before he left for England, Oliver Findlay was a Rock of Gibraltar as a fly-half for the side.

Nick Hoedemaker, a quiet achiever and an industrious player, would be at every ruck; and Zenith Shakibaie scored a number of memorable tries for the team. Jamie and Thom Yates, despite playing against much bigger boys, demonstrated some impressive tackling and passing manoeuvres.

Sol Pearse, a backline player with pace and guile, scored a number of tries for the team; his Year 5 counterparts, Noah Keren and Owen Lisle, displayed courage and skill to run the team from the scrum-half and fly-half positions respectively. These two boys scored numerous tries with their agility, nous and athleticism.

Liam Hooper was versatile and hard-working whether he was on a wing or in the pack. Joey Skewes loved to play on the wing where he learnt to read the play to receive the ball from marauding teammates. And last but not least, Josh Harmer led the side with his strength, poise, courage, determination and

tenacity. Josh showed the other boys how to play and he gave the young boys around him great confidence because he went to places where angels fear to tread. Josh Harmer received the Rugby Prize this year for his leadership, dedication, persistence and fortitude.

# SAILING

HENRY GIBB / YEAR 6

**Sailing this year was a one-of-a-kind experience down at the Royal Freshwater Bay Yacht Club, with brilliant classroom teachers, Mrs Joanna Morrison Mayo and Mrs Steph Balfour, alongside our amazing instructors Poly, Felix, Alex and Scotty. It was an incredible chance to reconnect with the river and learn team skills.**

We sailed Pacers, boats designed for one skipper and two crew members. Alongside learning the basics of knot tying (including the figure-of-eight, reef knot and half hitch), understanding the weather and rigging and de-rigging a boat, we were introduced to many different aspects of open-water dinghy sailing. Since some of us had never sailed before, there were plenty of opportunities to support the younger boys and beginners; we even allowed them to skipper the boats on occasion! The beginners became the masters, with many boys choosing to do sailing in Terms 2, 3 and 4 to build on their skills. Many boys showed great devotion to the sport, with some of us even taking it up out of school.

This year was a ripper for sailing and was jam-packed with moments of anticipation, breathtaking skills and monumental improvements for all the boys. Overall, sailing this year was a blast!

# SOCCER

FLYNN CRAIG / YEAR 6

2019 • Christ Church Grammar School LW Parry Preparatory School Soccer

**Front Row:** Ethan Di Martino, Tommy Greenshields, Thien An Ho, Phoenix Shakibaie, Siddharth Bavan, Christopher Wheatley, Oliver Di Girolami, Sam Meyer  
**Second Row:** Aryan Ismail, Oshan Pal, Abe Britta, Roman Bruno, Altie Mill, Harrison Surtees, Jake Hashem  
**Third Row:** Flynn Craig, Cameron Baker, Ivan Zorotovic, Oliver Douglass, Christopher Berg, Oscar Hacking, Oscar May, Rohan Gohil  
**Absent:** Benjamin Macgregor  
**Head of the LW Parry Preparatory School:** Dr Steven Males **Teachers:** Mr Mark Lee & Miss Kendal Price

**Playing soccer for Christ Church this year was amazing. The skills displayed by our fellow friends and teammates were out of this world.**

We also had amazing coaches who trained and managed all our games and we would like to thank Mr Mark Lee and Miss Kendal Price.

We played against a number of JPSSA schools. Sometimes we won and sometimes it went right down to the wire of a golden goal.

Overall, soccer was a great experience and definitely a highlight of the year.

## HOUSE SWIMMING CARNIVAL

**Wardung House was the 2019 Preparatory School House Swimming champion after a great day of competition in the pool.**

Final results:

1st	Wardung	4978
2nd	Yonga	4398
3rd	Karda	3881
4th	Kearla	3297

**Spirit Shield: Yonga**

Yonga House was awarded the Spirit Shield for demonstrating great sportsmanship.

Eight records were broken on the day with every Champion Boy claiming at least one record each.

## CHAMPION BOY RESULTS

Year	Champion Boy
3	Quinn Bewsher (Freestyle and Backstroke records)
4	Sam Reynolds (Backstroke and Breaststroke records)
5	Lawson Kirby (Freestyle, Backstroke and Breaststroke records)
6	Lucas Viiala (Backstroke record)

## JPSSA SWIMMING CARNIVAL

The Year 4, 5 and 6 boys swam exceptionally well for Christ Church at the 2019 JPSSA Swimming Carnival held at HBF Stadium in Term 1. These students, selected from time trials run in the first week of the school year, had diligently trained every week with Mr Bill Kirby leading up to the event.

In a tightly contested carnival, Christ Church battled fiercely with Wesley and Aquinas throughout the day. The final result came down

to the last race of the day, in which Wesley finished one place ahead of Christ Church to win the carnival by just two points.

Final results:

1. Wesley College
2. **Christ Church Grammar School**
3. Aquinas College
4. Guildford Grammar School
5. Scotch College
6. Trinity College
7. Hale School

# TENNIS

OSCAR HO / YEAR 6

**2019 was a fantastic and very successful year, with the Preparatory School Tennis Team winning all its JPSSA head-to-head battles.**

Playing tennis in the sun, on the well-groomed Dalkeith courts with my teammates, filled my heart with joy. With the support and guidance of the coaching staff, Mr Heath Pozzi, Miss Jasmine Jeffs and Mrs Ebony Yapp, and with tennis tips from Christ Church old boy Oliver Henderson, our team competed and played extremely well this year.

The encouragement we shared and most importantly the sportsmanship displayed towards the other schools throughout the season was very pleasing. We played to win; however, always in the front of our minds was to be respectful to the game and rules of tennis, the other schools and our opponents on the other side of the net.

Overall, being part of the tennis program in 2019 was great fun and very exciting. I loved being able to compete and play against other JPSSA schools every week. Congratulations to all members of the team and well done for the improvement and success we all had this year.

BACK ROW: Oscar May, Frederick Dharsono, Riley Hubbard, Aidan Lim, Thomas Grundy, Aidan Giam, Rohan Gohil, Mr Heath Pozzi

# WATER POLO

ZENITH SHAKIBAIE / YEAR 6

2019 • Christ Church Grammar School LW Parry Preparatory School Water Polo

**Front Row:** Benjamin Macgregor, Phoenix Shakibaie, Lachlan Sheldrick, Roman Bruno, Harrison Surtees, Charlie Gilliard, Tommy Greenshields

**Back Row:** Kingston Lim, Zenith Shakibaie, Ivan Zorotovic, Joshua Harmer, Oliver Douglass, Oscar May, Duke Fogarty

**Head of the LW Parry Preparatory School:** Dr Steven Males **Teacher:** Mr James Stanton-French

## Get your sunscreen on boys! This year we had a cracking season of water polo.

In Term 1, we had some new students who wanted to try water polo out for the first time, and most of them had a great time. Our goal was to train hard and play even harder and get the best out of ourselves while still having lots of fun. We certainly achieved that.

In Term 4, we lost some of our experienced players, but we gained some new and enthusiastic students ready to give water polo a go. With all the hard work we put in, we had an amazing season, being undefeated again. More important than the results, though, was the fact that each week we showed great sportsmanship and had great experiences.

Congratulations to all our players, especially the Year 5s and those who had never played before for showing some amazing courage in trying out a new and difficult sport like water polo. Our sincerest gratitude must also go out to our wonderful coaches, Mr James Stanton-French, Mr Tom Hartmann, Mr Ben Cunningham and Mrs Sally MacKinnon.

ASHA ROJAHN / TEACHER

**MAX ANGUS**

I love going to swimming lessons because they are so fun. I also love going to the library and choosing books about police cars. Miss Rojahn has taught me how to behave by sitting nicely and putting my hand up to talk.

**MAX HAYLER**

I love to play on the slide. I didn't like the slide when I started Kindy but now, I love it! I was scared of the dark but now I like the light and the dark! The Mobilo, knights and dragons are my favourite toys in Kindy. This year I have learnt how to do my numbers.

**OSKAR HAY-LI**

I like playing outside and going down the slide. I like the Blue Web. I have learnt how to listen and how to do some drawing. I like going to the river and playing with the water.

**CHESTER LITTON**

I like playing hide-and-seek outside with Ryan. The river is my favourite place, I am good at finding jellyfish. Swimming lessons were so much fun as I just love the water. I am good at finding things like gems and rocks. I have learnt how to sit on the mat nicely and talk about my day.

**TINASHE MUSUKA**

I loved the gingerbread manhunt. I also like climbing the Blue Web. Drama with Mr Dawson is my favourite. We get to play with the marble run. It is tricky to build but I have got good at building. Mr Guers has taught me how to draw a map. I had to write on my map and he helped me.

**HENRY MITCHELMORE**

I love playing outside with the shovels and the diggers. I am good at building with blocks. I can make towers that are so big, even taller than an adult! I love the Blue Web and the river. I can climb all the way to the top of the Blue Web. At the river, I like to find rocks and gems.

**JONATHAN PHATARA-ATIKOM**

I like building with the LEGO. I love to play dinosaurs with my friends. Ninjas is my favourite game to play. I have learnt how to play nicely and be a kind friend.

**WILLIAM ROCHE**

I like to play with the spiders. I like to build with the Mobilo. Brock is my best friend. I like visiting the river and looking for feathers. This year I have learnt how to draw all different types of dinosaurs.

**CHARLES SAMBROOK**

I love playing in my puddle suit. It is such fun. I like swimming lessons. They are fun. I have learnt how to read and write. Miss Rojahn has taught me. I also love to do puzzles. At the start of Kindy, I couldn't do puzzles. My brain was all fuzzy but now it's straight and strong!

**BROCK SMITH**

I loved finding fossils, dinosaur fossils. I really liked swimming. I just love the water. Making maps is so much fun. We make them and then find the treasure outside. In Kindy, we do so many fun activities. I love to play the shopping game.

**JAMES WALLIS**

I like to play with the blocks. I can make buildings and enclosures for the dinosaurs. The Blue Web is fun to climb. I love visiting the river and playing in the water. Miss Rojahn has taught me how to cut with the scissors. You have to snip carefully!

**CHARLES XU**

I like playing with the Mobilo. I can build towers and cars. I love going to the river and playing with the sand. I love to play with Brocky and all of my friends. Miss Rojahn has taught me to listen well.

**RYAN ZHANG**

I like playing in the playground with Chester. I also like riding the bikes. Building is my favourite. I can build a tower bigger than me and Henry! Miss Rojahn has taught me how to do jobs like sweeping the floor and setting the table.

STACEY MCKENZIE / TEACHER

## ELIO CAMPITELLI

I like wobbling and wobbling inside of the slide. I'm trying to learn how to do the monkey bars so I like going to the old Pre-Primary playground. I can only reach to three steps. I want to do all of them. I like the swimming pool. I learnt how to put my face in the water. I just had to blow bubbles.

## IGGY CORNELIUS

I like playing in the pizza shop. I like making pizza. I especially like when the customers come and order through the window. Then we made real pizza. I like how mine had cheese and pepperoni on it. I think it was the best pizza I have ever tasted. I tried the one with pineapple and that was nice too, but I like the pepperoni one the best.

## ALEX DUARTE

I like climbing the Blue Web. I can stay at the very top and I like sliding down the pole. I like playing with the blocks. I build cities for the toy dinosaurs with my friends Rohan, Lonnie, Sammy and Kit.

