

## Book Registry

Christ Church Grammar School is hosting a Book Registry, where grandparents can help stock the Preparatory School Library with fabulous new books by purchasing a book (or two!). All orders made from this registry will be donated to the Library, where children and teachers will be able to enjoy great new books.

Each book will have a special book plate included, with the name of your grandson.

1. Browse the books on the registry. You can click on the titles to view more about each book.
2. Add your selected items to the cart. You will then see a box labelled with **Order Special Instructions**. This is where you add your grandson's first and last name for the book plate.
3. Go through the checkout, filling in any details that are blank.
4. Please select pick up on checkout to avoid paying shipping fees. The book store (Paper Bird) will organise delivery to the School.

**Scan to donate a book**
