# This rare opportunity will stay with you forever.

Times of transition can be a major event in our boys' lives. As their ride on the adolescent roller coaster continues, their teenage years fly by. They are growing up and the opportunity to reflect on the challenges and the joys being faced by you and them is one not to be missed.

## Bill Jennings will facilitate...

this unique experience for you remotely, into our

Chapel. Bill is the creator and founder of 'Time & Space' ([www.time-space.com.au](http://www.time-space.com.au)), a service he has developed to give people just that - 'time and space' for parents and their children to share important moments together in a school community setting. This session provides opportunities that include carefully guided interactions with other mums and their boys.

Mothers will emerge from the event reassured and impressed by the way our students are able to speak up and share insights about their lives.

Be assured that this event is fun too... full of activities and conversations that will make us smile as well.

Please register by Wednesday 18 October

We know that families come in all shapes and sizes and not all mothers can attend an event such as this. A mentor such as a grandmother, aunt or family friend is welcome to attend.
