Dear Parents

Please note that **GALADENT** will be attending the school for all of our mouthguard requirements. We will again be combining our nights with the Preparatory School, to allow parents to book all siblings together. If you require a mouthguard for your son/s, please go to www.galadent.com.au to complete the following **COMPULSORY steps:**

Step 1 – Compulsory Online Booking

Click on **Mouthguard Booking** then on **CCGS PREP-SNR** and follow the prompts.

An individual booking is required for each subsequent child.

Once completed, you will receive a confirmation email.

Step 2 – Compulsory Online Mouthguard Form

Click on **Mouthguard Form**, then **Download** and **SAVE** the form.

All sections are to be completed, especially your payment details, if you are paying by credit card.

An individual mouthguard form is required for each subsequent child.

Please **PRINT** both pages of the completed form (if it is not a double sided copy – please do not staple the pages together).

You can also download the form and print both pages to complete it manually.

Your son is required to hand his completed form to Galadent, at his appointment.

If for any reason you are unable to print the form, you are welcome to email it to info@galadent.com.au, they'll print it and have it at your son/s appointment. This is only **if necessary**.

Parents of Boarders – you are required to email a completed mouthguard form to info@galadent.com.au, no later than the morning of your son/s appointment night. Please ensure your son's school, name and year is in the subject heading of the email.

Braces

If your son has been wearing braces for **OVER** 6 months, Galadent do not have any reservations about him being fitted with a custom mouthguard. It's always advisable though, to check with his Orthodontist, to confirm that this isn't detrimental to his treatment. If he has been wearing braces for **LESS** than 6 months, unfortunately he will not be able to wear a custom fitted mouthguard. You will need to purchase a "boil n bite" mouthguard from your local chemist or sports store.

Removal of Braces

If your son is about to have his braces removed, you will need to wait until after this has happened. If this doesn't fit in with the dates Galadent are attending the school, they are happy for you to book him in at any of their other schools or clubs. Please refer to their website for all upcoming dates and times.

General Information

All the types, colours and costs of the various mouthguards are outlined in the online mouthguard form. If you are unsure of the type to select, Galadent can assist you on the night, in selecting the correct type. If you are unable to attend with your son, Galadent are happy to determine the correct type and adjust the price accordingly, upon your request.