## MATTHEW DYETT

I like playing outside with Joshua and Jeremy. We play Mario together. I like it when Mrs Chapman reads books to me. I like going to the river. We play and explore there.

## PAOLO JUWONO

I like going to the Blue Web. It is easy to climb and I go very high to the tippy top. I like eating lunch outside with my friends. I sit with Leon. I like finding jellyfish at the river. I don't touch them as they are too yucky.

## JOSHUA KHALIL

I like playing with the LEGO. I built a house and a machine with Jeremy. He's my best friend. I like listening to stories. I like the *Gruffalo's Child*.

## KEN MCKENNA

I like swimming lessons and playing with my friends in the water. I got a rainbow card from Miss Rojahn for being good on the mat. I like being happy and playing with my friends.

## KIT MURRAY

I like going on the slide. It's a bit secret because if you stop right in the middle of the slide, and you're playing hide-and-seek, they wouldn't find you. I like having mat sessions and I get to pick a story to read. My favourite is *The Wonky Donkey*.

## LEON NG

I like making things and creating. I liked it when my brother Tobias came to Kindy. He made jellyfish with me. We used clay and string. Toby made them and I decorated them.

## SAMUEL RUSSELL

I liked the worm farm we made. We had to find the worms, then we put them in a bottle with grass and paper and dirt. I like making the fire for cooking. I made the butter for the bread. We put a bead and milk in a jar, and we shook it for a long, long time.

## ROHAN SHIVAKUMAR

I like the Bee-Bots because they drive when you press the buttons and they go around the track. I like playing with LEGO because you can make it into a car, or a plane, or a helicopter, or just anything.

## JEREMY WANG

I like playing LEGO with Rohan and Joshua. I make some cool things like a jetpack and an aeroplane. I like to help some people. I'm a superhero. I like the river and the jellyfish. It's like jelly. I like the sand. I can make a sandcastle. I use a stick as a flag.

## LONNIE ZHU

I like going to the Blue Web because I like jumping off it and being a monkey. I can climb all the way up to the top. I like wearing my red river suit because then we can play in the rain and in the puddles. I like jumping in the muddy puddles.

# PRE-PRIMARY MW

MISTY WATERS / PRE-PRIMARY TEACHER

**Wow! What a year it has been in PPMW. The boys grew so much, developed independence, confidence and great problem-solving skills.**

As part of our inquiry into families, we had a wonderful cultural day, with many families sharing some of their traditions with the class, including the cooking of favourite recipes, making origami, dancing and games.

In Term 2, we stepped back in time and explored things from the past. We studied life cycles and were fortunate to have class chickens, monarch butterflies and our very own western bearded dragon. We investigated how different things moved, designing and constructing our very own floating vessels.

During Term 4, we looked at the many different celebrations we share with our families, including Chinese New Year, Diwali and Christmas. The boys will miss the Early Learning Centre but are very excited to be moving up to Year 1.

## OUR HIGHLIGHTS FROM PPMW

### HENRY ANGUS

My highlight from this year was playing in the Learning Centres. My favourite was the doctor's surgery and building Mobilo jets!

### CALLAN ARAV

I enjoyed feeding 'Conga' our class western bearded dragon in Term 2.

### JAKE BABICH

I liked doing my 'Show and Share'. I liked talking about when I was a baby. I brought my christening outfit to show. It was so small and cute!

### JAMES CHANG

My favourite part in Pre-Primary was drawing pictures. I like drawing pictures of camping.

### MICHAEL DE SILVA

I like playing with the LEGO and building blocks. I like building with Lovell.

### JAYDEN GUI

I love playing on the iPads best. My favourite game is the Maths bug game.

### HUMPHREY HAGER

Building Mobilo and building transformers was the most fun thing. I like to build things with Gabriel.

### ALEX HUANG

My favourite part of Pre-Primary was building planes with the Mobilo and turning them into robots.

### NICHOLAS ILLICH

I had the most fun doing Learning Centres. My favourite was drawing and art, and building block constructions.

### GABRIEL LEE

I love playing in the Learning Centres! The Chinese Tea Room was my favourite because it is so nice and cool with the hanging umbrellas.

### TITUS LITTON

The Chinese Tea Room was my favourite part of Pre-Primary. I think it is set up good with all the stuff in it.

### JONATHAN PASCOE

Doing Maths is the best thing in Pre-Primary. I love doing hard adding sums!

### DANIEL SANCHEZ

Going down to the river is the best part of Pre-Primary. Finding sticks is really fun!

### SHU SASAKI

Building Mobilo jets was fun and the dress-up room was my favourite thing to do. The police costume was the best.

### VISHNU VYHUNTHAN

I like going to the river. Building tunnels with the sand and water, and my friends was really fun.

### GEORGE WEBER

Holding and patting the stick insects was fun. Also letting the butterflies go!

### LOVELL ZHU

I like doing Maths the best! I like doing everything in Maths because I can add up, take away and count big and small numbers.

# YEAR 1JJ

## WHAT I HAVE ENJOYED MOST IN 1JJ

### MAX BAILEY

I like going to the ELC playing area and playing with my friends. I like exploring the river area and playing on the hill. I have also had fun playing the clock games in Maths.

### LOUIS CARTER

I liked *The Gingerbread Man* appearing during mindfulness and giving us messages around the classroom. I have liked learning all sorts of things in class.

### CHRISTIAN CINANNI

I liked Mrs Joseph teaching us about Australian animals. I liked making the cockatoo in my Art class.

### OLIVER CLARKE

I liked the excursion to Peninsula Farm. I liked making butter out of cream in school and also making fairy bread. I also liked the incursion we had during Book Week.

### NATE GONCALVES

I have liked swimming with my friends. I also really enjoyed the incursion with the Australian animals.

### OLLIE HARRINGTON

I liked the excursion to Kings Park because we got to do lots of things outside. I have also enjoyed the experience of *The Gingerbread Man*.

### NATHAN KHULLAR

I liked going to Kings Park. I liked seeing the bandicoot by the rock pool. I have had great fun learning the story of *The Gingerbread Man*.

### LINCOLN LE

I have really enjoyed getting to know my classmates and making special friends. I liked going to Kings Park and finding a tail bone.

### ASHER LEE

I like going swimming. I like playing with my friends in the sand playground. I liked going to Peninsula Farm. I liked exploring inside the farmhouse and seeing all the olden days' furniture and kitchen.

### DANIEL LI

I liked going to Kings Park and finding lots of creepy crawlies. I liked going to Peninsula Farm and making peg dolls.

### TOBIAS NG

I have enjoyed my Art lessons with Ms Donald. I like going to the library and reading the books with Mrs Marshall.

### HARLEY PEREIRA-FORD

I like playing with my friends in the ELC sand area. I really liked our excursion to Kings Park. I found a spitfire underneath a log and showed it to my teacher and friends.

### LUCAS PHUNG

The excursion to Kings Park was great fun! I especially enjoyed playing on The Python. I also enjoyed the incursion with the koala and other Australian animals. I gave my speech about the koala.

### THEO PORTER

I have loved everything about Year 1. My friends to play with outside and playing soccer on the oval on a Thursday at lunchtime.

### SEBASTIAN SAMBROOK

I like the specialist subjects. I love PE with Mrs Pugh. I enjoy playing with my friends at school. I had fun doing the assembly. I was a possum.

### JUSTIN SUN

I have had fun with Percy and Colin, our furry friends, whom we take home each weekend to play with and write about.

### LIAM TAM

I have enjoyed going to the river. I have had fun experiencing *The Gingerbread Man*. I like playing in the block corner each morning before school.

### JAMES WENN

I like building with the blocks in the block area. I liked going to Kings Park and seeing all the wildlife, especially the bandicoot!

# YEAR 2LS

## WHAT I HAVE MOST ENJOYED IN 2LS

### RUMITH ABEYSURIYA

I enjoyed building the real frog pond that we have outside. We did this in D and T. It was fun to use the shovels and dig the hole with my friends.

### SAMUEL ABRAHAM

My favourite thing I did this year was make the 'Special Place' posters in Geography. I liked making these because everyone's photos were really interesting and everyone's writing was also very interesting.

### CAMERON BUTLER

I have enjoyed being able to build with the blocks. You get to be creative. I liked building tall structures, like cities and towns.

### MARCO CAMPITELLI

I liked making the bunyip books best this year. I liked making them because I like writing and making books that involve lots of writing.

### OTIS CLUNE

I have liked exploring the river with my friends. I have also liked swimming lessons and trampolining.

### SAM CROSSLEY

I have liked going to the river. I liked it because my friends and I found sticks and we got to go in the cave. We looked around and found stuff like bamboo and some flowers. They were pretty and sort of smelt nice.

### PATRICK DUARTE

I enjoyed making the miniature model frog ponds in class. I liked making these because we got to use all types of materials and it was fun. I also know lots about frogs. Frogs are amphibians.

### JAYDEN EPARI

I have liked watching the little tadpoles swim around in the pond. We had been planning for the tadpoles to go into the pond for the whole year. It's just cool and the first time I have seen tadpoles.

### BENJAMIN FILIPPOU

I have liked playing cricket at lunchtime with my friends. We played 2LS versus 2RD. 2LS won the grand final. We won by three runs and I felt happy.

### TOM FOGARTY

This year I have liked doing handwriting. In your handwriting book you get to write a lot and you get to practise so that you become really neat. My work has become a lot neater, too.

### OSCAR HARRISON

I have enjoyed the excursions this year. I have really liked the excursions with the St Hilda's girls. I liked doing the sink and swim activity with them. I have also liked drawing pictures this year.

### LUCA HAZELDINE

My favourite thing this year was the Athletics Carnival. I went in running, hurdles and the bean bag throwing. In the running I came first, and in the bean bags and the other one, I came second. I was tired after it all.

### JACK KENNEDY

This year I have enjoyed playing in the sand area. I got to use my imagination. Sometimes I played with Oscar and the boys from next door. We played Avengers and we got to choose our own Marvel characters and tried to defeat the villain.

### JONATHAN KHALIL

I have had really nice friends in Year 2. Whenever I felt sad, they cheered me up. I played 'It' with boys from both classes. I played with Jayden, Dylan and Charlie N from 2LS, and Oscar A, Joseph, Artin and Guy from 2RD.

### LACHLAN LEWIS

I enjoyed designing the frog ponds. I liked doing this because I liked using the plasticine and other materials to make them. I liked the fact that I could be creative too when making these.

### YOUSEF LEZIAD

I really liked going on the excursion to the museum in Fremantle. I liked seeing the stuff about Captain Nemo. He used to be a pirate. I also liked following the sheet and map where we had to find the treasure hunt. We found a gargoyles.

### ISAIHA NANYZI

I have enjoyed doing Science. I have liked learning about materials and recycling. It is important to recycle so that we keep our

planet clean. I liked doing the experiments where we melted ice in the sun and chocolate in our hands.

### CHARLIE NG

I liked making the water wall in the sandpit area. We did this in Design and Technology. It was fun being able to design it and then actually build it. I liked testing it out. 2RD and Mrs Durston and Dr Males helped us.

### CHARLES PAGE

I have liked working in Maths groups with Mrs Durston. I liked that I got to work with friends sometimes. I liked the challenge sheets that we got to do after we finished the normal ones.

