

The Mitre Society

The Mitre Society honours and recognises those who, during their lifetime offer commitment and generosity to Christ Church Grammar School in the form of a bequest. For more than 100 years the support of old boys, parents and friends of the School has delivered a remarkable legacy on the Christ Church community.

Anyone who notifies the School of their intention to leave a gift in their will to Christ Church Grammar School is welcomed into our Mitre Society.

Members of the Mitre Society maintain a close connection with the School through special invitations and the annual members function hosted by the Principal.

If you have included a gift in your will or would like further information about the Mitre Society, please complete the below form and return it to Christ Church Grammar School.

- I have included a gift in my will to Christ Church
- I have included a gift in my will to Christ Church and would like to remain anonymous
- I am considering including a gift in my will to Christ Church and would like further information
