

#### THE DEBUT

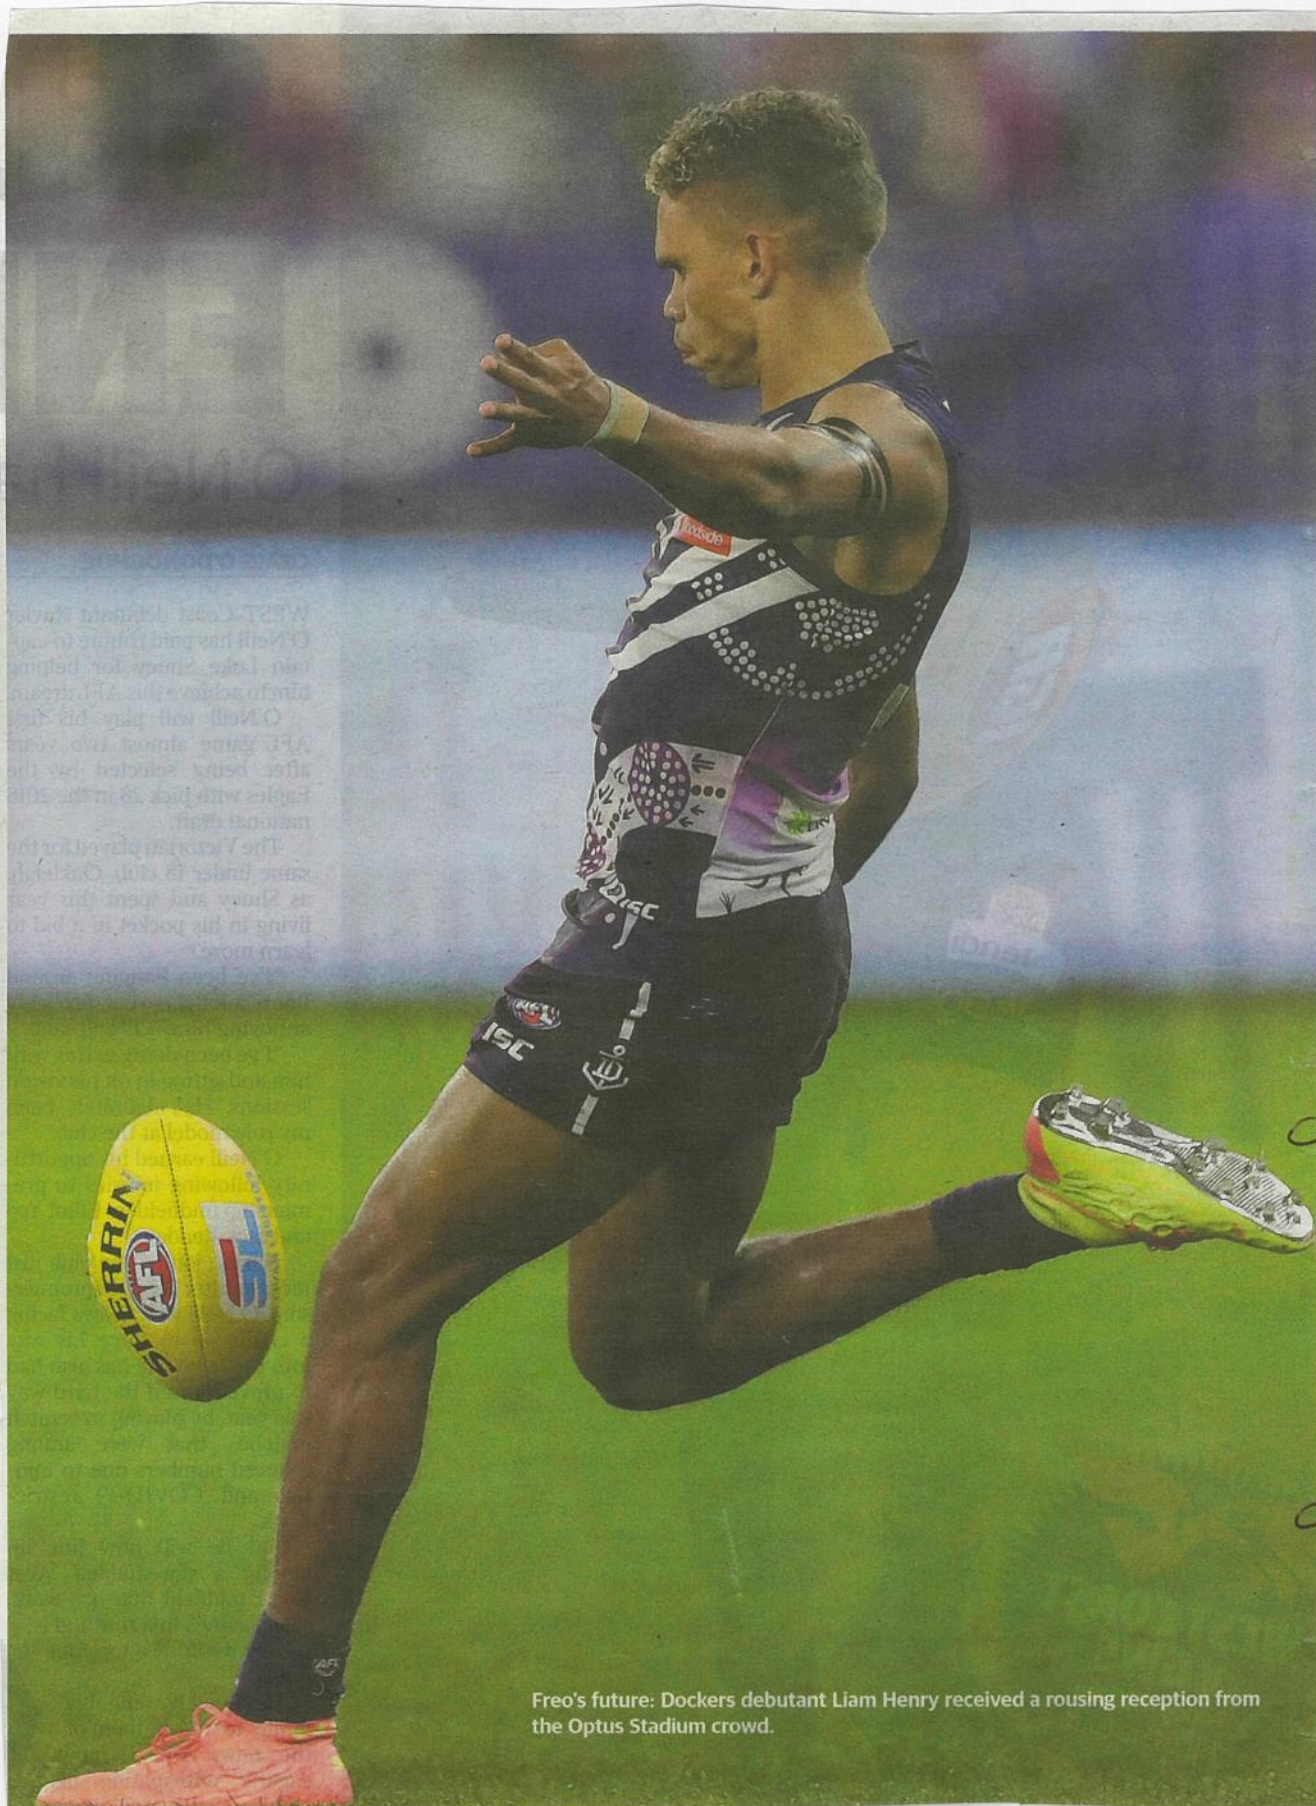

Exciting teenager Henry had a quiet first outing, going goalless as he finished with nine disposals and six marks.

It was an emotion-charged night for the 18-year-old, who wore three black armbands in memory of the deaths of his grandfather, an aunty and an uncle this year.

Henry received a huge ovation from the crowd when his name was called out in the pre-match team introduction and Michael Walters was on hand to provide plenty of advice.

Henry started on the bench, entering the game after four minutes and his first touch in the AFL came when fellow youngster Frederick hit him up on the lead on the half-forward flank. Too far out to score, Henry passed inboard back towards Frederick, who couldn't take the mark.

Henry had a couple of shots on goal, botching a snap in the second quarter and failing to get a clean kick away after a goal-mouth scramble in the final term.

Freo's future: Dockers debutant Liam Henry received a rousing reception from the Optus Stadium crowd.