### OLIVER SWANN

My favourite thing this year has been having time with my friends outside, playing AFL and cricket. It's fun because you get to include other people that you don't always get a chance to play with.

### DYLAN TAN

I have liked playing footy with Benji and Olli and other people in Year 2. We usually played in teams and we usually won. It brought out our energy if we had been sitting on the mat for a long time.

### CALEB WILSON

My favourite excursion this year was the visit to the Shipwrecks Museum. I liked that we got to meet Miss Simon's dog, Bam Bam, at Esplanade Park and I also liked dressing up in olden day school clothes.

### VIVEK RAJA

I enjoyed participating in ICAS. I liked it because it makes you smarter. I did all of them for Year 2. I got a Distinction in Mathematics, Spelling and English and I got a Participation in Science.

# YEAR 2RD

## WHAT I HAVE MOST ENJOYED IN 2RD

### OSCAR AMANN

I loved Father-Son Camp, when I went to Rottneest and spent time with my dad.

### ARCHIE BLACKBURN

My favourite things about Year 2 were Drama, swimming, Book Week and playing with the blocks. I also liked having fun at recess and lunchtime.

### HUDSON BROWN

My favourite parts of Year 2 were playing with my friends, Art, carnivals, having Mrs Durston as my teacher, going to specialist classes and excursions.

### GEORGE CANCELI

My favourite parts of Year 2 were Golden Time and the Father-Son Camp. In Golden Time, I played blocks and marbles and went on the iPad.

### ETHAN CHEN

My favourite part of Year 2 was Golden Time because I liked playing and building the marble run with my friends. I also enjoyed the excursion to Mundaring Weir and the Nativity. My most favourite thing in the whole entire universe was having Mrs Durston as my teacher.

### DINGWEN CUI

My favourite thing of the year was swimming because it gives you exercise and lots of energy.

### MICHAEL CUI

My favourite parts of Year 2 were swimming and exploring down by the river. I liked swimming because the water was cold, and I like cold water. I liked the river because I could build stuff and find rocks and other special things.

### JOSEPH DORAI-RAJ

My favourite part of Year 2 was sport because you are outside most of the time. I also liked Art because it is really peaceful, and it clears your mind.

### DANIEL FOO

My favourite parts of Year 2 were having Golden Time, going to extension groups and helping clean the classroom. My most favourite part of Year 2 was having Mrs Durston!

### LACHLAN HERBERT

My best part of Year 2 was playing AFL with my cousin and friends.

### LACHLAN HILL

I looked forward to Father-Son Camp because it was fun the previous year. My favourite part of Year 2 was having Mrs Durston because she is the best teacher in the entire universe. Golden Time was always fun too, because we played the marble run. I also liked sport and Dance and Drama. I liked going to Mandarin and Library. In Science, we made a water wall and a frog pond. In class, I liked guided reading and running to the tree during fruit break. I also really liked having carnivals, going down to the river and swimming. Going on excursions was really fun.

### EVAN LINKLATER

My favourite part of Year 2 was Golden Time because I like to do the marble run. I also liked playing in the new sand playground.

### CALUM MACDONALD

My favourite thing of the year was Book Week because we dressed up. I also really liked the Athletics Carnival. I also think that the Father-Son Camp was good because we slept outside with our friends and it was lots of fun.

### RAYMOND MOSWEN

My favourite thing of Year 2 was playing AFL with my cousin and my brother's friends on the oval.

### JOSEPH NGUYEN

My favourite parts of Year 2 were having Mrs Durston (as the best teacher ever) and beginning swimming because it was fun to learn.

### RUPERT PHILLIPS

The best parts of Year 2 were Library, Drama, swimming and exploring the river. At the river I really liked using tools.

### CALLUM TAM

My favourite parts of Year 2 were lunch, Golden Time, sport and playing in the block area. I also enjoyed designing and making a frog pond.

### NATHAN TRAN

My favourite parts of Year 2 were the excursions, playing at the river, Golden Time, PE, swimming, creating a 'My Special Place' poster, our class assembly, playing on my iPad, playing cricket and footy with my friends, and Book Week.

### ARTIN VAHEDI

My favourite thing was Drama. I loved having my brother at school. I liked going to STARS and Typing Club. I liked playing on the oval with my 2RD friends.

### GIDEON VAN NIEKERK

My favourite parts of Year 2 were Golden Time, the Father-Son Camp, NAIDOC Week, Book Week and the Nativity.

### RISHI VASWANI

My favourite part of Year 2 was Maths groups. I like Maths groups because we got to go on IXL. I also learnt BIMDAS.

### CHASE VASUDAVAN

My favourite parts of Year 2 were swimming and looking forward to the Father-Son Camp and the Nativity play.

### GUY YELDON

My favourite parts of Year 2 have been playing football, Design and Technology, Science and Maths.

### CHASE YUEN

My favourite things have been having Mrs Durston as my teacher, Maths groups, the carnival, excursions, PE, STARS and Golden Time.

# YEAR 3LW

## WHAT I HAVE MOST ENJOYED IN 3LW

### DHRUVA BALASUBRAMANIAM

My favourite moments were when we went to AQWA for a sleepover and travelled to Scitech for an excursion. I enjoyed making new friends, House Shout, our class assembly, the sports carnival, cross country and being Class Captain and Monitor.

### HARRISON CAMACHO

I highly enjoyed starting drums this year in Term 3. It is definitely the best instrument in my opinion! I also enjoyed House Shout the most this year. It was my favourite thing because we all grouped together and sang, and I love singing and it's even better because we won.

### DECLAN CHAN

My most enjoyable moment was having the AQWA sleepover. I liked this because I had my first experience at AQWA. I also liked it because I stayed up until midnight! I had an awesome time there, but I also liked the excursion to Scitech. I got to try out a lot of stuff there. I had an extremely fun time with my class this year!

### ZACHARY FAHEY

I really enjoyed the AQWA sleepover, learning about Oceania and doing House Shout. It was so fun sleeping over at AQWA, learning about the countries of Oceania and doing House Shout was amazing!

### CHRISTIAN GILLIES

Year 3 was one of the best years I have ever had. The best things were having a sleepover at AQWA and having our first House Shout. The final thing I enjoyed was the Year 3 class concert because we got to see and listen to our friends play their instruments, and some of us had never seen those instruments before.

### HARRY GREEN

My favourite thing was going to AQWA and sleeping under the sharks with all the boys from the class, and Mrs Woodhouse and Ms Cox.

### XAVIER HERNADI

My favourite was the AQWA sleepover. It was so much fun because I was with my friends

and we got to see all the marine life there. I also enjoyed our excursion to Scitech because we saw lots of technology and experiments.

### DANIEL KELEMANIS

My favourite part was making new friends because it is good. I also enjoyed the class assembly on having a growth mindset because we got to sing. Last but not least was the excursions because we got to learn and see things which we don't have in the School.

### CURTIS LINKLATER

I liked everything but my favourite things were going to AQWA, swimming lessons and the Book Week Parade. My favourite part of our sleepover at AQWA was the sand art activity. My favourite thing about swimming lessons was being in the water and my favourite thing about the Book Week Parade was dressing up.

### JAKE MESSER

This year, my favourite thing was our class sleepover at AQWA because we got to see the touch pool. I also liked playing with my friends at recess, especially when we were playing 'It'.

### JUSTIN OSEI AKOTO

My favourite part of the year was when we had a sleepover at AQWA. We saw a gigantic box jellyfish and then we went to eat dinner. We had pizza and garlic bread and it was delicious. When we finished, we went to the Shipwreck Coast exhibit and there were grey nurse sharks and a smooth ray, not forgetting the turtle called Captain.

### PRESTON PARKER

My most enjoyable moment was when we had a sleepover at AQWA. I liked AQWA because I liked the sea creatures.

### TYSON PHAM

My favourite thing was the butterfly project where I got to use the iPad with the butterflies all day. I loved learning how to use the iPad and especially emojis!

### MAXWELL PORTER

My favourite part was when we went to AQWA for a sleepover. It was loud but I got some sleep and the food was delicious. There were also glowing jellyfish. Where we slept was Shipwreck Coast. It was where the

humongous tank was with sharks, a turtle, fish, snapper, rays and stingrays. We had so much fun!

### BRAD RICHARDS

My most memorable moment was our AQWA sleepover. The reasons were because we did lots of fun things like learn about fish and sharks. I even found out that there is a new type of shark and its name is a shovel-nosed shark. It is called this because its nose is shaped like a shovel. I also got to pat a shark and saw a turtle, but the turtle was injured. Its left front flipper and right back flipper were missing. I really loved AQWA – it was the best!

### ARJUN ROOPRAI

My most memorable days were when we went to AQWA because it was fun sleeping with the new friends we made, and I loved how we got to watch the animals above us while we slept. Another thing I loved was when we learnt about Anzac Day and when we made the posters. Being a Monitor or a Class Captain is an honour, especially if you've worked hard for it. I definitely couldn't forget our class assembly about growth mindset. I loved everyone's expressions and movement. It was truly an assembly to be remembered. And lastly, I loved going on an excursion to Scitech.

### BLAKE ROSE

I most enjoyed the AQWA sleepover because we got to play and look at the fish, and we got to sleep in the aquarium. It was so much fun!

### BEN SANCHEZ

The best part was when we went to AQWA for a sleepover because I got to learn lots about marine life, like the sharks there. CCGS is the best school I've ever been to.

### BLAKE SIMPSON

My favourite parts were when we went into the class for the first time and met everyone and doing a crossword!

### LEO ZHANG

Year 3 was the best year. We went to an AQWA sleepover under the sharks. It was the best because we learnt about fish species and we watched a movie and had popcorn. I also really liked the 3LW assembly because we got to teach the School about having a growth mindset.

# YEAR 3NH

## WHAT I HAVE MOST ENJOYED IN 3NH

### OSCAR CRAGE

My favourite times spent in 3NH have been down at the Swan River, this is because I like to play down there.

### CHARLIE DAVIS

My favourite parts of this year were Geography and AQWA. AQWA because it was fun to sleep there and learn new things. I liked Geography because it was fun to do Book Creator!

### MACK EAGLETON

I like school because it has Library and I like reading books and it's very educational.

### JOSH KOH

My highlight for this year would be the trip to Herdsman Lake, this is because I got to see the long-necked turtle.

### WILLIAM KUAN

My favourite thing this year was the overnight stay at AQWA because I liked the Danger Zone.

### TRISTAN LAURIE

This year we read the Deltora Quest series. I enjoyed this because it was very entertaining.

### TIMOTHY LEE

My favourite thing in Year 3 was AQWA. I saw many animals, like turtles, washed on the shore and sharks from the ocean.

### JJARONG LI

My favourite thing this year was going to AQWA and staying for the night (also eating so much yummy food).

### LUCAS LIM

I like Mr Hogan's computer because it looks good. I like writing because it is fun and it is interesting.

### BEN NG

My favourite thing was AQWA because the food was so delicious.

### ADAM PORTER

My favourite thing was the AQWA sleepover because I got to see some really cool fish.

### HARRISON ROSE

I enjoyed the House Shout; we had a competition against other Houses and it was lots of fun.

### THEODORE RUSSELL

My favourite thing this year was magic spots because you could get so many stamps.

