

Christ Church Grammar School – Venture Gear List 2023

Paddy Pallin is committed to offering a great range of outdoor clothing and equipment from some of the world's best brands. Our Perth store has what we consider to be the best range of outdoor products in Western Australia. Below, we have put together a list of items that we think offer the best quality, value and suitability for this particular trip. However, as fit and comfort are vital, especially when it comes to clothing and footwear, we recognise that other options in our store may be preferable. It is for this reason that **we offer Christ Church Grammar School Outdoor Education students our education group discount of 20% off** the vast majority of our full price range (this offer excludes high-value electronics such as watches, PLBs and GPS units and Western Mountaineering sleeping bags).

To access our Education Group discount, please head to our new store, now located at 849 Hay Street, Perth (Directly opposite His Majesty's Theatre car park) and mention you're participating in the CCGS Year 10 Venture program. We understand that you may choose to borrow items from family and friends where such items are appropriate for use and we're more than happy to advise on the suitability and fitting of existing items. In doing so, you reduce your impact on the environment and we are happy to support this!

This year, you also have the opportunity to **shop our Venture Gear List ONLINE!** To do so, please **scan the QR Code**, select your items, and **use the code: CCGSVENTURE23** at checkout to receive your discount.

Please note, we are unable to supply some of the items on the list provided to you by the school. Please refer back to the Christ Church Gear List to ensure your child has all the appropriate items for camp.

If you have any questions, please feel free to email us at perth@paddypallin.com.au, sdrysdale@paddypallin.com.au, or call us on (08) 9321 2666. Pricing is correct as of 21/08/2023, but is subject to change.
