

The CCGS Lapathon will take place on Tuesday 30 May. Christ Church has decided to go in a new direction this year, with all donations going to Camp Quality. The money raised will have a positive impact on the lives of many children and families who are struggling with the impact of cancer.

Students attended an incursion last term, explaining the impact cancer has on an individual. All donations this year will be digital, click [here](#) to access the donation portal. Thank you in advance for your support of this important cause.

The schedule for the run is below.