### EDDIE SABA

My favourite part of Year 3 was making Chinese food because it was fun.

### HENRY STOBIE

My favourite thing about this year was going to AQWA for a sleepover with all my friends. I learnt that AQWA has the biggest aquarium in WA.

### JUDE VANCE

My highlight has been the AQWA sleepover because I got to see lots of cool Australian fish.

### JOSHUA XIE

My favourite part of Year 3 was playing games with Mr Hogan and my friends; he is really sarcastic and tells funny jokes.

### ERIC XU

I really liked Henry Stobie helping me in the class this year.

### NICHOLAS XU

My favourite thing in Year 3 was going to AQWA because it was fun. I liked looking at all the fish and I liked the cereal.

### MAX ZHANG

My highlight of the year was AQWA because it was so interesting to sleep under hundreds of fish.

# YEAR 3SL

## MY HIGHLIGHTS THIS YEAR IN 3SL

### JAMES ADAMSON

My highlight was going to AQWA because I learnt lots and there were fun activities for us to do.

### NATHAN ARAV

The highlight for me was AQWA because it was a great experience. I also enjoyed Herdsman Lake as it was fun learning about long-necked tortoises.

### QUINN BEWSHER

I loved going to the Athletics Carnival, the Christ Church Cross Country and the Cross Country at Scotch College.

### JAMES CARDACI

This year I really enjoyed Drama because our assessments were really fun. Some of our assessments were dancing and that made me happy. Physical Education was also fantastic because I love running.

### JAMES CAREY SMITH

My highlight was going to Scitech with all the Year 3s because I learnt that tornadoes grow over time.

### DANIEL EDWARDS

This year, I loved the AQWA excursion because the fish had lots of different colours and watching them swim overhead was awesome.

### SHAYE GREWAL

My favourite part of the year was the AQWA excursion because we saw lots of fish and turtles.

### JAY GUIT

I loved doing swimming lessons and splashing around in the pool. Sleeping at AQWA was awesome because we could see all the fish swimming above us as we lay on the travelator.

### HUNTER HALL

I like Maths because it is good. I went to AQWA and I saw a big shark. I slept at AQWA in fluffy PJs and we had pizza for dinner. I was happy and excited at AQWA.

### ROBERT HERRON

I liked AQWA and Physical Education. AQWA was amazing because there were massive fish, giant stingrays and sharks swimming over us while we slept.

### HUGO HOGAN

This year I liked Mrs Lee and Mrs Maddern. I also liked Mathematics, Drama, English, Art and Music.

### ETHAN KOEKEMOER

I had many highlights and some of them were AQWA, Drama and our assembly. They were all fantastic experiences.

### AARYAN LATHIA

This year I thought AQWA was the best because we got to go to the Danger Zone. We slept in the tunnel and we had dinner and breakfast there.

### YAVIN LIYANAGE

I really enjoyed playing with my friends and AQWA. AQWA was amazing because of the facts I learnt and the activities we did.

### NATHAN MOYO

This year I loved making friends because it was my first year here. I also enjoyed going to AQWA because it was my first sleepover.

### HASSAN MUNSHI

I loved AQWA because I got to sleep under 4 000 000 litres of water and I could see all the sharks above me. I also saw one dead fish.

### MICAH PUSHPALINGHAM

The highlights were Physical Education and Mathematics. Mathematics because I like to add and subtract and PE because I love running.

### ASHTON TAY

I thoroughly enjoyed it when we went to AQWA because it was exciting and fun, and the best part was sleeping in the tunnel.

### BENJAMIN WILLIAMS

My highlight of the year was Cross Country because I love running. We had to run a long way chasing the buggy with Mr Leckie on it.

# YEAR 4CT

## WHAT I HAVE MOST ENJOYED IN 4CT

### DARCY BRINKMANN-GRAY

My favourite part was building rockets at the Senior School because we learnt how to make them really strong. We also had an awesome teacher!

### HARRY BYDDER

This year we went to Fremantle and learnt about the Shipwrecks Museum. We went to Koorungal and I swam in the river. We also visited the zoo and slept there overnight.

### NOAH CHAN

One of my favourite parts of the year was when I had my picture taken with Andy Griffiths. I also had a really great time on Grandparents' Day because I got to hang out with my grandparents and play Minecraft Education. This year for Book Week, I dressed up as *Diary of a Wimpy Kid*.

### LEON CLUNE

My favourite part of the year was playing with my friends on the oval. This year I learnt how to communicate with my device. I love sitting with my friends during chapel and assembly.

### FELIX COUPLAND

One of my favourite activities was making rockets. It was so cool because we got to fire them to see whose would go the furthest. I liked it when our class helper, Ashley, visited each Friday. I really liked Digital Technology. We got to make some epic claymations using stop motion animation.

### SEBASTIAN EDELMAN

I really enjoyed the Koorungal day trip. It was lots of fun jumping and diving into the river, even though it was freezing! My second favourite thing was the bus ride back; in fact, that is where I first solved a Rubik's Cube!

### CASSIUS EVANGELISTA

I liked it when Phoenix, Cota and I went to Prep Rock every Friday and performed. I also enjoyed working with Aran to create our first claymation movie. I really liked all the experiences we had this year including having Miss Thornton as my teacher.

### ALEX HARRISON

This year, my favourite periods included Philosophy, Art, Drama and Robotics. I really liked going on excursions, particularly when we went to the zoo because we looked at animals after dark. I also loved seeing Andy Griffiths, who came to tell us about his new book.

### PHOENIX ITTEHADI

I enjoyed Year 4 because we slept over at the Perth Zoo and went on a night walk. I loved having our Open Classroom and Grandparents' Day as I was able to show them my work. A nice Friday after-school activity was going to Prep Rock Workshop with Cota and Cassius. One of my favourite parts of this year was having such a great teacher!

### ISAAC KOK

This year, I enjoyed our sleepover excursion to the zoo because we ate pizza and there was a monkey battle (they were fighting for food). I also enjoyed the Koorungal excursion because the water was only 10 degrees! In Term 1, I liked looking after our class triops, Fluffy, because he was cute.

### CHRISTIAN LEE

The best thing about this year was using the Innovation Room where we created claymations and used Spheros. My favourite thing of all would be when we designed and launched rockets because some rockets blew up!

### DARCY LESTER

This year, I really enjoyed going to the zoo because we had a sleepover and saw all the animals at night. We also went to Koorungal and went swimming and had a hot dog for lunch. I also had lots of fun when we went to the Maritime and Shipwrecks Museums, as we learnt about shipwrecks, whaling and the crown-of-thorns starfish.

### COTA NG

My absolute favourite thing this year would be Rock Workshop. Not only because it was fun, but because we got to perform *Rolling in the Deep* by Adele in front of the whole Prep School, as well as performing songs at Mojos. My second favourite was making the pop art shoe during Art because we were able to use our creativity. Miss Thornton was the best teacher I've had because she made school work fun.

### JIMI OYEWORO

Year 4 was busy but fantastic fun! The Perth Zoo was the key highlight for me, because we slept in a barn and just before midnight, we walked around the zoo to see the nocturnal animals. Koorungal was spectacular as we got to swim in a whirlpool lake and the hot dogs at lunch were amazing.

### KEVIN TAN

My favourite part was Robotics because we played Minecraft and built using LEGO. I also liked visiting the zoo because we saw lots of animals and slept overnight. I enjoyed visiting Koorungal as well, because we could swim in the lake.

### ARAN VAHEDI

Two things I enjoyed this year was our visit to Koorungal and the sleepover we had at the zoo, because I learnt a lot about endangered wildlife. My favourite moments from Koorungal included swimming in the freshwater lake and eating hot dogs for lunch. I enjoyed the night walk at the zoo and we had tasty pizza for dinner!

### VIVEK VARGHESE

I liked going to Koorungal and on the zoo trip because we did a variety of activities, such as a night walk and trekking through the bush. I also enjoyed spawning Fluffy, the triops, in Term 1 and doing Year 4 Sport. Some of the sports I enjoyed trying were cricket, AFL, basketball, rugby and soccer.

### GEORGE VIJAYASEKARAN

My favourite part of Year 4 was going for a sleepover at the zoo. I also enjoyed playing with my friends at recess and lunch. The best part was having an amazing teacher!

### ALEXANDER WRIGHT

This year I really enjoyed sleeping over at the zoo. We also visited Koorungal and had lots of fun activities like swimming in the pool. Book Week was fun because I dressed up as my favourite basketball player, Stephen Curry.

### ETHAN ZHANG

This year I enjoyed many different moments. My favourite memory was going to the JPSSA Inters Swimming Carnival at HBF Stadium because I swam with my friends against the other schools. One of my favourite subjects this year was Robotics, as we were allowed to download Minecraft Education, fly drones and make a LEGO arm.

# YEAR 4GW

## HIGHLIGHTS FOR 4GW

### OLLIVER ALLEN

This year was awesome. The zoo sleepover was exciting; a lion stalked us! I felt so scared but it was really cool when it jumped out at us! My favourite excursion this year was the Maritime and Shipwrecks Museums where we saw a 'pickled' shark and a submarine.

### ARCHIE AMANN

I really loved Year 4! Miss Watson made sure we were always happy, laughing and enjoying school; she's the best! I went on many excursions like sleeping over at the zoo and going to the museum. I also went to Koorungal; it was really fun.

### MATEEN BABA

I have enjoyed my first year at Christ Church. Going to the zoo camp and the Maritime Museum were a lot of fun this year and just being in a classroom and having different lessons with Miss Watson and Mrs Mitchell has been a great experience.

### BENJAMIN BEJCZY

Robotics was definitely my favourite subject because we were allowed to use EV3, which we coded to dance and drag race. Mine had a 1.7m nose, which led me to come second. Another highlight was the zoo camp; a lion pounced at us!

### JONNY DONNELLY

I loved Year 4 because we did all sorts of fun things, like sleep over at the Perth Zoo, many different sports carnivals and lots of excursions such as the Maritime and Shipwrecks Museums. I loved my time in 4GW.

### NICHOLAS FILIPPOU

The zoo sleepover was the best part of the year. It was really fun, scary and exciting. The best part of the zoo camp was when the lion pounced, it was very loud and frightening. We stayed up really late and had a lot of fun.

### MAX GEORGIU

Year 4 was amazing, probably the best year I have had at CCGS. The highlights were mostly the exhilarating excursions and incursions, like the zoo camp, meeting Andy Griffiths, Koorungal, and the exhausting but fun sport carnivals. I also liked just doing fun activities around the School, like going down to the river. Miss Watson was one of the best teachers I have had.

### FINN GIBB

I loved Year 4 so much. We went to Koorungal, the zoo to sleep over, the Maritime and Shipwrecks Museums and did a lot of sport. My favourite sport was basketball. In class we did claymations. They were really fun as we built characters out of wire, clay and bubble wrap. We also used the app, Stop Motion Studio, to make the movie.

### LAURIE HACKING

Year 4 has been my favourite year so far! The zoo camp was brilliant; one of the female lions pounced on the glass at us. I absolutely loved feeding the radiated tortoises and looking at their shells and patterns. Every term I learnt a new sport and my favourite was soccer. Year 4 allowed me to make many new friends. Another highlight was that I enjoyed watching Andy Griffiths.

