

Christ Church Grammar School 2023 ATAR Results

Christ Church Grammar School is delighted to share the recently received 2023 ATAR results with the community.

The results are an outstanding outcome for the students and Christ Church collectively, being a culmination of the efforts of our hard-working students, extraordinary teachers, wonderful support staff and supportive parents.

Christ Church Grammar School Principal Alan Jones commented "I am delighted with the overall success of the 'Class of 2023'. As an academically inclusive school, we truly value diversity and accept boys of all abilities and continue to customise the curriculum to suit boys' aptitude and interests."

"With a significant number of early and unconditional offers taken up by students throughout the year, it is pleasing to see the majority of our students have maintained their focus on academic excellence and achievements across the co-curricular and sporting arenas."

The top ATAR is 99.90 – congratulations to Ben Kao.
