

Dear Parents and Guardians,

We are delighted to inform you that Christ Church Grammar School will be participating in the world-renowned ICAS Assessments this year. ICAS is developed by UNSW Global, a wholly owned subsidiary of the University of New South Wales, with over 35 years' experience in educational assessments.

ICAS is designed to target students' higher-order thinking and problem-solving skills in English, Writing, Mathematics, Science, Spelling and Digital Technologies.

Each assessment celebrates boys' accomplishments by providing opportunities for recognition. Every boy will receive a certificate and an online result report. Top performers will be eligible for medals and are invited to attend special award ceremonies to have their academic excellence publicly recognised.

We encourage you to consider entering your son into ICAS this year. The assessments are suitable for boys wishing to extend themselves academically and take up the personal challenge of competing in an international assessment. Your son will be presented with high-quality, expert-developed questions, allowing them to apply their learning without the need for prior study or revision.

All ICAS Assessments are completed online.