### THEO HACKING

Year 4 was the best school year I've ever had, as I made many new friends. I had a lot of favourite excursions like the zoo sleepover in Term 1, Kings Park in Term 2 and the Maritime and Shipwrecks Museums in Term 3. Year 4 Sport was a highlight as we learnt many different sports and then played a carnival against other schools.

### ELLIOTT HO

I was very excited to begin Year 4 since it was my first year at Christ Church. I enjoyed going to Koorungal and learnt a lot about wildlife. I also liked the camp at the Perth Zoo because it was my first camp. I had fun at the IPSHA Spelling Bee, even though it was very nerve-racking. Overall, I think this was a great first year!

### ISAAC KOAY

Year 4 has been one of my best years at school yet! We did so many excursions like going to Koorungal, Kings Park, meeting up with Australian authors like Andy Griffiths, and doing cool sport carnivals. However, my all-time favourite was the zoo sleepover. It was so awesome; we got to run around the zoo, and we had a female lion pounce at us! Every day was very fun with one of the best teachers I've had, Miss Watson.

### OLIVER LEECH

This is my first year at Christ Church and I have had an awesome time. We've done so many amazing things. My highlights were the zoo sleepover, being pounced at by the lion, all the sports carnivals, the excursions and the JPSSA Swimming Carnival.

### KAREEM LEZIAD

I enjoyed my time at Christ Church; it was so much fun. I really enjoyed the different excursions like sleeping over at the zoo and going to Koorungal. I also really enjoyed the sports carnivals, especially when we played soccer.

### CAMERON MCCOUBRIE

This year was my first year at Christ Church and it has been a blast! I loved the Year 4 sports carnivals and the many excursions. At the top of my list was Koorungal. I can't wait to spend some more time there in Year 5. I will miss 4GW, Ms Watson and all the fun times.

### DEVON PAN

Two major highlights for me were the zoo camp and becoming Class Captain. The camp was fantastic because at night we went on a walk and guess what? A lion pounced at us! It scared the life out of me! The Year 4 sports carnivals were a lot of fun too.

### AUSTIN READMAN

The zoo sleepover was the funniest excursion I have experienced. We played games and even stayed up after 9.00pm. We saw a lion pounce at us in the dark of night. The sports carnivals were unbelievable.

### JOSHUA TAI

One of my favourite things was when I went to the zoo and a lion pounced at me. Another great time was when I went to the Maritime and Shipwrecks Museums and saw things like a submarine.

### SEBASTIAN THONG

It was my first year at Christ Church. I enjoyed all of the terrific excursions: Koorungal, the zoo camp, Kings Park and the Fremantle museums. I enjoyed the co-curricular clubs, music clubs and my spelling bee training. All the days were filled with excitement, meeting authors like Andy Griffiths, and having epic sport carnivals, training and learning how to play sports.

### ETHAN WONG

My year was amazing. I enjoyed everything, especially training for games against Hale and Scotch, but my favourite part was becoming Class Captain in Term 2. The experience that tops my list was sleeping at the zoo and going on a night walk!

# YEAR 4SO

## WHAT I HAVE MOST ENJOYED IN 4SO

### ESSINGTON BAILEY

My favourite part was Koorungal although there were so many enjoyable things following that.

### OLIVER BAKER

My highlight of the year was getting to know the new boys in 4SO in first term. We had fun with them. Mr O was also incredibly nice and respectful.

### ETHAN COOK

My favourite thing of Year 4 was the zoo camp because we slept over and didn't do school work.

### LUCAS FRANCO

My favourite part of the year was when the lion pounded on the glass and yawned. It was cute!

### LOGAN GOEBEL

I loved the zoo camp and everything else, and Mr O was great.

### ELIAS GREENE

My highlight was Koorungal as we swam in the river. Mr O also was a highlight as he is very nice.

### LIAM GREGORY

My highlight of the year was going to PE and sport because it was fun learning about and joining in different sports.

### JAMIE HARRINGTON

The things that I liked were spending time with my friends and the teachers, especially Mr O.

### FRANCIS HOLMES A COURT

I enjoyed Year 4 because of everything. Having funny people around me and getting Mr O as my teacher probably stood out from the rest.

### NATT HONGSRI

My favourite part of the year was the zoo sleepover because I've never slept at a zoo before.

### EDWARD KEOGH

My favourite part of the year was hanging out with Mr O and doing a conga line in my dinosaur suit.

### DAVID LAMB

My favourite part of the year was Koorungal because I love being in the bush.

### TIAN LIANG

My favourite part of the year was the zoo camp because I enjoyed sleeping over with my friends and making enrichments for the animals. I also enjoyed the Koorungal excursion because I love swimming in the river.

### JACOB NGUYEN

My highlights of the year were the Shipwrecks Museum, the zoo sleepover and swimming.

### MATTIAS PRICE

My favourite part of the year was when we went to the zoo. I loved the animals, especially the Sumatran tigers!

### PRAJWAL RAJ

I literally thought everything was awesome. Whether it was Mr O or excursions or stuff inside school, everything was awesome.

### LACHLAN RUSSELL

I enjoyed all of the excursions but the one that stood out was the zoo camp. I also liked the Sports Carnival.

### WILLIAM SIMPSON

One of my favourite parts was stop motion because we learnt how to make clay people.

### TERENCE SOON

I loved the zoo camp because we saw a lot of things on the night walk. I also enjoyed swimming in the river at Koorungal.

### ANGUS WANG

Everything, because it was my first year. The best thing was Edward in the inflatable dinosaur suit because who wouldn't like that?

### JAMES WOOD

My top three things were the zoo camp, the cricket carnival and co-operative reading.

### JACK WU

My favourite thing was everything!

# YEAR 4TR

## HIGHLIGHTS OF 4TR

### COSIMO ALOI

I really enjoyed the Andy Griffiths incursion. He was hilarious! He told the boys to move his books into the non-fiction section as his books were real! Ha Ha!

### RAVI BERTOLINI

I loved the zoo camp because of the awesome activities, such as the Race around the Zoo and watching the animals in their habitats during our night walk. IT WAS THE BEST!

### HAMISH CAFFERY

My favourite part of the year was when we went to Kooringal. We swam in the river, had a sausage sizzle and explored nature. BEST YEAR EVER!

### MITCHELL COLMAN

I personally liked Kooringal because I loved the long trip on the bus. We had a scavenger hunt for different types of rocks. Then we swam in the river and the water was surprisingly warm.

### BAAZ DHILLON

My favourite activity was Robotics. I enjoyed building LEGO robots and coding them. I enjoyed beating my teacher in a bet for Freddo frogs, but we never got them!

### ASHER EDELMAN

I enjoyed writing my unique historical narrative on the First Fleet. I made my story very compelling for my readers.

### HAYDEN FLOWERDEW

I really enjoyed being Class Captain. The best part was when we won the Golden Broom.

### JACK GIBSON

We went on an excursion to Kings Park. It was really fun. We walked around looking at the beautiful native trees and flowers.

### ARMAN GOHIL

I enjoyed Homework Club because in Year 4 you get lots of homework! It feels amazing handing your homework in on time each week.

### HARRISON HILL

I enjoyed studying mealworms. I loved these wiggly crawlies and highly recommend you observe them when they turn into darkling beetles.

### KEVIN KHULLAR

I loved Wetland Warriors because the nature activities were fun and interesting. Mrs Ranford was very joyful!

### ATTICUS KIMBERLEY

I loved swimming in sport, especially freestyle because it's fun and you get to talk to all your friends.

### MATTHEW LUO

I have really enjoyed making good friends this year and I'm glad that I had the scary experience of public speaking.

### FELIX MAXTED

Definitely the best part of this year was the Perth Zoo camp because of all the fun activities. We made red panda habitats out of boxes and went on a night walk after dark to see the nocturnal animals. It was the best!

### ANGUS MITCHELL

One of my favourite experiences in Year 4 was being Class Captain. I enjoyed getting the lunch orders each day!

### MATTHEW MOFFET

I liked going to Kooringal the most. It was the most exciting and amazing excursion this year. We swam in the river, and then found rocks, leaves and nuts and sketched them.

### XAVIER OPENSHAW

I like Book Week because you can dress up as characters from books. I dressed up as the Egyptian god of chaos, Seth. It was fun seeing what other costumes the boys were wearing.

### SAM REYNOLDS

The Athletics Carnival was an amazing experience. I ran, leapt and threw my heart out with enthusiasm. I enjoyed this phenomenal event because it was so competitive.

### ALEXANDER TEO

Andy Griffiths visited our School and told jokes and stories about the whole Treehouse series. He was very funny and entertaining.

### LUCA VAN BRAKEL

I enjoyed the Maritime Museum. It had so many mysteries about the ocean. Did you know a sea lion has a bucket of wax in its head?

# YEAR 5CF

## WHAT I HAVE MOST ENJOYED IN 5CF

### LUKE BABICH

In Year 5 we go to Koorungal for two nights. I loved it because it was fun being outdoors, being away from home and having a good time with my friends.

### TRISTAN CHAN

My favourite thing that happened this year was when Mr Fallon brought in a giant telescope and we spied on the MLC girls playing their violins.

### DECLAN CHURCH

I played cricket as my summer sport each Thursday. I love playing cricket and I thank Mr Griffin and Mr Fallon for coaching the teams. I have played in the A team all of Terms 1 and 4. We play on the turf pitches and that is a fun experience because I don't play on it for club. My dad is the best supporter I could ever dream of and my mum is very positive when I don't play that well.

### JACK COOPER

I enjoyed doing sailing for my summer sport because we teamed up with other boys.

### JACKSON CRAIKE

This year has been a great year for me and my class. Many great things happened. One of my favourite trips was to Koorungal. Every day was great, doing subjects from LOTE to PE.

### MILES DAVIES

What I enjoyed most about the school year was playing AFL. Also, I enjoyed meeting new people and working together.

### ETHAN DI MARTINO

I'm speeding down the final straight at Scotch College. I'm coming second in the JPSSA Cross Country Carnival. I cross the line one second after the boy in front. I'm so proud of myself.

### JACOB DODD

My favourite part of this year was meeting and showing Mr Fallon my magic tricks and becoming 'joke judge'.

### LINCOLN FAHEY

The best thing was smashing Guildford in basketball.

### PETER HARRISON SCHMIDT

My favourite thing was Koorungal.

### LIAM HOOPER

My favourite thing this year was playing baseball during sport.

### VIDARSHA JAYASINGHE

My favourite moment this year was going to Koorungal because of all the fun games we played. It was really funny when Nash walked into my dorm at 6.00am and said, "Hey, guys!" and climbed into Henry's bunk!

### NOAH KEREN

My favourite thing was going on the AFL tour because we did some amazing things.

### JOSHUA KING

My favourite part was Koorungal and our classroom money system.

### SAMUEL LEE

My favourite moment was going to Koorungal because our class swam in Scarp Pool. I liked Koorungal because we learnt how to save the environment.

### OWEN LISLE

My favourite thing about Year 5 was that I played Year 5/6 sports. It was good to play with older kids as it was more challenging.

### CHRISTIAN MCGLEW

My favourite was taking wickets in cricket; one of them was a James Bond roll catch.

### XAVIER MCSWEENEY

Achieving my Bronze certificate was my best thing.

