

Christ Church Grammar School 2022 Academic Results

Christ Church Grammar School is delighted to share the recently received 2022 ATAR results with the community.

This year's results demonstrate the commitment of the Year 12 cohort to their studies and are the product of a curriculum that provides challenges, expectations and support. The class of 2022 have shown enormous determination and resilience as they navigated the past few COVID impacted years.

Every year, much will be made of the numbers - in the media and in schools - and behind every number is a student with a story that is uniquely their own. And whilst the results are only part of the story of a student's journey with us and the significance of that figure will fade away, each student will be remembered by the School as that unique individual.

These young men have participated in a wide range of co-curricular activities, including athletics and debating; sport and chess; music and drama. They have also been leaders and role models making a significant contribution to the life of their School - inspiring the younger year levels and always leading by example.

Principal Alan Jones commented, "I'd like to take this opportunity to acknowledge the phenomenal work of our teachers and support staff who always go above and beyond. The quality and impact of these relationships cannot be underestimated."

Christ Church Grammar School's non-ATAR students have also achieved success and at a recent assembly the School was delighted to award the Non-ATAR Excellence Award to Thomas Read.

The top ATAR at Christ Church Grammar School is 99.95 - congratulations to Joshua Chen and Sean Morgan on this outstanding achievement!

Notable student achievements:

- 17 students (10.5% of ATAR candidates) obtained an ATAR \geq 99
- 28 students (17% of ATAR candidates) obtained an ATAR \geq 98
- 49 students (30% of ATAR candidates) obtained an ATAR \geq 95

The School celebrates the results and a school calculated median ATAR of 89.1.

You can follow [this link](#) to read testimonials from members of the cohort as they comment on inspirations and plans for their future.

It is comforting to know the future is in great hands!