### MAHI MOHAN

The best thing of the year was when we saw Mr Fallon make bath bombs and then making them ourselves following his method.

### ETHAN PARKER

The best things were when I met my first friends and when I got in JPSSA sport.

### ZACH PARRAMORE

My favourite part was playing winter and summer sport with my teammates.

### ISAAC PASSAGE

My favourite part of the year was doing the extension project in STARS reading because it involved craft and creativity.

### SAMUEL RAMACHANDRAN

My favourite part of Year 5 was the assembly because I dressed up as a tree.

### RAFA SABA

I had quite a few highlights this year. I liked the Koorungal sleepover, especially the food, and my Year 5/6 sports. The best was Maths when Mr Griffin explained smart things that are essential to learn in life.

### ASHTON SALOMONS

This year I enjoyed spending quality time at Koorungal whilst earning Earthkeepers' keys. I also loved learning about space in Term 2.

### NASH SHEPHARD

I really liked Koorungal because it was fun swimming in the lake and getting the Earthkeepers' keys.

### HENRY STOKES

My moment I remember was not playing the 50-over game because it was raining. We could only play 20 overs. I love cricket.

# YEAR 5JG

ELLIOT YONG / YEAR 5

## MOMENTS IN 5JG

**In Year 4, I found out that Mr G was my teacher; I was most excited and when it came around to Term 1, I dug in... this is why...**

Thankfully, Term 1 was a blast. One of the first activities was reading *Blueback* by Tim Winton about a surprisingly large blue groper, cared for by Dora and Abel Jackson, who lived at Longboat Bay. We went to Koorringal, the fantastic outdoor education centre, where we learnt to be Earthkeepers. We also wrote our first prose by the Boat Shed and created the Words of the Week.

Term 2 brought many surprises for 5JG. We read a book titled *Boy Overboard* by Morris Gleitzman. This story was about a family moving to Australia as refugees. The Speakers' Challenge was also great and, amazingly, my classmate Ari won! We also enjoyed the Athletics Carnival and Cross Country. Learning about the solar system was also one of the highlights.

Unsurprisingly, Term 3 was fulfilling as ever with the lapathon. In the event, I placed 28th out of 100! My Reading Rules and Book Week were also held. This term's novel was *Wonder* by RJ Palacio. This story was about a boy, Auggie, who has a rare facial deformity. In Science, our project was making torches.

In Term 4 I had many experiences. In Science, we worked on the fascinating topic of solids, liquids and gases, baking an Earl Grey teacake and making honeycomb with Erin Corner. Our class assembly, the Remembrance Day service, was well-received by the audience. The assembly was about World War II.

5JG has been exciting and educational and I have loved every moment of it.

# YEAR 5JJ

## WHAT I HAVE MOST ENJOYED IN 5JJ

### ALISTAIR BARTLETT

In my opinion, Koorungal was the best experience for me because we got to stay there two nights and also go swimming in the river.

### ARJUN BRIAN

The activity I cherished most about the 2019 school year was when 5JJ learnt how to sail. I loved everything about it (especially the capsizes and the picnic). I also loved Arjun the panda (a soft toy that Thom won at the Chinese assembly) and yes, we named a panda after me and it was marvellous!

### LEWIS FISCHER

I think that out of the whole of Year 5 the best part was our Redkite assembly because it was fun seeing the assembly come together each lesson. It was really enjoyable rehearsing each scene of the assembly.

### WILL FLAHERTY

The most enjoyable thing about this year was when we went down to Koorungal. I liked the adventures we did like when we walked down a very steep hill and crossed the river with the bosun's chair.

### CHARLIE GILLARD

The most exciting thing in Year 5 was the sailing week when Ben and I got to man a three-man boat with only two of us! Also, I started trumpet and it's been really rewarding so far.

### SAMUEL HENRY

My favourite thing in Year 5 was House Shout because we got to sing with everyone and come together as a House.

### ARYAN ISMAIL

My favourite thing in 2019 was Koorungal. I really liked it because we learnt how to save electricity, food and treat nature properly. The dorms and swimming in the river were also the best.

### HAYDEN JEFFERYS

The best part of Year 5 was spending time and learning a lot with the amazing teachers they have at Christ Church. This School has the most amazing teachers I've ever had and is by far the best school I've ever been to.

### LAWSON KIRBY

My favourite part of Year 5 was the one-week sailing experience and skipping the boat. Also learning to tack on a sailboat was fun. All the boys gave it a go!

### KIRAN KULCAR

The standout part of the year was sailing because you got to experience something you have never done before.

### VIBHAV KUMAR

One of my most enjoyed parts of 5JJ was our different class projects. These tasks included making our Tranby House diorama, our torch, our Wonder Blooms ball, and our cool and hot burns diagram. These tasks were all great learning experiences.

### LUCAS LANE

My favourite moment of Year 5 was making our Grammar City posters. I enjoyed grabbing the information from our class work and drawing the little characters that were speaking about the colons or the full stops!

### BENJAMIN MACGREGOR

In Year 5, my favourite things were when we participated in the inter-house and inter-school carnivals. My favourite was the inter-school cross country because we ran on a great course. Year 5 really was a year that I learnt a lot from my teachers.

### SAM MEYER

The best part of Year 5 for me was Thursday sport. I chose basketball for summer and soccer for winter. Another great thing about Thursday sport was that I got to work with some new people that I didn't really know beforehand.

### JOSHUA NG

The best part of 2019 was when we built the Tranby House diorama because it looked good and it took a lot of effort to make. I also liked doing the Gold Grid (about the Australian gold rushes) and the torch inquiry where we designed and made our own torches.

### MARCUS PANZICH

My favourite part of Year 5 was our Redkite assembly because there were quite a few funny parts. I think I did my part very well.

### SAMUEL PORTER

The best memories of Year 5 were making our torches out of recycled materials and then writing in our science journals about our design process. Afterwards, we also had to make a 'side dish' about a topic with light. I chose photosynthesis and how plants need light.

### FLORIAN REMKE

My favourite part of Year 5 was Koorungal because we got to jump in the river and learn about river species! We also went to a special hill every evening where we got to write in our diary about the day.

### AUBREY ROGERS

I enjoyed all moments of Year 5 because it was really fun! However, I must say that Open Classroom and Grandparents' Day were my most prized moments because I got to show my mum and nanny (grandma) my work. I also enjoyed learning about animal adaptations because I really like zoology and I want to be a zoologist when I grow up.

### CHARLIE ROYLE

My favourite experience in Year 5 was the trip to Tranby House. Some people think Tranby House is boring because it's from the olden days, but I enjoyed learning about the information. I really liked this year and am looking forward to being a leader of the Prep School in Year 6.

### ARCHIE STANLEY

The bath bomb project was a wonderful experience when we mixed fun with science as we learnt about the changing states of matter. In the end we were left with a nice smelling, colourful, fizzy bath bomb that we could bring home and test out!

### NIRESH SUPPIAH

My favourite thing in Year 5 was our Gold Grid inquiry project, because you had freedom to do what you wanted and combine it with the information we had learnt. Another great thing was our Wonder Blooms ball – it turned out really great in the end when they hung from the ceiling.

### HARRISON SURTEES

The most exciting and best moment of Year 5 has to be Koorungal because we got to go into the river and work to become Earthkeepers. Another great activity was Thursday sport because you got to play with your friends. Overall, Year 5 was just great!

### FLYNN TOWNER

In Year 5 my most remembered and favourite moments were during Thursday sport, because you could play with somebody you don't normally play with.

### THOM YATES

My most favourite adventure of Year 5 was our 5JJ class assembly, which was also the Redkite assembly – I was acting as Ed Sheeran!

### KIEFER YUEN

My most memorable moment of Year 5 was when I first stepped into the classroom on my first day. I always remember first days. I enjoyed this because I liked seeing new people, my new teacher and exploring the classroom. It made me look forward to the year ahead. I also enjoyed joining the String Orchestra and playing violin.

# YEAR 5KP

## MY FAVOURITE MEMORY

### ARVIN AEIN

My favourite memory was Koorinal, basketball and the 5KP assembly. I also enjoyed Rohan Waring's assistance every Friday. Time for Year 6.

### JAYDEN ARAV

My favourite part was when we went sailing and learnt how to use a boat and about its parts. I also enjoyed trying multi sports as I have never done it before. IT WAS A FUN YEAR!

### FREDERICK AZIS

My favourite memory was when I actually got to play basketball against other schools.

### VAIBHAV BAGUBALI

My favourite parts of amazing Year 5 were when we did sailing and camp. We all had a great time and we all learnt something new about our friends.

### ANURAG BARUA

My most treasured memory of amazing Year 5 was when we cooked up myriads of humorous jokes about one another (including Miss Price). These memories and jokes will be treasured in my heart for many years to come.

### SIDDARTH BAVAN

My favourite parts were Year 5/6 sport, lunchtime, our assembly and Koorinal.

### ABE BRIFFA

My favourite memory of Year 5 is doing our assembly about the human race and playing an Australian girl. It was also fun having Rohan in our class on a Friday.

### ARCHIE BUCHER

Being introduced to the JPSSA program, making the torches and getting an A in drama were highlights.

### SEB CARDACI

My favourite memory was playing in the JPSSA summer and winter sports as well as doing the JPSSA Swimming Carnival. I also liked performing our assembly on the human race. I was the host for the show.

### AIDAN CHEN

My favourite part of the year was the Yahoo pizza lunch.

### ISAAC FOO

My most favourable parts were playing basketball in JPSSA sport and taking part in Future Problem Solving. Maths was definitely fun and I enjoyed Shoot the Sheriff in Mr Griffin's Maths class.

### MICHAEL GENDY

My favourite parts were meeting the new boys and teacher and spending another year at this incredible school.

### BEN GISHUBI

My favourite memories were using my device to communicate my wants and my co-curricular activities such as sailing and trampolining.

### EASON HE

My most memorable moments were camping at Koorinal, being Class Captain and sailing with my friend.

### THIEN AN HO

My favourite thing was Year 5/6 sport which is a fun opportunity for students to play sport against other schools.

### HARRY JONES

My favourite memories were definitely camping at Koorinal, sailing, Comic Club (a club I made with my friends at the library) and Friday afternoons with Rohan, our Senior School mentor.

### BENJI LANDAU

My favourite part had to be the Koorinal camp. It was super fun and I loved swimming.

### JASON LIN

Year 5 was a favourable year. Koorinal and sailing were fun. Miss Price was nice. The assembly performance was incredible (especially Nicolas's part). The classmates were good and friendly. Miss Price's helper Rohan was really nice and funny.

### SHRAYEN MOODLEY

My favourite memory was the Athletics Carnival and the assembly because I played the best character, Mr Egypt. I also liked how I made lots of friends.

### EVAN RATCLIFFE

My favourite memories were Prep Rock Workshop, JPSSA, Comic Club, playing basketball and our class assembly on Survivor. YEAR 5 WAS A GREAT YEAR!

### ROHAN SHETTY

My favourite memories were playing basketball with Sid and Fred, improving my writing, getting an A in drama, Prep Rock, assembly and Comic Club. Year 5 was a blast.

### ROHAN SHRESTHA

My most favourite memories were playing with my friends at lunchtime, sport and PE. I also liked going on fun excursions and learning many different things in specialist lessons!!!

### NICOLAS STATI

My favourite time was being in the cross country team. I also liked going sailing with my friend and doing sport on Thursday for the first time. IT WAS A GREAT YEAR!

### CHRISTOPHER WHEATLEY

My most favourite parts of the year were when our class went on excursions and sailing.

### NATHAN WONG

My favourite memories were coding in Grok Learning in Digital Technology, Koorinal, sailing at Freshwater Bay, and performing in the School's music concerts. Also, having time with my friends at lunchtime, and being Class Captain in Term 4.

### JAKE ZIMMERMANN

My favourite memories were playing JPSSA sport every term, doing footy and going to Koorinal.

# YEAR 6HP

## AFL TRIP TO MELBOURNE

### ADAN GIAM

The stadium was roaring as Richmond scored the final goal. We were watching a preview of the 2019 grand final, except it was July and it was wet and raining. During the MCG tour we went into the locker rooms, climbed to the highest seat in the stadium and even saw the commentators' room and the coaches' box.

### JACKSON HOGAN

My highlight was the footy tour. We toured the MCG and we also watched two live games. It turns out that we saw Anthony McDonald-Tipungwuti's goal of the year.

### OSCAR MALES

The best part of my first Christ Church year was the AFL Trip to Melbourne. We also pretty much had a preview of the AFL Grand Final when we watched Richmond play GWS. It was a cold and wet game and even the same result: an easy win for Richmond.

## CANBERRA TOUR

### DANIEL BOHM

One of my favourite parts was the Australian War Memorial because we saw the history of Australians at war. My favourite part is hard to choose but I think it was seeing a golden AK-47.

### XAVIER CRAIG

In Canberra, I saw what people in Parliament do when there is an election. I also liked going on the plane and staying at the hotel. The food at the Mantra hotel was very delicious. The best part was visiting the Australian War Memorial because I saw how many soldiers served our country in wars.

### OLIVER DI GIROLAMI

Year 6 was an action-packed year. It ranged from Canberra to Koorungal with a myriad of other trips. Canberra was an influential, intriguing and profound trip. We had scrumptious burgers and chips at Guild restaurant along with other really appetising hotel food.

### FREDERICK DHARSONO

There I was, boarding the plane to Canberra, saying goodbye to my family and hello to my friends. Our destination was a majestic capital city that holds Australia's greatest buildings, from the grand Parliament House, to the amazing Questacon.

### ALEX FAHIMIAN

Canberra, Koorungal and the electricity project were great fun. My favourite event was Canberra because we chose who was in the dorm and the food was delicious. Also, Canberra has a variety of activities such as visiting the Governor General's house and going bowling.

### SAMUEL HURWORTH

Canberra was my first interstate school trip. There were good times and bad times. Qantas lost my luggage! However, overall it was a fun and valuable experience. I most definitely loved the bowling, thanks to the epic pink ball. Funnily, my luggage turned up as we were heading to the airport to go back home to Perth.

### NATHANAEL ONG

My buds and I awkwardly marched single file into what we thought was death. As we walked out of the dark corridor, over 100 beady eyes stared at us... girls, and BOWLING... After meeting the girls and getting comfortable, we all had a great time.

### ZACHARY PENTONY

Canberra – waking up in the morning with the bright sun shining in my eyes, the alarm clock beeping loudly. First thing on the agenda, Parliament House. Fun re-enactments, guided tours and standing on top of Parliament, then to Old Parliament House. What a great day, can't wait until tomorrow.

### ALEX PRICE

Canberra was fantastic but we also had a few awkward moments, especially when we went bowling with MLC. After a while, we all relaxed and got along well. Questacon was one of my other highlights, along with Parliament House and the National Gallery of Australia.

### EUAN STRACHAN

The Canberra trip was a memorable, fun experience for all Year 6s (except maybe Sam because he lost his luggage). The highlights of the trip were probably bowling (with the girls from MLC), the tour of the War Memorial and the trip to the science centre Questacon.

### LUCAS ZHANG

My most memorable moment was the Canberra trip. I was waiting at the airport, my heart beating ridiculously fast. I was trying to calm myself down but I clearly knew that was impossible. Wait, it is time to go onto the plane, I am so excited! Let's go to Canberra!

## KOORINGAL CAMP

### MAX GROWDEN

This is one of the toughest decisions I have ever had to make; should I put pineapple on my pizza or not? Our Koorungal camp was an extraordinary experience. One of my favourite moments was making my own woodfired pizza. It was also great that we won the mia-mia contest.

### OSCAR HO

Canoeing and the mia-mia were definitely the highlights of the camp for me. We gathered sticks for our mia-mia building: teamwork, a few squabbles – it all went so fast. There were smiles on everyone's faces every day. I wish our Koorungal camp was longer.

### RILEY HUBBARD

My favourite moment was building mia-mias at Koorungal. I was so happy that my group won. I also loved going rafting on the beautiful Murray River.

### JAYDEN PAVLOVICH

I liked our Koorungal camp because we did activities that I had not done before. We were also given our independence to wander the camp with our friends.

### NICHOLAS TIEN

Koorungal was a blast. We were doing something enjoyable at every single point of the day. Building the mia-mias was as stressful as skydiving. I would love to do Year 6 all over again to do the camp one more time.

### NIROSH WEERASOORIYA

I liked Koorungal the most. At first, I was nervous, but it turned out to be really fun, adventurous and unique. The flexible classroom seating was amazing, and I think I will miss it in the Senior School.

## FUTURE PROBLEM SOLVING NATIONALS

### JACOB MOFFET

Yes! We had started our descent into Brisbane. I could see small bushfires in the hills. Lower, lower, touchdown, thankfully we landed safely. As we arrived at our competition room at Moreton Bay College, I started to get a little nervous. We went through the day well and then at the closing ceremony, the placings are called out. Ooh... seventh place. So close!

**ASHNUWIN VIJAYANDRAN**

In the competition room the stress was building in our team. It was crunch time – decision time. That’s it, time’s up, relief fills the room as we finish our booklets. This was it. Were we going to win? We’ll just have to wait for tomorrow.

**INTER-SCHOOL SPORT**

**TOM GRUNDY**

“40 – 30,” my opponent says nervously. I’m in my ready position, heart pumping, sweat dripping. His serves are as fast as the wind and hard to beat. I whack a forehand and the ball flies forward as fast as a beam of light, my shot powers into the corner. Game, set, match.

**WINTER SKI TRIP**

**TOMMY GREENSHIELDS**

The Ski Trip was seven days of flat-out skiing. The only breaks we had were to eat or sleep.

**YEAR 6 PRODUCTION**

**CALLUM CHADBUND**

There I was, backstage as the final Scene 1 song played, and my inner Merlin the Magician was stressing out. I went on stage, begging for everything to turn out well. Thankfully, the production was a masterpiece! At the end, we were exhausted from the energy and experience. We couldn’t wait for the second night!

# YEAR 6JM

## HIGHLIGHTS OF 6JM

### LOUIS MANERA AND LUCAS VIJALA

We walk up to the stage, nervous but excited. Our faces come onto the giant screen overhead. This is it, our final House Shout in the Preparatory School. The band strikes up and we're off, singing our hearts out, remembering the meaning behind the words, and trying to stay in time.

### HARRY BILLINGHAM AND ANDREW CALDERWOOD

It's opening night. The audience enters the theatre and our excitement starts to peak. Ten weeks of rehearsals come down to this, our opening show. After what seems like forever, our scene arrives and we slip out from behind the curtains. *"What a Knight!"*

### JAYDEN PHUNG

It's my last Prep Cross Country Carnival. "On your marks, get set, go!" and I am off with a bang. My legs feel tired but I have to keep going. Hearing shouting and cheering, I push every part of my body over the finish line. I feel hot, proud and happy.

### JAKE HASHEM

It's the JPSSA Spelling Bee finals. I wait my turn as others spell their individual words, the tension mounting. Finally, all eyes are on me; my word is 'prerogative'. As my pencil stumbles over the paper, making symbols that are reminiscent of letters, I start to panic...

### EWAN CALDER AND HARRY COLVIN

We rhythmically beat down on the marimba with our mallets. It sounds amazing! Hundreds of boys are watching as we stand at the front of the Chapel for this, our very first performance as part of the Percussion Ensemble. We've had so much fun rehearsing with Miss Soares and now it's our time to shine.

### DUKE FOGARTY

Mr Casson's mindfulness lessons are amazing! I find a spot on the couch and close my eyes as the Smiling Mind voice tells us to breathe in and breathe out. I think about how good my day has been and start to relax. The next thing I hear is the bell; I open one eye to see if anyone else is opening theirs.

### OSCAR HACKING

I apprehensively walk down to the office to collect a House Captain nomination form.

This is our final opportunity to take on a Year 6 leadership role and I know I have to go for it. When the email comes through to say I've been successful, I am as happy as I have ever been.

### LUCA CAMPITELLI, OSCAR KOH, ARJUN RODRIGUES AND TOBY WARNER

As we look out the window, the pilot's voice comes over the loudspeaker, welcoming us to Canberra. This is going to be a fantastic week! We collect our luggage and head out to the coaches, eager to get to our hotel to unpack and settle in. On the way we catch a glimpse of some of the sights we're going to visit over the next few days: Parliament House, the Australian War Memorial, the National Arboretum, Government House and Questacon. We can't believe we're here!

### MAX HOFMEYER

Listening to the Australian Poetry Slam champion Zohab Zee Khan perform his poems is truly inspiring. He teaches us how he comes up with great ideas and shares some helpful strategies. We can't wait to get writing ourselves.

### ZACH BUTTROSE AND ETHAN CHOI

The brand new Innovation Room is amazing! 3D printers, circuit makers, micro:bits, Spheros, drones and much, much more. We can't wait to see what we are going to do with it all.

### JOSEPH SKEWES AND JACK VINES

We start the morning with all the other Year 6 boys and their dads, eating bacon and eggs in Sandover and sharing stories. Then we head down to the river and spend some quality time with our dads, talking and writing poetry together. It's something we will remember forever.

### AAKASH JOIS

There's just one ball left and the opposition need two runs to win. We find our positions and get ready to take a catch. The bowler takes his run up and the batsman composes himself; the air of excitement is palpable. The batsman plays his shot, the ball rushing to meet the fielders. One dives to the ground just in time to grasp the ball. As he hits the grass like a brick, we hear the cheers of our team; Christ Church has won the game!

### OLIVER DOUGLASS

The Pre-Primary boys stare up at the Year 6s; we are almost double their size! I hear my

name being read out and I'm paired with a shy little boy called Nicholas. It doesn't take long for us to bond though; he loves playing superheroes and so do I.

### MAX GRIFFIN

I'm starting as a new boy in Year 6 and the only person I know is in another class. I step out of my comfort zone and try my best to fit in. By the end of the year I know everyone in my year, as well as many of the Year 5s. I feel as part of the School as anyone else.

### GARY CHAN, KINGSTON LIM AND JAYDEN YOUNG

Finally, after a long hike into Koorinal (spotting a carpet python on the way!) and a busy afternoon of mia-mia building, we are finally ready to eat the dinner we've cooked. As we take the wok off the Trangia, we see everyone's mouths watering at the sight of the delicious food. Golden brown meat, rich tomato sauce and carefully chopped up vegetables, topped off with glorious melting cheese... this was going to be worth the wait!

# YEAR 6JS

## MITRE MOMENTS IN 6JS

### MAX ALLEN

The game is about to start. We are all ready. The clock's going, we won the tip and an easy lay-up. Twenty seconds left, it's the fourth quarter, we are six points up, Scotch hit a three. We have the ball... trying to waste time... the bench screaming... 5... 4... 3... 2... 1! We have won, the anxiety disappears.

### CAMERON BAKER

The cards were building up and the pressure was growing. Alfie and I had six layers of cards and we were going for the seventh layer, but with a little shake of the hands and a ruffle of the feet, the cards came toppling over into nothingness.

### CHRISTOPHER BERG

Bang! The 400m race was off. I could see everyone ahead of me. I had to catch up. As I came around the bend, beads of sweat cascaded down my face. I put in my last burst of strength – I was quick as lightning. I had come second!

### ROMAN BRUNO

My hands are dripping sweat, with that strong smell of pre-teen BO. I am waiting for the final whistle... we are beating Scotch 4-3. 5... 4... 3... 2... 1. Our team wins! We all go crazy as it is our last game of 2019 and we remain undefeated.

### FLYNN CRAIG

This year I experienced lots of things, like the musical. I was also House and School Captain. While I was School Captain, I led assemblies and really showed who I am. As House Captain, we won House Shout with Karda's rendition of *Don't Stop Believin'*.

### ALEXANDER EDELMAN

A bee soared across the flowers  
I was looking at it  
So perfect  
Year 6  
Was the same  
I have soared across many terms  
When I come to school, I feel at home  
My teacher is all happy and joyful  
But things have to come to an end  
So others can begin.

### JETLEN EDGERTON-WARBURTON

Poetry.  
My favourite time.  
Guided by Mr Stanton-French, I cultivated my imagination.  
Poetry.  
The highlight.

### ETHAN FARRELL

This is where it all begins. I hug my mum as tight as I can and she kisses me on the cheek, embarrassing me in front of the cohort (well, not in front of everyone). I gather with my friends. We begin! The Canberra Tour was exciting, exhilarating and exquisite.

### HENRY GIBB

For me it was probably the FPS tour or the Koorringal camp. I enjoyed Koorringal because it was out in the bush, and therefore a lot of fun. I enjoyed the FPS tour because we went to Brisbane and stayed in the Shangri La Gardens. My team came seventh.

### ROHAN GOHIL

As the big buff bowler came steaming in at high speed, I felt nervous. The ball came to me as fast as a jet. I swung the bat wildly. KAPOW! It's gone for six and the rest of my team cheered. I felt amazing.

### ISAAC GRANICH

Finally, the moment I have waited so long for, the AFL Tour. Since I first heard about it, I had wanted to go on this spectacular tour to Melbourne, home of the legendary MCG. When we arrived, we saw the mighty Tigers versus the Giants at the MCG on a rainy day.

### SOREN GRUBB

Learning the lines and singing was hard but, in the end, I liked it. At the end we had a cast party. It was great to see Mr D and all of my fellow castmates enjoy the show.

### KIT GUIT

I liked Canberra, the Speakers' Challenge, all the more  
The fun was galore  
The good times, laughs, and jokes.  
Canoeing was great,  
with some mates!  
Overall it was the best,  
beyond compare  
The year was treated with care.

### JOSH HARMER

My favourite part of Year 6 was sport. Every Thursday you got to play a competitive game with your friends or against friends. Rugby was great fun even though we lost most of our games. Water polo was amazing because it was relaxing in the water and also because we remained undefeated.

### LUKE HEATON

I liked Theory Club.

### BENJAMIN HOFFMAN

"Look! Over there is perfect for our mia-mia," Flynn called. It was day one of Koorringal. As the clear sky darkened, we began to build our structure. Builders, explorers and diplomats made up our group. We traded/ discovered then built, and after three days, our camouflaged, invisible mia-mia won the classes' competition.

### WILLIAM LEWIS

This year couldn't have been better. The funny moments in Mr Stanton-French's JS Army were incredible. We won Have Sum Fun, we came second in the da Vinci Decathlon and I won the FPS nationals. And that's not mentioning the honour of being School Captain. I can't wait for 2020.

### JAIYU LI

The early morning sun shines through the car window. I am going to the airport. I am so excited about the trip to Canberra! It was fun in Canberra, I liked the delicious food. I also liked the AIS because we played different sports.

### KADE MACDERMOTT

My Mitre Moment was all the things we did. My favourite parts were when Surya, Marc and I found out that *Down the River*, a song we were taught, was a secret method for canoeing at a steady tempo. That and the luxurious Canberra Tour. Year 6 was wildly fun!

### LACHLAN MACDERMOTT

The breeze blowing and the sun shining. It's a sunny day and we are doing a bushwalk around Koorringal. My stomach hurts, the bushes are rubbing against me and we haven't had a drink break. Then I see the old dirt road to Scarp Pool; now we can have some lunch.

**Fourth Row:** Alexander Edelman, Jetlen Egerton-Warburton, Henry Gibb, Joshua Harmer, Isaac Granich, Christopher Berg

**Head of Preparatory School:** Dr Steven Males **Teacher:** Mr James Stanton-French

**SURYA MANIVASAGAM**

The ball felt heavy in my hand. The rain gashed towards one side of the court. Ace! Just one more point for the win. Sweat trickled down my brow. Fault! I threw the ball, wind gnawing at my racquet. Smash! It's in! He hit it back and I whacked it straight at him. I won!

**OSCAR MAY**

My heart felt like a drum bashing against my soul – engulfing me in anxiety. "Touch!" the coach shouts, as I turned and smashed the ball towards goal. Everything seems to turn in slow motion. My whole body was shaking with exhaustion. I heard the swish of the net. The team erupted in excitement as I had just scored against Wesley.

**ALFIE MILL**

"BANG!" Seventy of the fastest runners ran forward towards the right of the ropes. This was the intense beginning of the JPSSA Cross Country Carnival. The race was fast moving and intense, but it was all worth it in the end. I came fifth.

**GRIFFEN ROBERTS**

I loved Koorngal  
The camping was cool  
Can't wait to go back again.

**ZENITH SHAKIBAIE**

Get up everyone! Koorngal just gets better every year. My favourite part of the camp was surely the canoeing we did. Our group loved to capsise because it was steaming that day.

**MARC TAN**

The crowd, muffled by my heart beat. A bead of sweat trickled down my brow. It was our turn. We stood up and made haste towards the stage. We took a breath and sang. We stopped and gradually walked back. The judges went up. My heart stopped... we had won House Shout!

**BEN WHITEMAN**

The gun goes off! I sprint like my life depends on it, not knowing if my position is worth admiring. I can't bear to look. I stay focused and ignore the Year 8 thumping behind me like an elephant. I can't believe it! I WON! I won the CCGS Gift. Wow!

# YEAR 6SM

**The boys from 6SM have learnt a great deal throughout their time in the Preparatory School. They have each written a tip on 'How to live the best life'.**

## LUKE BEAMENT

If you want something in life, be prepared to work really hard. Most importantly, never give up. This piece of advice can relate to anything. You will get the rewards if you put in the effort.

## JAMES BRAY

Be grateful every day. Research has shown that being grateful can result in feeling happy about your life. Take the time to write down what you are grateful for each day and you'll feel amazing.

## OLIVER BROCKMAN

Be kind to everyone you meet. Kindness goes both ways – it makes you feel good and also the person receiving it. Whatever is hurtful to you, do not do to another person.

## CHARLIE BYDDER

Don't underestimate the value of daily exercise. Exercise is good for your mind and body. Choose physical activities that you enjoy and join a team to share the experience with.

## MICHAEL DE SOUSA

Earning loads of money isn't important, but accumulating skills are! Skills will make you a person of value. Keep on learning all your life and invest in yourself. This will make you a successful person.

## HAMISH DREDGE

Hang out with happy people – mood can be contagious. If you hang with happy people then you will also be happy. I also believe in the quote, "Manners are free". Good manners never go out of fashion.

## ROHAN FAYERS

Learn to appreciate the power of reading. You should read every single day of your life. Every time you read, you create a new pathway of thoughts and imagination.

## ALEXANDER FRIARS

Help others and learn to share – when we help others it feels good to just be of service to someone else. The impact we make is fulfilling and that makes us happy. A life lived without sharing can be lonely.

## NOAH GONCALVES

Spend time with your friends and family. Create fun memories and love your family unconditionally. Connecting with people is good for your wellbeing.

## MAX HARRISON

Spend time in nature – being outdoors provides you with Vitamin D and refreshes your body and soul. Being in nature opens up your senses, allows you to breathe fresh air and keeps you healthy.

## NICK HOEDEMAKER

Don't multitask. For all of those people who say they can multitask – they are actually not being productive. Research has shown that when you switch to more than one task you are burning up your precious storage unit of energy in the body, which leads to stress. Stick to one task at a time.

## RAYAN KIANPOUR

Stick it out – be tough. This is called 'grit'. Research has shown that highly successful people have a lot of grit. They persevere and push on without giving up. You have to keep working at it.

## AIDAN LIM

Spend wisely and learn how to save. Have a good relationship with money. Learn the power of delayed gratification. This means that you should hold off buying what you want for period of time. Often you might change your mind.

## CAMERON MORRIS

Reduce your screen time. This might sound boring but we really don't need to be on devices as often as we are. Limit yourself and be careful with the information that you share on the internet.

## OSHAN PAL

Creativity and imagination are important in your life. Do something that is creative every day. Read, write, play an instrument, draw a picture, sing a song or dance. It doesn't matter as long as you find something you love to do.

## NARENDRAN REDDY

Belong to a community. Whether it is playing sports, an instrument, or playing chess – whatever you enjoy, do it, and do it with others. It will increase your sense of belonging, confidence, and bring new opportunities to your life. Stay socially connected.

## JAKE SMETHURST

Laugh every day. Laughter improves the function of blood vessels and increases blood flow. It also releases feel-good hormones called endorphins that give you a calm sense of wellbeing. I enjoy laughing with my family and friends.

## LEO SUN

Learn the power of listening. You have two ears and one mouth. Teach yourself how to listen when it is important to do so. Don't waste your time in class daydreaming – you can do that in your downtime. Successful people are good listeners.

## ZACHARY TAY

Do what you say you are going to do. If you tell someone you are going to meet them, call them, finish a project or start a new one – do it. Standing by your word matters.

## NICHOLAS WANG

Respect – give it to others and expect it for yourself. Your heart, mind and body all deserve respect. Stand up for yourself and for what you believe in.

## OLIVER WHEELER

Be gentle with the Earth – the planet is shared with many living things, not just humans. Your daily actions with the earth make a difference.

## JAMES YU

My PDH uncovered the importance of respecting and taking care of your parents. Your mum and dad are full of priceless lessons that will propel you forward in life. Your parents know what you need because they have been on this planet longer than us.

## HARRY ZHANG

Learn how to cook. This is an important skill. If you can cook you will have many friends. Learning how to cook saves you money and time. Start with the basics and build up to more difficult things. Food should become your medicine in life if you make good choices about what goes into your body.

## IVAN ZOROTOVIC

Be yourself and feel comfortable with that because we are all unique. There is only one you. Accept who you are, and you'll live a happy and fulfilling life.
